RE: Permit Alteration: Project #18-042

Permit Holder: Quincy Physicians & Surgeons Clinic S.C. d/b/a Quincy Medical Group

Dear Ms. Brockmiller:

On January 14, 2021 the Chairwoman of the Illinois Health Facilities and Services Review Board (State Board) acting on behalf of the State Board approved an alteration to the project to establish a multi-specialty Ambulatory Surgery Treatment Center (ASTC), located in Quincy, Illinois. The alteration approved the following:

1. An increase in the overall moveable equipment costs, from \$19,519,058 to \$20,885,391. An increase of \$1,366,333 or 6.99%.

The permit holder should note the post-permit requirements contained in "Subpart G" of 77 IAC 1130. Adherence to the post-permit requirements is essential in maintaining a valid permit and is the responsibility of the permit holder.

Should you have any questions or concerns please contact Mike Constantino or George Roate of my staff at Mike.Constantino@illinois.gov or George.Roate@illinois.gov or 217.782.3516.

Sincerely,

Courtney Avery
Administrator
Illinois Health Facilities and Services Review Board
