RE: Permit Alteration: Project #17-024 – Fresenius Kidney Care Springfield East
Permit Holder: Fresenius Kidney Care Springfield East, LLC d/b/a Fresenius
Kidney Care Springfield East, Fresenius Medical Care Holdings, Inc.

Dear Ms. Wright:

On June 27, 2018 the Chairman of the Illinois Health Facilities and Services Review Board (State Board) approved the alteration requested for the above-captioned project. The alteration approved was for the following:

Increase the total permit amount by \$126,000 from \$2,788,837 to \$2,914,837 or 4.5% of the approved permit amount.

The permit holder is reminded that for the final realized cost report, any amount that exceeds the altered permit amount will be considered a cost overrun without a permit.

The permit holder should note the post-permit requirements contained in "Subpart G" of 77 ILAC 1130. Adherence to the post-permit requirements is essential in maintaining a valid permit and is the responsibility of the permit holder.

Should you have any questions please contact Mike Constantino of George Roate at (217) 782-3516 should you have any questions.

Sincerely,

A handwritten signature in blue ink that reads "Kathy Olson".

Kathy Olson, Board Chair
Illinois Health Facilities and Services Review Board
