RE: Opposition to CON 18-042. Quincy Medical Group Surgery Center in Quincy, IL

Dear Ms. Avery,

My name is Johnathan Pearson, Solutions Delivery Supervisor at Blessing Health System. I am supervising an uplift to a brand new Surgery ERG system to better assist the Surgery staff for Blessing. I oppose the CON from Quincy Medical Group as this is a duplication of services already expertly & professionally offered by Blessing Health Systems by members of the Quincy Community, for members of the Quincy Community.

I respectfully ask that the Health Facilities & Services Review Board deny the CON application 18-042/Quincy Medical Group Surgery Center. We have all the services that Quincy & surrounding communities need, and have been the focal point of surgical services in this area. Thank you for your consideration.

Sincerely,

Johnathan Pearson
