Re: Opposition to CON 18-012
Quincy Medical Group Surgery Ctr
in Quincy, IL

Dear Ms. Avery,

My name is Laurie Brink, employee of the Blessing Health System in Quincy, IL. I would like to express my opposition to the above CON project.

It is concerning to me that Quincy Medical Group would choose to duplicate the already excellent services we provide in this community. Adding these services will not help decrease costs - only drive them up. I feel this is a very irresponsible step to take in these current times. This community is not growing as evidenced by the declining population. More services are not needed.

I respectfully ask the Health Facilities and Services Review Board deny the CON application # 18-042, Quincy Medical Group Center. Thank you for your consideration.

Respectfully,
Laurie Brink
