Re: Section 1130.750 - Alteration to Post Permit Projects
Project #14-061 – Northwestern Memorial Hospital
Permit Holder: Northwestern Memorial Hospital

Dear Ms Orth:

This letter is in response to correspondence dated December 1, 2016 that the Illinois Health Facilities and Services Review Board ("HFSRB") received regarding an Alteration to Permit #14-061. Your letter describes changes which the permit holder considers necessary to report to the HFSRB but which do not require the approval of HFSRB prior to implementation. Based upon your correspondence, it is the State Board Staffs' opinion that the change in financing from cash and bond financing to all cash financing will result in a decrease in the approved project cost of \$1,448,500. There is no change in the scope or size of the project.

This alteration has been appropriately reported to HFSRB and do not require HFSRB approval. This determination is made in accordance with Section 1130.750 c) and d) of HFSRB rules.

Your letter and this response will be added to the project file.

Should you have any questions or concerns please contact Mike Constantino at mike.constantino@illinois.gov or 217.782-3516.

Sincerely,

Handwritten signature of Mike Constantino.
