Dear Ms. Avery,

**Litchfield, IL**  
HSBS St. Francis Hospital

This approved project has a January 4, 2020 completion date. Unfortunately, weather has delayed the projects' expected completion date and we regrettably missed the 45-day window to file a permit renewal.

**O'Fallon, IL**  
HSBS St. Elizabeth's Hospital

**Shelbyville, IL**  
HSBS Good Shepherd Hospital

Please accept this letter as an acknowledgement we will be filing two notifications pertaining to the Radiation Oncology Project in the very near future.

**Springfield, IL**

**Chippewa Falls, WI**  
HSBS St. Joseph's Hospital

The first filing will be a 6-month permit renewal request (Section 1130.740) indicating a July 4, 2020 completion date. We understand there may be some consequences due to our inadvertent delay in filing this request (Section 1130.790).

**Eau Claire, WI**  
HSBS Sacred Heart Hospital

The second filing will be the first annual progress report (Section 1130.760) which is due on or before January 3, 2020.
