Re: Westminster Village
Project No.
Historic Preservation Letter

Dear Mr. Constantino:

Enclosed please find a letter from the Illinois Historic Preservation Agency. This letter states that the agency records indicate no historic, architectural or archaeological sites within the proposed Westminster Village project site.

In the CON application filed earlier this month we had included the letter to IHPA requesting this information and indicated we would submit the response letter from IHPA when we received it.

As always, thank you for your kind assistance.

Very truly yours,

Joe Ourth
