Mike,

Rutgers Park's annual progress report is due on July 5th. The facility was Medicare certified on May 27, 2020, so rather than submit the annual progress report, DaVita will submit a notice of project completion and final realized cost report. The report is ready to submit; however, Dawn Thomas, the Division Vice President for the Chicago region is on PTO this week, so we cannot submit the report prior to the annual progress report deadline. Once Dawn Thomas returns from PTO, I will send the letter to her attention for her review and signature. We hope to submit the notice of project completion and final realized cost report within the next two weeks.

I have an annual progress report ready as well, if we need to submit the annual progress report this week to avoid a compliance issues, let me know I will email it to you.

Thanks

Anne
