RE: Permit Alteration: Project #18-047
Permit Holder: Ophthalmology Surgery Center of Illinois, LLC

Dear Ms. Cooper:

On June 23, 2020 the Chairman of the Illinois Health Facilities and Services Review Board (State Board) acting on behalf of the State Board approved an alteration to the project to establish a single-specialty Ambulatory Surgery Treatment Center (ASTC) in Itasca. The alteration approved the following:

1. An increase in the overall project cost, from \$3,975,093 to \$4,253,348 or \$278,255 (6.99%).

The permit holder should note the post-permit requirements contained in "Subpart G" of 77 IAC 1130. Adherence to the post-permit requirements is essential in maintaining a valid permit and is the responsibility of the permit holder.

Should you have any questions or concerns please contact Mike Constantino or George Roate of my staff at Mike.Constantino@illinois.gov or George.Roate@illinois.gov or 217.782.3516.

Sincerely,

A handwritten signature in blue ink that reads "Courtney Avery".
