**Re: Project # 15-060 Establishment of Comprehensive Physical Rehabilitation
Category of Service**

Dear Ms. Olson,

This letter is to update you on the status of the above referenced project. The comprehensive physical rehabilitation unit of 20 beds was opened for patient care at Gottlieb Memorial Hospital on July 1, 2016. In addition with the opening of this new unit, 21 Medical/Surgical beds were closed in accordance with our CON permit application that was approved on March 29, 2016. The project's original scope, cost, design and services described within our Certificate of Need application have not changed.

Should you have any questions regarding this project, please contact Armand Andreoni at (708) 216-4600.

Sincerely yours,

Daniel J. Post
