Re: Section 1130.750 - Alteration to Post Permit Projects
Project #16-021- Silver Cross Ambulatory Surgery Center, LLC
Permit Holders: Silver Cross Ambulatory Surgery Center LLC and Silver Cross Hospital
and Medical Centers

Dear Mr Green:

This letter is in response to correspondence dated November 22, 2016 that the Illinois Health Facilities and Services Review Board ("HFSRB") received regarding an Alteration to Permit #16-021. Your letter describes changes which the permit holder considers necessary to report to the HFSRB but which do not require the approval of HFSRB prior to implementation. Based upon your correspondence, it is the State Board Staffs' opinion that the addition of a surgical specialty (i.e. plastic surgery) will not result in an increase in the approved project cost, result in a change in the scope or size of the project, or increase the amount of funds to be borrowed for this project.

This alteration has been appropriately reported to HFSRB and do not require HFSRB approval. This determination is made in accordance with Section 1130.750 c) and d) of HFSRB rules.

Your letter and this response will be added to the project file.

Should you have any questions or concerns please contact Mike Constantino at mike.constantino@illinois.gov or 217.782-3516.

Sincerely,

A handwritten signature in cursive script that reads "Mike Constantino".
