RE: Section 1130.750 – Alteration to the Proposed Project
Project #: 15-017 – Advocate Condell Ambulatory Surgical Center

Dear Ms Sortal:

The State Board has received your letter dated August 5, 2016 informing the State Board of a change in the ownership structure of the proposed ASTC. From your letter it is the State Boards' understanding that the physician owners now wish to own their interest through two limited liability companies, Neuro II, LLC and CASC, LLC, instead of individually. The letter also reaffirms that Advocate SCA Partners, LLC will retain control of the licensed health care entity with 51% ownership. Based upon your letter this change is not considered a change of control requiring a change of ownership exemption application and approval of the State Board.

Based on the information you provided, this notification is considered an alteration that has been appropriately reported to the State Board and does not require State Board approval. This determination is made in accordance with Section 1130.750 c) and d) of the State Board rules.

Should you have any questions or concerns please contact Mike Constantino or George Roate of my staff at Mike.Constantino@illinois.gov or George.Roate@illinois.gov or 217.782.3516.

Sincerely,

A handwritten signature in black ink that reads "Kathy Olson".

Kathy Olson, Board Chair
Illinois Health Facilities and Services Review Board
