I am providing this information in response to your request.

Dr. Makhdoom was a member of the medical staffs at Memorial Hospital of Carbondale and St. Joseph Memorial Hospital in Murphysboro until July 1, 2015, which was the date on which he resigned from the medical staffs of both hospitals.

From 2012 until he resigned from St. Joseph Memorial Hospital, he had block time in their GI Lab of 4 days one week alternating with 3 days the next week from 7:30 to 3 each day.

In 2013, he was given block time at Memorial Hospital of Carbondale every other Monday, which he kept until he resigned from that hospital's medical staff.

Over the course of time until he resigned from the hospitals' medical staffs, he started giving up his days of block time. When he resigned his privileges at the hospitals, he had block time every other Monday from 7:30 to 3 at Memorial Hospital of Carbondale and block time on the alternating Monday from 7:30 to 3 at St. Joseph Memorial Hospital in Murphysboro.
