**Re: Opposition to CON 18-042, Quincy Medical Group Surgery Center in Quincy, Illinois**

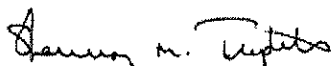

Dear Ms. Avery:

My name is Shannon Triplett. My wife is any Employee with Blessing Corporate Services. I am opposed to the issuance of a Certificate of Need for Quincy Medical Group Surgery Center in Quincy IL.

The reason why I feel this project should not go through is that it will reduce overall jobs in the community. As a consumer of healthcare in this community I have a real concern of a Cardiac Surgery Center being so far away from the Hospital. Lastly, because there will be a mandate for ambulance service there will be an increased expense to taxpayers in the community. Blessing Hospital already has a surgery center that is located in close proximity to the Hospital.

I respectfully ask that the Health Facilities and Services Review Board deny Quincy Medical Group Surgery Center CON application 18-042. Thank you for your consideration.

Respectfully,

Shannon M Triplett
