Re: Advocate Sherman Ambulatory Surgery Center
Notice of Project Obligation
Project No. 16-038

Dear Ms. Avery:

This letter will serve to verify that Project 16-038 was obligated on February 14, 2017 with the execution of the Project's construction contract. By executing the construction agreement, which is in excess of \$4,500,000, Advocate Sherman Ambulatory Surgery Center committed to expend more than 33% of the total project cost and complied with the requirements for "Financial Commitment" in section 1130.730 of the Review Board's regulations.

We understand that we could include the verification of Financial Commitment ("Obligation") in our next Annual Progress Report but wanted to provide separate notice to assure you of our ongoing compliance on this Project.

The Project remains within permit approvals for cost and square footage. Should you have any questions on this information, please feel free to contact me.

Sincerely,

Drew Bell
