RE: Ferrell Hospital Adverse Effect Determination

Dear Mr. Halpin,

It was a pleasure meeting with you today. Per our discussion, we anticipate receiving a letter from you regarding next steps in the process from your agency. Our date with the Illinois Health Facilities Review Board is January 24, 2017. The Review Board will issue a state board report on Tuesday, January 10, 2017. It is important for us to have your revised determination prior to January 10, 2017 in order to have the process for the Certificate of Need to proceed.

Thank you again for your time today and we look forward to receiving your letter.

Sincerely,

Alisa Coleman, CEO
