Re: Opposition to CON 18-042, Quincy Medical Group in
Quincy, Illinois

Dear Mrs. Avery,

I am an employee of the Bussing Health System of fifteen years, and a life long resident of Quincy. I am aware of Quincy Medical Groups request to add a Surgery ^{Center} and would like to state my opposition to this unnecessary duplication of services. I do not feel that this would be a positive community impact.

As a small community this duplication of services is going to increase costs for our residents.

I respectfully ask that the Health Facilities & Services Review Board deny the CON Application for a new Quincy Medical Group Surgery center.

Respectfully,

Michelle R. Dinstenhaus
