Permit #17-022 - HSHS St. Anthony's Memorial Hospital, Effingham

Dear Ms. Carr:

On December 13, 2017, the State Board received your notification of the alteration for the permit referenced above. Your letter stated that the financing for Permit #17-022 was being changed with no increase in the cost of the project. By State Board rule a

*“Permit holders shall report **all alterations** to HFSRB before executing the alteration. Some proposed alterations require HFSRB approval and some are prohibited. Proposed alterations that are not cited under these two categories require only written notification to HFSRB prior to execution.”*

The Alteration does not require HFSRB approval and the Alteration is not prohibited. Your notification is sufficient and our records will be updated to reflect this Alteration.

Should you have any questions or concerns, please contact Courtney Avery, Administrator of my staff at [Courtney.Avery@illinois.gov](mailto:Courtney.Avery@illinois.gov) or 312.814-4825.
