Dear Ms. Avery:

We have obligated Project #16-008 Cancer Hospital/Adult ED, having incurred financial commitments of \$91,083,250 as of April 30, 2018. This exceeds 33% of the permit amount of \$268,842,147 (33% of which is \$88,717,909) thereby meeting the requirement of project financial commitment. The Illinois Health Facilities and Services Review Board approved this project May 10, 2016.

Please let us know if we can provide any further information.

Sincerely,

John R. Beberman
