Re: Opposition to CDN 18-042, Quincy Medical  
Group Surgery Center in Quincy, Illinois

Dear Ms Avery,

My name is Ms Gloria J Brooks, I am a supervisor at Blessing Health System in the Respiratory Services Department. I have been employed with Blessing Health System for over 39 years. I am deeply concerned with the negative impact that the duplication of services offered by this application for CDN 18-042 will have on our community. I want to voice my opposition to QMB's Request.

I feel that adding duplication of these services is going to only drive costs up to our community.

I respectfully ask that the Health Facilities and Services Review Board deny CDN application 18-042. Thank you for your consideration.

Sincerely and Respectfully  
Gloria J Brooks
