RE: Notification of Project Completion
Rush Oak Park Hospital
Permit #16-043
Emergency Department Modernization

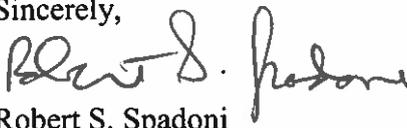

Dear Ms. Avery:

Please be advised that the above-referenced project was completed on October 9, 2019, by virtue completing the modernization process and treating patients in the modernized space.

The project was completed, as described in the Certificate of Need application, and was completed prior to the November 30, 2019 completion date approved by the HFSRB through the Permit renewal process.

A final cost report on this project will be filed with your office prior to February 28, 2020.

Sincerely,

Robert S. Spadoni
Vice President & Chief Operating Officer
