Criterion 1110.1540 (k) – Assurances

In accordance with 77 II. Admin Code 1110.1540 (k), and with regards to Chicago Vascular ASC, I certify the following:

- A peer review program will be implemented at Chicago Vascular ASC that evaluates whether patient outcomes are consistent with quality standards established by professional organizations for the surgical services, and if outcomes do not meet or exceed those standards, a quality improvement plan will be initiated; and
- Based on historical and projected referrals the facility is expected to meet or exceed the State standard by the end of the second year of operation as an ASC.
