R.E. Opposition to CON 18-042 Quincy Medical Group
Surgery Center in Quincy Illinois

HEALTH FACILITIES &
SERVICES REVIEW BOARD

Dear Mrs. Avery,

My name is Bob Mayfield & I am an employee of
Blessing Health System. Our organization currently
operates a Surgery Center located at the Quincy
Medical Group Medical office building here in
Quincy, Illinois. I am opposed to the above
referenced CON project.

The reason I oppose this project is I believe
it is an unnecessary project. It is a duplication
of services for our small community. Competition
is not always a good. I believe it will drive
health care costs up.

The Quincy Medical group was not successful
the first time, & they will be adding more
cost to our community.

I respectfully ask that the Health Facilities & Services
Board deny CON application 18-042.

Respectfully,
Bob Mayfield
