RE: Application for Certificate of Need for Alden Estates-Courts of New Lenox
Cedar Crossing Drive, New Lenox, Illinois
114 bed skilled Rehabilitation and Health Care Center
52 bed skilled Memory Care Facility

Dear Ms. Avery:

Alden Estates Courts of New Lenox proposes to build a 114 bed skilled rehabilitation and health care center and a 52 bed memory care facility in Health Services Area 9, Will County, Illinois. This project will be located adjacent to Silver Cross Hospital.

I believe that a facility of this type will provide access to health care placement for senior citizens in our community and improve overall health care services provided to Will County residents. It will also help beautify the surrounding neighborhood.

Additionally, this project will have a positive impact on the economic development and quality of life for residents in our community. It is estimated that this project will create approximately 150 full-time construction and healthcare related jobs.

Please support and endorse this health care project for the residents of Will County, Illinois. Thank you for your consideration.

Respectfully,

A handwritten signature in black ink, appearing to read "Michael E. Hastings".
