RE: Permit Alteration: Project #16-045, Champaign SurgiCenter, Champaign
Permit Holder: Champaign Surgicenter, LLC, Carle Health Care Incorporated and The
Carle Foundation

Dear Mr. Anderson:

On October 30, 2018, the Illinois Health Facilities and Services Review Board approved the alteration requested for the above-captioned project. The alteration approved was for the following:

Alteration to Increase GSF from 44,845 to 47,087 GSF and increase the project cost from \$31,078,943 to \$33,254,469. The permit holder is reminded that for the final realized cost report, any amount that exceeds the altered permit amount will be considered a cost overrun without a permit and invalidate the permit.

The permit holder should note the post-permit requirements contained in "Subpart G" of 77 IAC 1130. Adherence to the post-permit requirements is essential in maintaining a valid permit and is the responsibility of the permit holder.

Should you have any questions please contact my Mike Constantino or George Roate at (217) 782-3516.

Sincerely,

A handwritten signature in cursive script that reads "Courtney Avery".
