Re: 77 ILAC 1130.730 – Financial Commitment
Permit #15-056 – Transitional Care of Lisle
Permit #16-002 – Transitional Care of Fox Valley

Dear Ms. Cooper:

On March 22, 2018, the Chairwoman of the Illinois Health Facilities and Services Review Board approved the financial commitment extension requests for the permits referenced above. The financial commitment period was extended from May 10, 2018 to May 10, 2019 for both permits. Failure to financially commit these permits for projects that have a cost and that have not been financially committed as stated in this 77 ILAC 1130.720 will be considered expired and the project abandoned.

Should you have any questions or concerns please contact Courtney Avery of my staff at Courtney.Avery@illinois.gov or 312.814.4825.

Sincerely,

A handwritten signature in blue ink that reads "Kathy Olson".

Kathy Olson, Board Chair
Illinois Health Facilities and Services Review Board
