WHEREAS, Fresenius intends to establish a Medicare-certified End Stage Renal Dialysis facility;

WHEREAS, Hospital and Fresenius desire to cooperate in the transfer of patients between Fresenius and Hospital, when and if such transfer may, from time to time be deemed necessary and requested by the respective patient's physician, to facilitate appropriate patient care;

WHEREAS, the parties mutually desire to enter into a transfer agreement to provide for the medically appropriate transfer or referral of patients from Fresenius to Hospital, for the benefit of the community and in compliance with HHS regulations; and

WHEREAS, the parties desire to provide a full statement of their agreement in connection with the services to be provided hereunder.

NOW, THEREFORE, BE IT RESOLVED, that in consideration of the mutual covenants, obligations and agreements set forth herein, the parties agree as follows:

I. TERM

1.1 The term of this Agreement shall be for one (1) year(s) from the Effective Date. This Agreement shall automatically renew for one (1) year term(s) unless terminated by either party as set forth herein.

II. TERMINATION

2.1 Either party may terminate this Agreement at any time, with or without cause, upon ninety (90) days prior written notice to the other party. Additionally, this Agreement shall automatically terminate should either party fail to maintain the licensure or certification necessary to carry out the provisions of this Agreement.

III. OBLIGATIONS OF THE PARTIES

3.1 Fresenius agrees:

a. That Fresenius shall refer and transfer patients to Hospital for medical treatment only when such transfer and referral has been determined to be medically appropriate by

the patient's attending physician or, in the case of an emergency, the Medical Director for Fresenius, hereinafter referred to as the "Transferring Physician";

b. That the Transferring Physician shall contact Hospital's Emergency Department Nursing Coordinator, prior to transport, to verify the transport and acceptance of the emergency patient by Hospital. The decision to accept the transfer of the emergency patient shall be made by Hospital's Emergency Department physician, hereinafter referred to as the "Emergency Physician", based on consultation with the member of Hospital's Medical Staff who will serve as the accepting attending physician, hereinafter referred to as the "Accepting Physician". In the case of the non-emergency patient, the Medical Staff attending physician will act as the Accepting Physician and must indicate acceptance of the patient. Fresenius agrees that Hospital shall have the sole discretion to accept the transfer of patients pursuant to this Agreement subject to the availability of equipment and personnel at Hospital. The Transferring Physician shall report all patient medical information which is necessary and pertinent for transport and acceptance of the patient by Hospital to the Emergency Physician and Accepting Physician;

c. That Fresenius shall be responsible for affecting the transfer of all patients referred to Hospital under the terms of this Agreement, including arranging for appropriate transportation, and care for the patient during the transfer. The parties agree and acknowledge that the patient, or the patient's third party payor, if applicable, shall retain financial responsibility for the transfer. The Transferring Physician shall determine the appropriate level of patient care during transport in consultation with the Emergency Physician and the Accepting Physician;

d. That pre-transfer treatment guidelines, if any, will be augmented by orders obtained from the Emergency Physician and/or Accepting Physician;

e. That, prior to patient transfer, the Transferring Physician is responsible for insuring that written, informed consent to transfer is obtained from the patient, the parent or legal guardian of a minor patient, or from the legal guardian or next-of-kin of a patient who is determined by the Transferring Physician to be unable to give informed consent to transfer; and

f. To maintain and provide proof to Hospital of professional and public liability insurance coverage in the amount of One Million Dollars (\$1,000,000.00) per occurrence and Three Million Dollars (\$3,000,000.00) in the aggregate with respect to the actions of its employees and agents connected with or arising out of services provided under this Agreement.

3.2 Hospital agrees:

a. To accept and admit in a timely manner, subject to bed availability, Fresenius patients referred for medical treatment, as more fully described in Section 3.1, Subparagraphs a through e;

b. To accept patients from Fresenius in need of inpatient hospital care, when such transfer and referral has been determined to be medically appropriate by the patient's attending physician and/or emergency physician at Fresenius;

c. That Hospital will seek to facilitate referral of transfer patients to specific Accepting Physicians when this is requested by Transferring Physicians and/or transfer patients;

d. That Hospital shall provide Fresenius patients with medically appropriate and available treatment provided that Accepting Physician and/or Emergency Physician writes appropriate orders for such services; and

e. To maintain and provide, upon request, proof to Fresenius of professional and public liability insurance coverage in the amount of One Million Dollars (\$1,000,000.00) per occurrence and Three Million Dollars (\$3,000,000.00) in the aggregate with respect to the actions of its employees and agents connected with or arising out of services provided under this Agreement.
