RE. Opposition to CON 18-042, Quincy Medical Group Surgery Center in Quincy, Illinois

Dear Ms. Avery,

My name is Cathleen Wittler and I work at Blessing Hospital in Quincy, Illinois as the Sterile Processing Manager. I feel that this duplication of services would have a negative impact on our community. Therefore, I strongly oppose CON-18-042.

The services being proposed are already being provided to the community at a reasonable cost, as well as providing quality care and real time availability. Duplicating services within our community will cause an economical issue to the work force and those needing services not covered by insurance providers. This CON will simply add cost to our community.

I respectfully ask that the Health Facilities and Services Review Board deny CON application 18-042 from Quincy Medical Group Surgery Center. Thank you for your consideration.

Respectfully,

Cathleen Wittler
