**Re: RESTORATIVE CARE INSTITUTE**

Dear Ms. Avery:

On behalf of Restorative Care Institute, I am writing in support of Restorative Care Institute application for an 98 bed skilled nursing facility to be located at 50 East Huron, Chicago, Illinois. We anticipate Restorative Care Institute facility will be a critical discharge destination for patients recovering from injury, surgery or disease. Restorative Care Institute facility will improve access to high quality post-acute care to patients residing in the City of Chicago.

Over the past two years, various prospective residents have received post-acute care at the following skilled nursing facilities within the service area. The number of patients by their zip code of residence is provided at Attachment – 1. **Dr. Pillay** anticipates 100 residents will be referred annually to Restorative Care Institute within 24 months of project completion.

<b>Skilled Nursing Facility</b>	<b>2018 Referrals</b>	<b>2019 Referrals</b>	<b>Projected Referrals to Restorative Care Institute after Project Completion</b>
Winston Manor		50	100
Elevate Waukegan		50	

Skilled Nursing Facility	2018 Referrals	2019 Referrals	Projected Referrals to Restorative Care Institute after Project Completion
<b>Total</b>		<b>100</b>	<b>100</b>

These referrals have not been used to support another pending or approved certificate of need application. The information in this letter is true and correct to the best of my knowledge.

**Work and Pillay, SC** supports the establishment of Restorative Care Institute to increase access to post-acute services to patients residing in the City of Chicago.

Sincerely,

Krushen Pillay, DO
