Re: Silver Cross Ambulatory Surgery Center, Project No. 16-021

Dear Ms. Avery and Constantino:

As you know, we are counsel to Silver Cross Ambulatory Surgery Center LLC ("SCASC") and Silver Cross Hospital and Medical Centers ("Silver Cross Hospital," and collectively with SCASC, the "Applicants"). As you also know, the Illinois Health Facilities and Services Review Board approved the Applicants' Certificate of Need Application to establish a multi-specialty ambulatory surgical treatment center (the "Surgery Center") on the Silver Cross Hospital campus in New Lenox, Illinois (the "Project").

The Applicants would like to add plastic surgery to the types of surgeries that can be performed at the Surgery Center. It should be noted that this additional surgical specialty will not add to the number of operating rooms at the Surgery Center, will not add to the cost of the Surgery Center, and will not add to the size of the Surgery Center. Indeed, this additional surgical specialty will not negatively impact the Project in any manner.

Please feel free to contact me if you have any questions.

Sincerely,

Edward J. Green
