FROM: Cliff Cozzi, Manager, Internal Audit

DATE: June 12, 2019

RE: South Loop Modernization CON Completion Report Review

I. Audit Description

Internal Audit performed a review of the RUMC South Loop CON completion report to the Illinois Health Facilities and Services Review Board (Board). The South Loop CON project was deemed complete March 31, 2019.

The primary focus of the audit was to determine:

- The CON expenditures are substantiated by the appropriate supporting documentation.
- The CON report and general ledger are reconciled.
- That expenditures identified on the CON report agree with supporting documentation.
- That total project expenditures do not exceed the South Loop CON permit amount.

II. Internal Audit Procedures

Internal Audit tested the existence of valid supporting documentation for claimed transactions by:

- Agreeing all applicable transactions to the general ledger and evaluating charges for applicability to the South Loop CON.
- Reviewing claimed expenditure data for appropriate supporting documentation.
- Ascertaining that total project expenditures do not exceed the South Loop CON permit amount.

It should be noted the final South Loop CON costs are \$29,325,459. The total cost is \$6,920,170 under the South Loop CON \$36,245,629 permit amount.

III. Audit Results:

Based on our audit procedures, it appears the South Loop CON Final Report is properly reported to the Illinois Health Facilities and Services Review Board and adequate supporting documentation exists for each transaction.

IV. Audit Rating

It is Internal Audit's practice to rate our audit results for reporting purposes to the Audit Committee based upon a dual rating system. Ratings are assigned based upon our assessment of controls reviewed and/or tested as part of the audit scope as well as the potential impact on financial reporting accuracy.

This audit will receive a (n) "A" rating in regards to financial reporting and a "1" rating in regards to an overall control rating (see rating scales below).

It is Internal Audit's policy to perform follow-up reviews to ensure all recommendations are sufficiently addressed. Please contact me at extension 3-2457 or by email if you have any questions.

Financial Reporting Rating

- A = No findings noted, low risk.
- B = Findings noted but not material, low risk.
- C = Findings noted but not material, moderate risk.
- D = Material findings noted, high risk.

Overall Control Rating

- 1 = Strong- controls operating effectively, minor improvement opportunities identified.
- 2 = Adequate- most controls operating effectively, improvement opportunities identified.
- 3 = Improvement Needed- some important controls not operating effectively.
- 4 = Inadequate- critical controls missing or not operating effectively, immediate action required.
