HEALTH FACILITIES &
SERVICES REVIEW BOARD

Quincy needs a choice please
vote for Quincy Medical Group to be in
Burgner Building.

The citizens in the Quincy area
to have a choice in their medical needs
choice without going to Springfield IL
Columbia Mo. or St Louis Mo.

I went to Quincy Medical Group, because
needed eye surgery, but before I could have
the surgery, I had to pay Blessing Hospital
1,500.00 before the surgery could be done
this a medical choice? I chose Quincy Med. G
but, before the surgery I had to pay BLE
Hospital 1,500.00, As of now the people of
Quincy and surrounding area have no choice
The people of Quincy need a choice. We
need Quincy Medical Group.

A Citizen of

Quincy

Just a little more in form.

There was a Medical Building built at 24th Broadway, in business a couple of months, then their name came down and Blessing Hospital went, what happened? Blessing Hospital's goal is to own from Broadway to Chestnut, from 8th street to 12th street and as much Real estate as they can through out Quincy.

Quincy Needs Competition.

Blessings MRI are around 1,500~~00~~ just a little high. We Need Just Little Competition
