**Re: 77 ILAC 1130.640 – Extension of the Review Period**  
Project #17-068 – Oak Meadows Dialysis

Dear Ms. Cooper:

On April 2, 2018, the State Board received additional information regarding Project #17-068 which has required the State Board to extend the review period for this project. The review period for this project has been extended because of issues with the current site that is beyond the control of the Applicants.

Should you have any questions or concerns please contact Courtney Avery of my staff at [Courtney.Avery@illinois.gov](mailto:Courtney.Avery@illinois.gov) or 312.814.4825.

Sincerely,

A handwritten signature in blue ink that reads "Kathy Olson".
