RE: Opposition to CON 18-042, OMC

Dear Ms. Avery:

My name is Heather Robinson, Supervisor at Blessing Hospital. I do not support the need of an additional Surgery Center in Quincy, IL.

Given the size and location, a 3rd facility is not needed. There are numerous vacancies at the current center which show the need will due to lack of accountability. If this 3rd unnecessary center is approved this will impact those in the community due to loss in jobs when in return will impact other businesses in the community. This appears to be a matter of OMC holding political deaf against Blessing, working in Customer Service. I hear consistently how Patients struggle

work QMG today - refusing to see those  
that are uninsured, no charitable programs,  
not willing to work with patient's financial  
needs and the list continues.

I respectfully ask that the Health Facilities  
and Services Review Board deny CON application  
18-042, QMG Surgery Center. Thank you for  
your consideration.

Sincerely,

Al Leiter (Robertson)
