The Premises are a portion of the Building identified in the Article 1. As used herein, the term “**Building**” shall include adjacent parking surfaces used in connection therewith. The Premises, the Building, the Common Areas, the land upon which the same are located, along with all other buildings and improvements thereon or thereunder, are herein collectively referred to as the “**Office Building Project.**” As used herein, the term “**Common Areas**” shall include all areas and facilities outside the Premises and within the exterior boundary line of the Office Building Project that are provided and designated by Landlord from time to time for the general non-exclusive use of Landlord, Tenant and of other tenants of the Office Building Project and their respective employees, suppliers, shippers, customers and invitees, including, but not limited to, common entrances, lobbies, corridors, stairways and stairwells, public restrooms, elevators, escalators, parking areas to the extent not otherwise prohibited by this Lease, loading and unloading areas, trash areas, roadways, sidewalks, walkways, parkways, ramps, driveways, signage, tenant directories, landscaped areas and decorative walls. Landlord reserves unto itself and its designees the use of the roof, exterior walls and area beneath the floor and above the ceiling of the Premises, together with the right, from time to time, to install, maintain, use, repair and replace utility lines, tunneling, pipes, ducts, conduits, and wire and the like leading under, over or through the Premises.

TERM

3.1 Term. The term of this Lease (the “**Initial Term**”) and the Commencement Date shall be as specified in Article 1. All of Tenant’s obligations under this Lease shall be legally binding as of the Effective Date.

3.2 Possession. Landlord agrees to use commercially reasonable efforts to deliver possession of the Premises by the Turnover Date. If for any reason Landlord cannot tender possession of the Premises to Tenant on the scheduled Turnover Date then the validity of this Lease and the obligations of Tenant under this Lease shall not be affected and Landlord shall not be subject to any liability therefore. Possession of the Premises shall be deemed tendered to Tenant when: (a) the improvements, if any, to be provided by Landlord under **Exhibit C** to this Lease are substantially completed, (b) the Building utilities are ready for use in the Premises, and (c) Tenant has reasonable access to the Premises.

3.2 Early Possession. If Tenant occupies the Premises prior to the Turnover Date with Landlord’s prior consent, such occupancy shall be subject to all provisions of this Lease except for the payment of Base Rent, and such occupancy shall not change the Expiration Date.

3.3 Notice of Commencement Date. Promptly following the Turnover Date, Landlord may, at its election, deliver to Tenant a notice identifying the Turnover Date and the Expiration Date, a copy of which notice shall be executed by Tenant and returned to Landlord.

3.4 Option to Renew. Provided that: (a) Tenant is not then in default hereunder beyond any applicable notice, cure or grace period; and (b) Landlord receives written notice from the Tenant not less than six (6) months and not more than nine (9) months prior to the expiration of the Initial Term (or Option Term, as applicable) of Tenant’s intention to extend the Term of the Lease; and (c) so long as Tenant (or such other party as is permitted or approved hereunder) is in occupation of and conducting its business in the Premises in accordance with the terms of this Lease, then Landlord will grant to Tenant the right to extend the term of the Lease upon the expiration of the Initial Term for two (2) consecutive option terms of sixty (60) months each (each, an “**Option Term**” and collectively, the “**Option Terms**”). If Landlord does not timely receive notice for extending the Term, then this Section shall be null and void and of no further force or effect. Hereinafter, “**Term**” shall mean the Initial Term and any extension thereof, including the Option Terms, if exercised.

If Tenant timely exercises its option to extend the Term for the first or second Option Terms, then Base Rent during each of the Option Terms shall be as described in Article 1.

ARTICLE 4 **RENT**

4.1 Base Rent. Beginning on Base Rent Commencement Date as set forth in Article 1, and on the first day of each calendar month during the Term, Tenant shall pay to Landlord the Base Rent for the Premises set forth in Article 1, without notice, offset or deduction. Base Rent for any period during the Term which is for less than one month shall be prorated on the basis of a 30-day month. Base Rent shall be payable in lawful money of the United States to Landlord at the address stated herein or to such other persons or at such other places as Landlord may designate in writing.

4.2 Additional Rent. Landlord and Tenant agree that this Lease is intended as a triple-net lease, and that Tenant shall pay to Landlord all charges and other amounts required under this Lease as additional rent (“**Additional Rent**”). Tenant’s obligations to pay Additional Rent shall commence on the Turnover Date as set forth in Article 1. Base Rent and Additional Rent shall be collectively referred to herein as “**Rent**.” Additional Rent shall include, but not be limited to Tenant’s Share of all Operating Expenses and Real Property Taxes (as defined in Article 10), in accordance with the following provisions:

(a) “**Tenant’s Share**” is the percentage set forth in Article 1.

(b) “**Operating Expenses**” is defined, for purposes of this Lease, to include all costs and expenses paid or incurred by Landlord in the exercise of its reasonable discretion, for:

(1) The operation, management, repair, maintenance, and replacement, in neat, clean, safe, good order and condition, of the Office Building Project, including, but not limited to, the following:

(iii) General maintenance, trash disposal, janitorial and security services;

(iv) All costs and expenses in connection with providing utilities under Article 11;

(v) Any other service to be provided by Landlord that is elsewhere in this Lease stated to be an “**Operating Expense**.”

(2) The cost of the premiums for the liability and property insurance policies to be maintained by Landlord under Article 8 hereof;

- (3) The amount of the real property taxes to be paid by Landlord under Section 10.1 hereof including any fees paid by Landlord to contest or appeal the tax assessment for purposes of lowering such assessment;
- (4) The cost of water, sewer, gas, electricity, and other publicly mandated services to the Office Building Project;
- (5) Reasonable management fees, administrative fees, and asset manager fees; and
- (6) All other reasonable and customary expenses incurred by landlords of similar properties in the management and operation of same.

(c) Operating Expenses shall not include the cost of capital improvements incurred in compliance with current or future laws; repairs to exterior portions of the Building such as the roof, walls, foundation, façade, mechanical, plumbing and wiring, and lobby; those operating expenses not attributable to Tenant; those other expenses customarily excluded therefrom, including, but not limited to capital improvements; depreciation; interest; principal payments of mortgage and other non-operating debts of Landlord; the cost of repairs or other work to the extent Landlord is reimbursed by insurance or condemnation proceeds; costs in connection with leasing space in the Building, including brokerage commissions; lease concessions, including rental abatements and construction allowances, granted to specific tenants; costs incurred in connection with the sale, financing or refinancing of the Building; or any expenses for which Landlord has received actual reimbursement (other than through Operating Expenses). Notwithstanding the foregoing, Operating Expenses shall include the annual cost of capital improvement, amortized over their respective useful lives.

(d) Landlord agrees that beginning in the earlier of full occupancy or 2019 and continuing through the Initial Term, Tenant's Share of controllable Operating Expenses shall not increase by more than 5% over Tenant's Share of controllable Operating Expenses for the prior calendar year, on a noncumulative, non-compounding basis. For purposes of this Section, "controllable Operating Expenses" shall mean those portions of Operating Expenses over which Landlord has discretion and the ability to manage. Controllable Operating Expenses shall not include such items as Landlord does not control, such as the cost of insurance, Real Property Taxes, utilities and similar expenses.

(e) Tenant's Share of any Operating Expenses shall be payable by Tenant monthly during each year of the Term, on the same day as the Base Rent is due hereunder. In the event that Tenant pays Landlord's estimate of Tenant's Share of the Operating Expenses, Landlord shall deliver to Tenant within a reasonable time after the expiration of each calendar year a detailed statement ("**Operating Expense Statement**") showing the actual amount of Tenant's Share of the Operating Expenses incurred during such year. If Landlord's estimate of Tenant's Share of Operating Expenses exceeded the actual amount of Tenant's Share of Operating Expenses, Tenant shall be entitled to credit in the amount of such overpayment against the portion of Tenant's Share of Operating Expenses next falling due, or, if this Lease has terminated, such excess shall be refunded to Tenant within thirty (30) days after delivery by Landlord to Tenant of the Operating Expense Statement. If Landlord's estimate of Tenant's Share of Operating Expenses was less than the actual amount of Tenant's Share of Operating Expenses, Tenant shall pay to Landlord (whether or not this Lease has terminated) the amount of the deficiency within thirty (30) days after delivery by Landlord to Tenant of the Operating Expense Statement.

ARTICLE 6
PREMISES USE

6.1 Use. The Premises shall be used and occupied solely by Tenant and Tenant shall use the Premises solely for the purpose set forth in Article 1, and for no other purpose, without the express written permission of Landlord. Tenant agrees that any variation from or expansion of the use specified herein shall constitute a material breach of this Lease.

Landlord agrees that after the Effective Date, it shall not lease or rent any space in the Building or permit the use or occupancy of any space in the Building, to any new or existing tenant, assignee, sublessee, licensee that operates a competing business (as hereinafter defined) without Tenant's prior written consent, which consent may be withheld in Tenant's sole and absolute discretion. "Competing business" for this purpose shall mean providing kidney treatment or dialysis of any kind. Tenant acknowledges that Research By Design, LLC is a current tenant in the Building and that tenant is engaged in kidney related research treatment. Tenant's acknowledges that said current use by this tenant and its successors and assigns does not violate Tenant's exclusive right under this Section.

6.2 Approved Use Contingency. Tenant shall have until January 9, 2018 (the "Use Contingency Date") to obtain all requisite permits, licenses, and approvals to operate a business for the Permitted Use from the State of Illinois and all applicable regulatory and local governmental agencies. Tenant shall use all diligent, reasonable and good-faith efforts to obtain such approval and avoid unnecessary delay. In the event that Tenant is unable to obtain the approvals on or before the Use Contingency Date, Tenant shall be entitled to terminate this Lease by delivering written notice of said termination to Landlord. In the absence of written notice from Tenant on or before the Use Contingency Date, the Lease will continue in full force and effect. Tenant may seek an extension of the Approved Use Contingency with the approval of Landlord.

6.3 Compliance with Law. Tenant shall, at Tenant's expense, promptly comply with all Applicable Laws, all orders, rules and regulations of the Board of Fire Underwriters having jurisdiction over the Premises or any other body exercising similar functions. As used herein, the term "Applicable Laws" means all applicable laws, codes, ordinances, orders, rules, regulations and requirements, of all federal, state, county, municipal and other governmental authorities and the departments, commissions, boards, bureaus, instrumentalities, and officers thereof relating to or affecting Tenant, the Office Building Project or the Building or the use, operation or occupancy of the Premises, whether now existing or hereafter enacted. Tenant shall conduct its business in a lawful manner and shall not use or permit the use of the Premises or the Common Areas in any manner that will tend to create waste or a nuisance or shall tend to disturb other occupants of the Office Building Project.

6.4 Specially Designated National or Blocked Person. Tenant certifies that it is not acting, directly or indirectly, for or on behalf of any person, group, entity or nation designated by any Executive Order or the United States Treasury Department as a terrorist, "Specially Designated National or Blocked Person," or other banned or blocked person, group, entity or nation pursuant to any Applicable Laws that are administered or enforced by the Office of Foreign Assets Control, nor is Tenant initiating, facilitating or engaging in this transaction, directly or indirectly, for or on behalf of any such person, group, entity or nation.

6.5 Landlord's Work; Acceptance of Premises.

(a) **Landlord's Work.** Landlord shall tender possession and occupancy of the Premises to Tenant on the Turnover Date set forth in Article 1 with the improvements identified on **Exhibit C** substantially completed. In the event the Premises shall not be substantially completed and ready for occupancy on the date 30 days after the expected Turnover Date (unless said delays were caused by Tenant Delays as defined in the Work Letter attached hereto as **Exhibit C**), Tenant shall be entitled to one day Rent abatement for each day that possession is delayed past said 30th day. In the event the Premises

shall not be substantially completed and ready for occupancy on the date 120 days after the Turnover Date (unless said delays were caused by Tenant Delays), Tenant shall be entitled to terminate this Lease by delivering written notice of said termination to Landlord. Notwithstanding the foregoing, the Turnover Date shall be extended day for day for each day of Permitted Delay as defined in the Work Letter attached hereto as **Exhibit C**. Except as otherwise provided in **Exhibit C**, Landlord shall have no other obligation for construction work or improvements to the Premises. The improvements now or hereafter situated upon the Premises, whether constructed by, for, or at the expense of either Landlord or Tenant, are and shall become a part of the Premises and Tenant shall have only a leasehold interest therein.

(b) **Acceptance of Premises.** By taking possession of the Premises, Tenant agrees that the Premises are in good order and satisfactory condition, and that there are no representations or warranties by Landlord regarding the condition of the Premises or the Building except as set forth in **Exhibit C**. Tenant acknowledges that it made a thorough and independent examination of the Premises and all matters relating to Tenant's decision to enter into this Lease. Tenant is thoroughly familiar with the Premises and is satisfied that same are in an acceptable condition and meet Tenant's needs. Tenant accepts the Premises and the Office Building Project in their "AS IS, WHERE IS" condition existing as of the Turnover Date or the date that Tenant first takes possession of the Premises, whichever is earlier, subject to all applicable zoning, municipal, county and state laws, ordinances and regulations governing and regulating the use of the Premises, and any easements, covenants or restrictions of record, and accepts this Lease subject thereto and to all matters disclosed thereby and by any exhibits attached hereto. Tenant acknowledges that the Premises are in good order and repair and that it has satisfied itself by its own independent investigation that the Premises are suitable for its intended use, and that neither Landlord nor Landlord's agent or agents has made any representation or warranty as to the present or future suitability of the Premises, Common Areas, or Office Building Project for the conduct of Tenant's business.

ARTICLE 7

MAINTENANCE AND REPAIRS; ALTERATIONS

7.1 Landlord's Obligations. Landlord shall repair and maintain the structural portions of the Premises (including the roof structure and membrane, exterior walls and columns), the Building Systems and Common Areas; provided that Tenant shall be obligated to reimburse Landlord for any repair or maintenance if necessitated or occasioned by the acts, omissions or negligence of Tenant, or any of its servants, employees, contractors, agents, visitors or licensees. Except as may be provided elsewhere herein, there shall be no abatement of Rent or liability of Landlord on account of any injury or interference with Tenant's business arising from the making of any improvements, alterations or repairs to any portion of the Office Building Project or to fixtures, appurtenances and equipment therein, nor shall any such improvement, alteration or repair constitute an eviction or disturbance of Tenant's use or possession of the Premises, unless otherwise specified elsewhere in this Lease.

7.2 Tenant's Obligations.

(a) Tenant shall take good care of the Premises and at Tenant's sole expense keep the Premises in good working order and in a clean, safe and sanitary condition. Notwithstanding Landlord's obligation to keep the Premises in good condition and repair, Tenant shall pay, as Additional Rent, the cost of any maintenance and repair of the Premises, and the maintenance, repair and replacement of any equipment (wherever located) that serves only Tenant or the Premises.

(b) On the last day of the Term, or upon any sooner termination of this Lease, Tenant shall surrender the Premises to Landlord in the same condition as received on the Commencement Date, ordinary wear and tear excepted, clean and free of debris. Any damage or deterioration of the Premises shall not be deemed ordinary wear and tear if the same could have been prevented by good maintenance practices by Tenant. Tenant shall repair any damage to the Premises occasioned by the installation or removal of Tenant's trade fixtures, alterations, furnishings and equipment. Except as otherwise stated in this Lease, all electrical distribution systems, lighting fixtures, window coverings, wall coverings, carpets, wall

paneling, ceilings and plumbing on the Premises shall be left in good operating condition, reasonable wear and tear excepted.

7.3 Alterations and Additions.

(a) Tenant shall not make or permit any alterations, installations, improvements, additions, or repairs, structural or otherwise (collectively, "Alterations"), in, on or about the Premises, or the Office Building Project without Landlord's prior written consent, which Landlord may give or withhold in Landlord's reasonable discretion. As used herein, the term "Alterations" shall include, but not be limited to, carpeting, window and wall coverings, power panels, electrical distribution systems, lighting fixtures, air conditioning, plumbing, and telephone and telecommunication wiring and equipment. Along with any request for consent, Tenant will deliver to Landlord plans and specifications for the Alterations and names and addresses of all prospective contractors for the Alterations. If Landlord approves the proposed Alterations, Tenant will, before commencing the Alterations, deliver to Landlord copies of all contracts, certificates of insurance, copies of all necessary permits and licenses and such other information relating to the Alterations as Landlord reasonably requests. Tenant will cause all approved Alterations to be constructed (i) in a good and workmanlike manner, (ii) in compliance with all Applicable Laws, (iii) in accordance with the Rules and Regulations and with any design guidelines established by Landlord, (iv) in accordance with all orders, rules and regulations of the Board of Fire Underwriters having jurisdiction over the Premises or any other body exercising similar functions, and (v) during times reasonably determined by Landlord to minimize interference with other Tenants' use and enjoyment of the Office Building Project.

(b) Tenant shall pay the cost and expense of all Alterations, including, without limitation, a reasonable charge for Landlord's review, inspection and engineering time, and for any painting, restoring or repairing the Premises or the Building that the Alterations occasion. Prior to commencing any Alterations, Tenant will deliver the following to Landlord in form and amount reasonably satisfactory to Landlord: (i) demolition (if applicable) and payment and performance bonds, (ii) builder's "all risk" insurance in an amount at least equal to the replacement value of the Alterations, and (iii) evidence that Tenant and each of Tenant's contractors have in force commercial general liability insurance insuring against construction related risks in at least the form, amounts and coverages required of Tenant under Article 8. The insurance policies described in clauses (ii) and (iii) must name Landlord, Landlord's lender and the Property Manager as additional insureds.

(c) Landlord may inspect construction of the Alterations. Immediately upon completion of any Alterations, Tenant will furnish Landlord with contractor affidavits and full and final lien waivers and receipted bills covering all labor and materials expended and used in connection with the Alterations. Tenant will remove any Alterations Tenant constructs in violation of this Section 7.3 within ten (10) days after Landlord's written request and in any event prior to the expiration or earlier termination of this Lease. All Alterations Tenant makes or causes to be made to the Premises shall become the property of Landlord and a part of the Building immediately upon installation and, unless Landlord requests Tenant to remove the Alterations, Tenant will surrender the Alterations to Landlord upon the expiration or earlier termination of this Lease at no cost to Landlord. Notwithstanding the foregoing, Tenant shall remove all telephone, computer, security and other wiring and cabling located within the Premises, including without limitation any located within the walls of the Premises, on or before the Expiration Date or any earlier termination of this Lease.

(d) Tenant will keep the Premises and the Office Building Project free from any mechanics', materialmen's, or other liens arising out of any work performed, materials furnished or obligations incurred by or for Tenant. In the event that Tenant shall not, within ten (10) days following the imposition of any such lien, cause the lien to be released of record by payment or posting of a proper bond, Landlord shall have, in addition to all other remedies provided herein and by law, the right but not the obligation to cause any such lien to be released by such means as it shall deem proper, including payment of the claim giving rise to such lien. All such sums paid by Landlord and all expenses incurred by it in connection therewith (including, without limitation, reasonable counsel fees) shall be payable to Landlord by Tenant upon

demand. Landlord shall have the right at all times to post and keep posted on the Premises any notices permitted or required by law or that Landlord shall deem proper for the protection of Landlord, the Premises, and the Office Building Project, from mechanics' and materialmens' liens. Tenant shall give to Landlord at least ten (10) days' prior written notice of commencement of any repair or construction on the Premises.

(e) Tenant may perform general decorating to the Premises, for which building permits are not required, without the Landlord's prior consent.

ARTICLE 8

All policies of insurance provided for herein shall be issued by insurance companies with a financial rating of A as rated in the most current available "Best's Insurance Reports," and qualified to do business in the State of Illinois, and shall include as additional insureds, Landlord, Landlord's investment advisor, if any, the Property Manager, and such other persons or firms as Landlord specifies from time to time. Such policies shall be for the mutual and joint benefit and protection of Landlord, Tenant and others hereinabove mentioned, and executed copies of such policies of insurance or certificates thereof shall be delivered to Landlord within ten (10) days prior to the delivery of possession of the Premises to Tenant and thereafter within thirty (30) days prior to the expiration of the term of such policy. All commercial general liability and property damage policies shall contain a provision that

Landlord and the Property Manager, although named as additional insureds, shall nevertheless be entitled to recover under said policies for any loss occasioned to it, its servants, agents and employees, by reason of Tenant's negligence.

As often as any policy shall expire or terminate, renewal or additional policies shall be procured and maintained by Tenant in like manner and to like extent. All such policies of insurance shall provide that the company writing said policy will give to Landlord thirty (30) days' notice in writing in advance of any cancellation or lapse or of the effective date of any reduction in the amounts of insurance. All commercial general liability, property damage and other casualty policies shall be written on an occurrence basis and as primary policies, and not in excess of coverage that Landlord may carry. Landlord's coverage shall not be contributory. Tenant's insurance shall specifically include the liability assumed hereunder by Tenant, shall provide for severability of interests, shall further provide that an act or omission of one of the named insureds which would void or otherwise reduce coverage shall not reduce or void the coverage as to any insured, and shall afford coverage for all claims based on acts, omissions, injury or damage which occurred or arose (or the onset of which occurred or arose) in whole or in part during the policy period.

8.3 Failure to Obtain. Should Tenant fail to take out and keep in force each insurance policy required under this Article, or should such insurance not be approved by Landlord and should the Tenant not rectify the situation within forty-eight (48) hours after written notice from Landlord to Tenant, exclusive of Saturday and Sunday, Landlord shall have the right, without assuming any obligation in connection herewith, to effect such insurance at the sole cost of Tenant, and all outlays by the Landlord shall be immediately payable by the Tenant to the Landlord as Additional Rent without prejudice to any other rights and remedies of Landlord under this Lease.

8.4 Waiver of Subrogation. Notwithstanding anything to the contrary contained herein, to the extent permitted by their respective policies of insurance and to the extent of insurance proceeds received with respect to the loss, Landlord and Tenant each waive any right of recovery against the other party and against any other party maintaining a policy of insurance with respect to the Office Building Project or any portion thereof or the contents of any of the same, for any loss or damage maintained by such other party with respect to the Office Building Project or the Premises or any portion of any thereof or the contents of the same or any operation therein, whether or not such loss is caused by the fault or negligence of such other party. If any policy of insurance relating to the Premises carried by Tenant or Landlord does not permit the foregoing waiver or if the coverage under any such policy would be invalidated as a result of such waiver, Tenant or Landlord shall, if possible, obtain from the insurer under such policy a waiver of all rights of subrogation the insurer might have against Landlord or any other party maintaining a policy of insurance covering the same loss, in connection with any claim, loss or damage covered by such policy.

8.5 Landlord's Liability. No approval by Landlord of any insurer, or the terms or conditions of any policy, or any coverage or amount of insurance, or any deductible amount shall be construed as a representation by Landlord of the solvency of the insurer or the sufficiency of any policy or any coverage or amount of insurance or deductible and Tenant assumes full risk and responsibility for any inadequacy of insurance coverage or any failure of insurers.

8.6 Landlord's Insurance. Landlord shall maintain in effect a policy or policies of property insurance covering the Office Building Project, providing protection against perils included within the classification "Fire and Extended Coverage" in such amount as is reasonably determined by Landlord and a policy or policies of commercial general liability insurance for personal injuries or deaths of persons occurring in or about the Office Building Project. Nothing herein shall require Landlord to carry any insurance with respect to risks or property required to be insured by Tenant under this Lease or by any other tenant under such other tenant's lease, or with respect to any improvements or fixtures in the Office Building Project that have been constructed or installed by or at the expense of any other tenant in the Office Building Project.

8.7 Indemnity. Tenant shall indemnify, protect, defend and save and hold Landlord, the Property Manager, and their respective trustees, directors, officers, agents and employees, harmless, from and against any and all losses, costs, liabilities, claims, damages and expenses, including, without limitation, reasonable attorneys' fees and costs and reasonable investigation costs, incurred in connection with or arising from: (a) any default by Tenant in the observance or performance of any of the terms, covenants or conditions of this Lease on Tenant's part to be observed or performed, or (b) the use or occupancy or manner of use or occupancy of the Premises by Tenant or any person or entity claiming through or under Tenant, or (c) the condition of the Premises or any occurrence on the Premises from any cause whatsoever, except to the extent caused by the sole negligence or willful misconduct of Landlord, or (d) any acts, omissions or negligence of Tenant or of the contractors, agents, servants, employees, visitors, customers, or licensees of Tenant, in, on or about the Premises or the Office Building Project. Tenant's obligations under this Section shall survive the expiration or earlier termination of the Lease.

8.8 Limitation of Liability: Tenant hereby agrees that Landlord shall not be responsible for or liable to Tenant and Tenant hereby releases Landlord and waives all claims against Landlord for any injury, loss or damage to any person or property in or about the Premises or the Office Building Project by or from any cause whatsoever (other than Landlord's sole negligence or willful misconduct) including, without limitation, acts or omissions of persons occupying adjoining premises or any part of the Office Building Project; theft; burst, stopped or leaking water, gas, sewer or steam pipes; or gas, fire, oil or electricity in, on or about the Premises or the Office Building Project. The liability of Landlord, any agent of Landlord, or any of their respective officers, directors, board members, beneficiaries, shareholders, or employees to Tenant for or in respect of any default by Landlord under the terms of this Lease or in respect of any other claim or cause of action shall be limited to the interest of Landlord in the Building, and Tenant agrees to look solely to Landlord's interest in the Office Building Project for the recovery and satisfaction of any judgment against Landlord, any agent of Landlord, or any of their respective officers, directors, shareholders, and employees. No holder or beneficiary of any mortgage or deed of trust on any part of the Office Building Project shall have any liability to Tenant hereunder for any default of Landlord.

ARTICLE 9

DAMAGE OR DESTRUCTION

9.1 Definition. The term "Casualty", for purposes of this Lease, includes (but is not limited to) the following acts or events:

- (a) Extreme events of nature including but not limited to fire, flood, bad weather, earthquake, and other similar occurrences;
- (b) Any act of war, terrorism, or bio-terrorism, where "bio-terrorism" shall mean the release (or threatened release) of an airborne agent or other contaminant that is or could adversely affect the Building or its occupants.

9.2 If the Premises or the Building or the Office Building Project or any portion thereof (whether or not the Premises are affected) are damaged by fire or other Casualty, Landlord shall forthwith repair the same (except for Alterations installed by or on behalf of Tenant) provided that such repairs can be made within one hundred eighty (180) days after the date of such damage under the laws and regulations of the federal, state and local governmental authorities having jurisdiction thereof and are covered by the proceeds of insurance required to be maintained by Landlord pursuant to Section 8.6 hereof. In such event, this Lease shall remain in full force and effect except that Tenant shall be entitled to a proportionate abatement of Base Rent and Additional Rent while such repairs are being made as provided below. Tenant shall further be entitled to a proportionate abatement of Base Rent and Additional Rent resulting from such loss of use of Common Areas of the Office Building Project but only to the extent such fire or casualty actually interferes with the operation of Tenant's business. Within thirty (30) days after the date of such damage, Landlord shall notify Tenant whether or not such repairs are covered by insurance required to be maintained by Landlord pursuant to Section 8.6 and whether such repairs can be made within one hundred

eighty (180) days after the date of such damage. Landlord's determination thereof shall be binding on Tenant. If such repairs cannot be made within one hundred eighty (180) days from the date of such damage or such damage is not so covered by insurance, Landlord shall have the option within thirty (30) days after the date of such damage to notify Tenant of its election to terminate this Lease as of a date specified in such notice, which date shall not be less than thirty (30) nor more than sixty (60) days after notice is given.

If Landlord notifies Tenant that or such damage is not so covered by insurance, Landlord shall either: (a) notify Tenant of Landlord's intention to repair such damage, in which event this Lease shall continue in full force and effect, Landlord shall diligently prosecute such repairs to completion, and the Base Rent and Additional Rent shall be reduced as provided herein; or (b) notify Tenant of Landlord's election to terminate this Lease as of a date specified in such notice, which date shall be not less than thirty (30) nor more than sixty (60) days after notice is given. If such notice to terminate is given by Landlord, this Lease shall terminate on the date specified in such notice. In case of termination, the Base Rent and Additional Rent shall be reduced by a proportionate amount based upon the extent to which such damage interfered with the business carried on by Tenant in the Premises, and Tenant shall pay such reduced Base Rent and Additional Rent up to the date of termination. Landlord agrees to refund to Tenant any Base Rent and Additional Rent previously paid for any period of time subsequent to such date of termination. The repairs to be made hereunder by Landlord shall not include, and Landlord shall not be required to repair, any damage by fire or other cause to the property of Tenant or any damage caused by the negligence of Tenant, its contractors, agents, licensees or employees or any repairs or replacements of any paneling, decorations, railings, floor coverings, or any Alterations, additions, fixtures or improvements installed on the Premises by or at the expense of Tenant.

9.3 If Landlord elects or is required hereunder to repair, reconstruct or restore the Premises after any damage or destruction thereto, Tenant shall, at its own expense, as soon as reasonably practicable, replace or fully repair, reconstruct or restore all Alterations installed by Tenant and all other of Tenant's improvements, fixtures and property. Tenant hereby waives the provisions of any statute or law that may be in effect at the time of the occurrence of any such damage or destruction, under which a lease is automatically terminated or a Tenant is given the right to terminate a lease upon such an occurrence.

9.4 Tenant shall have no interest in or claim to any portion of the proceeds of any insurance or self-insurance maintained by Landlord. Except as otherwise provided herein, Landlord shall have no interest in or claim to any portion of the proceeds of any insurance maintained by Tenant under Article 8.

9.5 Tenant agrees at all times after any damage to or destruction of the improvements on the Premises, or any portion thereof, to continue the operation of its business therein to the extent practicable. If Landlord is required or elects to make any repairs, reconstruction or restoration of any damage or destruction to the Premises under any of the provisions of this Article, Tenant shall not be entitled to any damages by reason of any inconvenience or loss sustained by Tenant as a result thereof. During the period commencing with the date of any such damage or destruction that Landlord is required or elects hereunder to repair, reconstruct or restore, and ending with the completion of such repairs, reconstruction or restoration the Base Rent and Additional Rent shall be proportionately abated to the extent to which such damage and the making of such repairs by Landlord shall interfere with the business carried on by Tenant in the Premises. The full amount of Base Rent and Additional Rent shall again become payable immediately upon the completion of such work of repair, reconstruction or restoration. Except as expressly hereinabove provided, there shall be no reduction, change or abatement of any rental or other charge payable by Tenant to Landlord hereunder, or in the method of computing, accounting for or paying the same.

9.6 Interruption of Service.

(a) **Interruption of Service Defined.** No damages, compensation, or claim shall be payable by Landlord, and this Lease and the obligations of Tenant to perform all of its covenants and agreements hereunder shall in no way be affected, impaired, reduced, or excused, in the event that there is an

interruption, curtailment, or suspension of the Building's HVAC, utility, sanitary, elevator, water, telecommunications, security (including equipment, devices, and personnel), or other Building systems serving the Premises or any other services required of Landlord under this Lease (each, an "**Interruption of Service**"), by reason of:

- (1) any Casualty;
- (2) any emergency situation creating a threat to person or property;
- (3) any other causes of any kind whatsoever that are beyond the control of Landlord, including but not limited to:
 - (i) a lack of access to the Building or the Premises beyond the control of Landlord (which shall include, but not be limited to, the lack of access to the Building or the Premises when it or they are structurally sound but inaccessible due to the evacuation of the surrounding area or damage to nearby structures or public areas);
 - (ii) any cause outside the Building;
 - (iii) reduced air quality or other contaminants within the Building that would adversely affect the Building or its occupants (including, but not limited to, the presence of biological or other airborne agents within the Building or the Premises);
 - (iv) a disruption of mail and deliveries to the building or the Premises resulting from a Casualty;
 - (v) a disruption of telephone and telecommunications services to the Building or the Premises resulting from a Casualty; or,
 - (vi) a blockage of any windows, doors, or walkways to the Building or the Premises resulting from a Casualty.

(b) **Landlord's Interruption of Services.** Except as otherwise expressly provided in this Lease, Landlord reserves the right, without any liability to Tenant, and without being in breach of any covenant of this Lease, to effect an Interruption of Service, as required by this Lease or by law, or as Landlord in good faith deems advisable, whenever and for so long as may be reasonably necessary, to make repairs, alterations, upgrades, changes, or for any other reason, to the Building's HVAC, utility, sanitary, elevator, water, telecommunications, security (including equipment, devices, and personnel), or other Building systems serving the Premises or any other services required of Landlord under this Lease.

In each instance, Landlord shall exercise reasonable diligence to eliminate the cause of the Interruption of Service, if resulting from conditions within the Building, and conclude the Interruption of Service. Landlord shall give Tenant notice, when practicable, of the commencement and anticipated duration of such Interruption of Service.

- (c) **No Remedies.** The occurrence of an Interruption of Service shall not:
 - (1) constitute an actual or constructive eviction of Tenant, in whole or in part;
 - (2) entitle Tenant to any abatement or diminution of Base Rent, Additional Rent, or any other costs due from Tenant pursuant to this Lease;

- (3) relieve or release Tenant from any of its obligations under this Lease;
- (4) entitle Tenant to terminate this Lease, unless said interrupt continues for a period in excess of forty-five (45) consecutive days.

ARTICLE 10

TAXES

10.1 Real Property Taxes. Subject to the provisions of Section 10.2, Landlord shall pay the Real Property Taxes, as defined in Section 10.2, applicable to the Office Building Project and Tenant shall reimburse Landlord for Tenant's Share of the Real Property Taxes in the same manner as Operating Expenses in accordance with Section 4.2.

10.2 Definition. "Real Property Taxes" means all taxes, assessments and charges levied upon or with respect to the Office Building Project or any personal property of Landlord used in the operation thereof, or Landlord's interest in the Office Building Project or such personal property. Real Property Taxes shall include, without limitation, all general real property taxes and general and special assessments, charges, fees, or assessments for transit, housing, police, fire, or other governmental services or purported benefits to the Office Building Project or the occupants thereof, service payments in lieu of taxes, and any tax, fee, or excise on the act of entering into this Lease or any other lease of space in the Office Building Project, or on the use or occupancy of the Office Building Project or any part thereof, or on the rent payable under any lease or in connection with the business of renting space in the Office Building Project, that are now or hereafter levied or assessed against Landlord by the United States of America, the State of Illinois or any political subdivision thereof, public corporation, district, or any other political or public entity, and shall also include any other tax, fee or other excise, however described, that may be levied or assessed as a substitute for, or as an addition to, in whole or in part, any other real property taxes, whether or not now customary or in the contemplation of the parties on the date of this Lease. Real Property Taxes shall also include all fees, costs, and expenses (including expert witness fees and costs) incurred by Landlord in connection with its attempts to obtain reductions in assessed valuation of the taxable components of the Office Building Project or taxes rates attributable thereto. Real Property Taxes shall not include franchise, transfer, inheritance, or capital stock taxes or income taxes measured by the net income of Landlord from all sources unless, due to a change in the method of taxation, any of such taxes is levied or assessed against Landlord as a substitute for, or as an addition to, in whole or in part, any other tax that would otherwise constitute a real property tax. Real Property Taxes shall also include reasonable legal and consulting fees, costs, and disbursements incurred in connection with proceedings to contest, determine, or reduce Real Property Taxes.

10.3 Personal Property Taxes. Tenant shall pay prior to delinquency all taxes assessed against and levied upon trade fixtures, furnishings, equipment and all other personal property of Tenant located in the Premises or elsewhere.

ARTICLE 11

UTILITIES

11.1 Services Provided by Landlord. Landlord shall provide heating, ventilation, air conditioning, electricity sufficient for normal office use, tap water sufficient for normal drinking and lavatory use.

11.2 Services Exclusive to Tenant. Tenant shall pay for all utilities and services furnished or used at the Premises, including water, gas, electricity, other power, telephone and other communications services, and all other utilities and services supplied and/or metered to the Premises or to Tenant, together with any taxes or impositions thereon. If any such services are not separately metered to the Premises, Tenant shall pay at Landlord's option, either Tenant's Share or a reasonable proportion to be determined by Landlord of all charges jointly metered with other premises in the Building. The Premises shall be

separately metered for electricity (lights and outlets). Tenant shall be responsible for its own security and janitorial services.

11.3 Interruptions. Landlord shall not be liable for and there shall be no rent abatement as a result of any stoppage, reduction, interruption or discontinuance of any utility or service due to riot, strike, act of war, act of terrorism or bioterrorism, labor dispute, breakdown, accident, repair or any other cause or in cooperation with governmental request or directions, nor shall such stoppage, reduction, interruption or discontinuance be considered an eviction or interruption of Tenant's use or possession of the Premises.

ARTICLE 12

ASSIGNMENT AND SUBLETTING

12.1 Tenant shall not directly or indirectly (including, without limitation, by merger, acquisition, or other transfer of any controlling interest in Tenant) voluntarily or by operation of law sell, assign, mortgage, encumber, pledge or otherwise transfer or hypothecate all or any part of Tenant's interest in or rights with respect to the Premises or its leasehold estate hereunder (collectively, "**Assignment**"), or permit all or any portion of the Premises to be occupied by anyone other than itself or sublet all or any portion of the Premises (collectively, "**Sublease**") without Landlord's prior written consent in each instance, which consent, it is expressly understood and agreed, may not unreasonably be withheld or delayed by Landlord.

12.2 If Tenant desires to enter into an Assignment of this Lease or a Sublease of the Premises or any portion thereof, it shall give written notice (the "**Notice of Proposed Transfer**") to Landlord of its intention to do so no less than thirty (30) days prior to such proposed Assignment or Sublease, which notice shall contain: (i) the name and address of the proposed assignee, subtenant or occupant ("**Transferee**"), (ii) the nature of the proposed Transferee's business to be carried on in the Premises, (iii) the terms and provisions of the proposed Assignment or Sublease and (iv) such financial information as Landlord may reasonably request concerning the proposed Transferee.

12.3 At any time within twenty (20) days after Landlord's receipt of the Notice of Proposed Transfer pursuant to Section 12.2, Landlord may by written notice to Tenant elect in its sole discretion to: (i) terminate this Lease as to the portion (including all) of the Premises that is specified in the Notice of Proposed Transfer, which, in case of termination as to less than all of the Premises, a proportionate reduction in Base Rent and Additional Rent, (ii) consent to the proposed Assignment or Sublease, or (iii) reasonably disapprove the proposed Assignment or Sublease in writing with reason for disapproval. If Landlord elects to consent to the proposed Assignment or Sublease, Tenant may, not later than ninety (90) days thereafter, enter into such Assignment or Sublease with the proposed Transferee and upon the terms and conditions set forth in the Notice of Proposed Transfer, and fifty percent (50%) of any rent or other consideration received by Tenant in excess of the Base Rent and Additional Rent payable hereunder (or the amount thereof proportionate to the portion of the Premises subject to such Sublease or Assignment) and reasonable commissions and the cost of any Alterations incurred in connection with such Sublease or Assignment, shall be paid to Landlord. If Landlord elects the option provided in clause (i), Landlord shall be entitled to enter into a lease, sublease or assignment with respect to the Premises (or portion thereof specified in said Notice of Proposed Transfer) with the proposed Transferee identified in Tenant's notice.

12.4 No Sublease or Assignment by Tenant nor any consent by Landlord thereto shall relieve Tenant of any obligation to be performed by Tenant under this Lease. Any Sublease or Assignment that is not in compliance with this Article 12 shall be null and void and, at the option of Landlord, shall constitute a non-curable default by Tenant under this Lease and Landlord shall be entitled to pursue any right or remedy available to Landlord under the terms of this Lease or under the laws of the State of Illinois. The acceptance of any Rent or other payments by Landlord from a proposed Transferee shall not constitute consent to such Sublease or Assignment by Landlord or a recognition of any Transferee, or a waiver by Landlord of any failure of Tenant or other Transferor to comply with this Article 12.

12.5 Notwithstanding anything in this Article 12 to the contrary, but subject to the provisions of Section 12.6 below, Landlord's prior written consent shall not be required for a transfer of corporate shares by bequest or inheritance between or among the present majority stockholders of Tenant, to their immediate family, or any trust created for the benefit of such immediate family member or members; or any assignment of this Lease to any of the following: (i) a subsidiary, affiliate, division or corporation controlling, controlled by or under common control with Tenant; (ii) a successor corporation related to Tenant by merger, consolidation, or non-bankruptcy reorganization; (iii) a purchaser of all or substantially all of Tenant's assets, or (iv) in the case of a public offering of the stock of Tenant, the purchasers of Tenant's capital stock; provided that (a) Tenant is not in default under this Lease; (b) Tenant provides Landlord with the written notice required by Section 12.2(i)-(iv); and (c) after such assignment or transfer the operation of the business conducted in the Premises shall be operated in the manner required by this Lease. For purposes of the preceding sentence, the term "control" means owning directly or indirectly fifty percent (50%) or more of the beneficial interest in such entity, or having the direct or indirect power to control the management policies of each person or entity, whether through ownership, by contract or otherwise. As a condition to this Section 12.5, Tenant agrees to inform Landlord in writing of the proposed assignment or other transfer no less than thirty (30) days prior to any assignment or other transfer referred to in this Section 12.5.

12.6 Any Transferee approved by Landlord or transferee or assignee under Section 12.5, shall, from and after the effective date of the Assignment or Sublease, assume all obligations of Tenant under this Lease and shall be and remain liable jointly and severally with Tenant for the payment of Rent and for the performance of all of the terms, covenants, conditions and agreements herein contained on Tenant's part to be performed for the Term. No Assignment shall be binding on Landlord unless Tenant or Transferee shall deliver to Landlord a counterpart of the Assignment and an instrument that contains a covenant of assumption by such Transferee satisfactory in substance and form to Landlord, and consistent with the requirements of this Section 12.6. Any failure or refusal of such Transferee to execute such instrument of assumption shall constitute a default under this Lease but shall not release or discharge such Transferee from its liability as set forth above.

12.7 Tenant shall reimburse Landlord for administrative and legal expenses associated with the review and preparation of legal documents with each request by Tenant that Landlord consent to a proposed assignment, change of ownership or hypothecation of this Lease.

ARTICLE 13 **DEFAULT; REMEDIES**

13.1 Default. The occurrence of any one or more of the following events shall constitute a material default by Tenant under this Lease:

(a) The breach by Tenant of any of the covenants, conditions or provisions of Sections 7.3(a), (b) or (d) (alterations), 12 (assignment or subletting), 17 (estoppel certificate), 19.12 (subordination), or 19.23 (easements), all of which are deemed to be material, non-curable defaults without the necessity of any notice by Landlord to Tenant thereof.

(b) The failure by Tenant to make any payment of Rent or any other payment required to be made by Tenant hereunder, without deduction or offset, as and when due, where such failure shall continue for a period of five (5) days after written notice thereof from Landlord to Tenant. In the event that Landlord serves Tenant with a Notice to pursuant to applicable Forcible Entry and Detainer statutes such Notice to Pay Rent or Quit shall also constitute the notice required by this subparagraph.

(c) The failure by Tenant to observe or perform any of the covenants, conditions or provisions of this Lease to be observed or performed by Tenant other than those referenced in subparagraphs (a) and (b), above, where such failure shall continue for a period of thirty (30) days after written notice thereof from Landlord to Tenant; provided, however, that if the nature of Tenant's noncompliance is such that more

than thirty (30) days are reasonably required for its cure, then Tenant shall not be deemed to be in default if Tenant commenced such cure within said thirty (30) day period and thereafter diligently pursues such cure to completion. To the extent permitted by law, such thirty (30) day notice shall constitute the sole and exclusive notice required to be given to Tenant under applicable Unlawful Detainer statutes.

(d) (i) The making by Tenant or by any guarantor of Tenant's obligations under this Lease of any general arrangement or general assignment for the benefit of creditors; (ii) Tenant or any guarantor of Tenant's obligations under this Lease becoming a "debtor" as defined in 11 U.S.C. §101 or any successor statute thereto (unless, in the case of a petition filed against Tenant, the same is dismissed within sixty (60) days; (iii) the appointment of a trustee or receiver to take possession of substantially all of Tenant's assets located at the Premises or of Tenant's interest in this Lease, where possession is not restored to Tenant within thirty (30) days; or (iv) the attachment, execution or other judicial seizure of substantially all of Tenant's assets located at the Premises or of Tenant's interest in this Lease, where such seizure is not discharged within thirty (30) days. In the event that any provision of this Section 13.1(d) is contrary to any applicable law, such provision shall be of no force or effect, and this Section 13.1(d) shall be interpreted in such a way to give effect to the remaining provisions.

(e) Tenant shall do or permit to be done anything which creates a lien upon the Premises or upon all or any part of the Building or the Office Building Project.

(f) The inclusion by Tenant or its successor in interest or by any guarantor of Tenant's obligation hereunder of false information in any financial statement provided hereunder.

13.2 Remedies. In the event of any material default or breach of this Lease by Tenant, but after the expiration of any applicable cure period, Landlord may at any time thereafter, with or without notice or demand and without limiting Landlord in the exercise of any right or remedy which Landlord may have by reason of such default:

(a) Terminate Tenant's right to possession of the Premises by any lawful means, in which case this Lease shall terminate and Tenant shall immediately surrender possession of the Premises to Landlord. In such event Landlord shall be entitled to recover from Tenant all damages incurred by Landlord by reason of Tenant's default including, but not limited to (i) the cost of recovering possession of the Premises; (ii) expenses of reletting, including necessary renovation and alteration of the Premises; (iii) reasonable attorneys' fees, and any real estate commission actually paid; (iv) the worth at the time of award of any unpaid Rent which had been earned at the time of such termination; (v) the worth at the time of award of the amount by which the unpaid Rent which would have been earned after termination until the time of award exceeds the amount of such rental loss for the same period that Tenant proves could reasonably be avoided; (vi) the worth at the time of award of the amount by which the unpaid Rent for the balance of the term after the time of such award exceeds the amount of such rental loss for the same period that Tenant proves could be reasonably avoided; (vii) that portion of the leasing commission paid by Landlord pursuant to Article 16 and (viii) that portion of the Tenant improvement allowance (if any) applicable to the unexpired Term of this Lease.

(b) Maintain Tenant's right to possession in which case this Lease shall continue in effect whether or not Tenant shall have vacated or abandoned the Premises. In such event Landlord shall be entitled to enforce all of Landlord's rights and remedies under this Lease, including the right to recover the Rent as it becomes due hereunder. The foregoing remedies shall also be available to Landlord in the event Tenant has abandoned the Premises. Landlord's election not to terminate this Lease pursuant to this Section 13.2(b) or pursuant to any other provision of this Lease, at law or in equity, shall not preclude Landlord from subsequently electing to terminate this Lease or pursuing any of its other remedies.

(c) Pursue any other remedy now or hereafter available to Landlord under the laws or judicial decisions of the State of Illinois. Unpaid installments of Rent and other unpaid monetary obligations of

Tenant under the terms of this Lease shall bear interest from the date due at the maximum rate then allowable by law.

13.3 Right to Perform. Except as otherwise specifically provided in this Lease, all covenants and agreements of Tenant under this Lease shall be performed by Tenant at Tenant's sole cost and expense and without any abatement or offset of Rent. If Tenant shall fail to pay any sum of money (other than monthly Base Rent) or fail to perform any other act on its part to be paid or performed hereunder and such failure shall continue beyond any applicable cure period, Landlord may, without waiving or releasing Tenant from any of Tenant's obligations, make such payment or perform such other act on behalf of Tenant. All sums so paid by Landlord and all necessary incidental costs incurred by Landlord in performing such other acts shall be payable by Tenant to Landlord within five (5) days after demand therefor as Additional Rent.

13.4 Default by Landlord. Landlord shall not be in default unless Landlord fails to perform obligations required of Landlord within a reasonable time, but in no event later than thirty (30) days after written notice by Tenant to Landlord and to the holder of any first mortgage or deed of trust covering the Premises whose name and address shall have theretofore been furnished to Tenant in writing, specifying the obligation that Landlord has failed to perform; provided, however, that if the nature of Landlord's obligation is such that more than thirty (30) days are required for performance then Landlord shall not be in default if Landlord commences performance within such 30-day period and thereafter diligently pursues the same to completion.

13.5 Late Charges; Right to Change Terms:

(a) Tenant acknowledges that late payment by Tenant to Landlord of Base Rent, or Additional Rent or other sums due hereunder will cause Landlord to incur costs not contemplated by this Lease, the exact amount of which will be extremely difficult to ascertain. Such costs include, but are not limited to, processing and accounting charges, and late charges which may be imposed on Landlord by the terms of any mortgage or trust deed covering the Office Building Project. Accordingly, if any installment of Base Rent, Additional Rent, or any other sum due from Tenant shall not be received by Landlord or Landlord's designee when due, then, without any requirement for notice to Tenant, Tenant shall pay to Landlord a late charge equal to ten percent (10%) of such overdue amount. The parties agree that such late charge represents a fair and reasonable estimate of the costs Landlord will incur by reason of late payment by Tenant. Acceptance of such late charge by Landlord shall in no event constitute a waiver of Tenant's default with respect to such overdue amount, nor prevent Landlord from exercising any of the other rights and remedies granted hereunder.

(b) Following a second late payment or Rent or Additional Rent hereunder within any twelve (12) month period Landlord may, at its sole option, upon not less than fifteen (15) days' prior notice to Tenant, require Tenant to promptly execute and deliver to Landlord any documents, instruments, authorizations, or certificates required by Landlord to give effect to an automated debiting system, whereby any or all payments of Rent, Additional Rent, and any other payments required by Tenant or contemplated by this Lease shall be debited monthly or from time to time, as determined by Landlord, from Tenant's account in a bank or financial institution designated by Tenant and credited to Landlord's bank account. Tenant shall pay all service fees and other charges connected therewith, including, without limitation, any charges resulting from insufficient funds in Tenant's bank account or any late charges imposed on the Landlord. Tenant's failure to properly designate a bank or financial institution or to promptly provide appropriate information in accordance with this section shall constitute a default of the Lease.

ARTICLE 14
HAZARDOUS SUBSTANCES

14.1 As used herein, the term “**Hazardous Substances**” shall mean any chemical, substance, medical or other waste, living organism or combination thereof which is or may be hazardous to the environment or human or animal health or safety due to its radioactivity, ignitability, corrosivity, reactivity, explosivity, toxicity, carcinogenicity, mutagenicity, phytotoxicity, infectiousness or other harmful or potentially harmful properties or effects. “Hazardous Substances” shall include, without limitation, petroleum hydrocarbons, including crude oil or any fraction thereof, asbestos, radon, polychlorinated biphenyls (PCBs), methane and all substances which now or in the future may be defined as “hazardous substances,” “hazardous wastes,” “extremely hazardous wastes,” “hazardous materials,” “toxic substances,” “infectious wastes,” “biohazardous wastes,” “medical wastes,” “radioactive wastes” or which are otherwise listed, defined or regulated in any manner pursuant to any Environmental Laws. As used herein, “**Environmental Laws**” means all present and future federal, state and local laws, statutes, ordinances, rules, regulations, standards, directives, interpretations and conditions of approval, all administrative or judicial orders or decrees and all guidelines, permits, licenses, approvals and other entitlements, and rules of common law, pertaining to Hazardous Substances, the protection of the environment or human or animal health or safety.

14.2 Tenant shall not cause or permit any Hazardous Substance to be used, manufactured, stored, discharged, released or disposed of in, from, under or about the Premises, the Building, the Office Building Project or any other land or improvements in the vicinity thereof, excepting only, if applicable, such minor quantities of materials as are normally used in office buildings, and then only in strict accordance with all Applicable Laws. Without limiting the generality of the foregoing, Tenant, at its sole cost, shall comply with all Environmental Laws. If the presence of Hazardous Substances on the Premises or elsewhere in the Office Building Project caused or permitted by Tenant results in contamination of the Premises or any other portion of the Office Building Project, or any soil or groundwater in, under or about the Office Building Project, Tenant, at its expense, shall promptly take all actions necessary to return the Premises or the Office Building Project or portion thereof affected, to the condition existing prior to the appearance of such Hazardous Materials. The termination of this Lease shall not terminate or reduce the liability or obligations of Tenant under this Article 14, or as may be required by law, to clean up, monitor or remove any Hazardous Substances.

14.3 Tenant shall indemnify, protect, defend and hold harmless Landlord, the Property Manager, and their respective officers, directors, trustees, agents and employees from and against all losses, costs, claims, damages, liabilities, obligations, penalties, claims, litigation, demands, defenses, judgments, suits, proceedings, or expenses of any kind or nature (including, without limitation, attorneys’ fees and expert’s fees) arising out of or in connection with any Hazardous Substances on, in, under or affecting the Premises, Building, Office Project, or any part thereof that are or were attributable to Tenant or any employee, invitee, licensee, agent, contractor, or permitted subtenant or anyone claiming under Tenant or other person or entity acting at the direction, knowledge or implied consent of Tenant, including, without limitation, any cost of monitoring or removal, any reduction in the fair market value or fair rental value of the Premises, the Building or the Office Building Project, and any loss, claim or demand by any third person or entity relating to bodily injury or damage to real or personal property and reasonable attorneys’ fees and costs.

14.4 Tenant shall surrender the Premises to Landlord, upon the expiration or earlier termination of the Lease, free of Hazardous Substances which are or were attributable to Tenant or any employee, invitee, licensee, agent or contractor of Tenant, or anyone claiming under Tenant. If Tenant fails to so surrender the Premises, Tenant shall indemnify and hold Landlord harmless from all losses, costs, claims, damages and liabilities resulting from Tenant’s failure to surrender the Premises as required by this Section, including, without limitation, any claims or damages in connection with the condition of the Premises including, without limitation, damages occasioned by the inability to relet the Premises or a reduction in the fair market and/or rental value of the Premises, the Building or the Office Building Project or any portion thereof, by reason of the existence of any Hazardous Substances, which are or were attributable to the

activities of Tenant or any employee, invitee, licensee, agent or contractor of Tenant, or anyone claiming under Tenant.

14.05 Potentially Infectious Medical Waste. Tenant shall be responsible, at Tenant's sole cost and expenses, for the proper handling, storage and removal of potentially infectious medical waste generated in the Premises or the Office Building Project, and Tenant shall provide incineration or other proper disposal of same. This includes, but is not limited to:

(a) Cultures and Stocks - Cultures and stocks of agents infectious to humans, and associated biologicals. For example: cultures from medical laboratories; waste from the production of biologicals; discarded live and attenuated vaccines, and culture dishes and devices used to transfer, inoculate and mix cultures.

(b) Pathological Wastes - Human pathological wastes. For example: tissue, organs and body parts, and body fluids that are removed during medical procedures and specimens of body fluids and their containers.

(c) Blood and Body Products - Discarded waste human blood and blood components (e.g. serum and plasma) and saturated material containing free flowing blood and blood components.

(d) Sharps - Discarded sharps used in human patient care, medical research or clinical or pharmaceutical laboratories. For example: hypodermic, I.V., and other medical needles; hypodermic and I.V. syringes; Pasteur pipettes; scalpel blades; blood vials; and broken or unbroken glassware in contact with infectious agents, including slides or cover slips.

(e) Unused Sharps - Discarded hypodermic, I.V. and other medical needles, hypodermic, I.V. syringes, and scalpel blades. Unused sharps should be considered part of infectious medical wastes as it is often difficult to determine if they have been used. Tenant's failure to properly dispose of such waste or failure to comply with environmental laws, regulations and ordinances shall be deemed a default hereunder. Tenant agrees to indemnify, defend and hold harmless Landlord from and against any claims, liabilities, damages and suits arising in connection with potentially infectious medical waste used or generated in Tenant's medical practice. Tenant's obligations hereunder shall survive the termination or expiration of this Lease.

ARTICLE 15

EMINENT DOMAIN

15.1 If the Premises or any portion thereof are taken as a result of the exercise of the power of eminent domain, or any transfer in lieu thereof, this Lease shall terminate as to the part so taken as of the date the condemning authority takes title or possession, whichever first occurs, and, in the case of a partial taking, either Landlord or Tenant shall have the right to terminate this Lease as to the balance of the Premises by written notice to the other within thirty (30) days after such date; provided, however, that a condition to the exercise by Tenant of such right to terminate shall be that the portion of the Premises taken shall be of such extent and nature as substantially to handicap, impede or impair Tenant's use of the balance of the Premises. If any material part of the Building or Office Building Project shall be taken as a result of the exercise of the power of eminent domain, whether or not the Premises are affected, Landlord shall have the right to terminate this Lease by written notice to Tenant within thirty (30) days of the date of the taking. If neither Landlord nor Tenant terminates this Lease in accordance with the foregoing, this Lease shall remain in full force and effect as to the portion of the Premises remaining, except that the Rent and Additional Rent shall be reduced in the proportion that the floor area of the Premises taken bears to the total floor area of the Premises. Common Areas taken shall be excluded from the Common Areas usable by Tenant and no reduction of Rent shall occur with respect thereto or by reason thereof. In the event of any taking, Landlord shall be entitled to any and all compensation, damages, income, rent, awards, or any interest therein whatsoever which may be paid or made in connection therewith, and Tenant shall have no

claim against Landlord for the value of any unexpired term of this Lease or otherwise; provided that Landlord shall have no claim to any portion of the award that is specifically allocable to Tenant's relocation expenses or the interruption of or damage to Tenant's business.

15.2 Notwithstanding any other provision of this Article, if a taking occurs with respect to all or any portion of the Premises for a limited period of time, this Lease shall remain unaffected thereby and Tenant shall continue to pay Base Rent and Additional Rent and to perform all of the terms, conditions and covenants of this Lease. In the event of any such temporary taking, Tenant shall be entitled to receive that portion of any award which represents compensation for the use or occupancy of the Premises during the Term up to the total Base Rent and Additional Rent owing by Tenant for the period of the taking, and Landlord shall be entitled to receive the balance of any award.

15.3 Tenant hereby waives and releases any right, under any applicable law, statute or ordinance now or hereafter in effect, to terminate this Lease in whole or in part due to a taking of the Premises as a result of the exercise of the power of eminent domain.

ARTICLE 16 **REAL ESTATE BROKERS**

The brokers involved in this transaction are identified in Article 1. Each of Tenant and Landlord represents and warrants to the other that it has not had any dealings with any person, firm, broker or finder in connection with the negotiation of this Lease and/or the consummation of the transaction contemplated hereby, and no other broker or other person, firm or entity is entitled to any commission or finder's fee in connection with said transaction and Tenant and Landlord do each hereby indemnify, defend and hold the other harmless from and against any costs, expenses, attorney's fees or liability for compensation or charges which may be claimed by any such unnamed broker, finder or other similar party by reason of any dealings or actions of the indemnifying party.

ARTICLE 17 **ESTOPPEL CERTIFICATE**

17.1 Upon Landlord's written request, Tenant shall execute, acknowledge and deliver to Landlord a written statement certifying: (i) that none of the terms or provisions of this Lease have been changed (or if they have been changed, stating how they have been changed); (ii) that this Lease has not been canceled or terminated and is in full force and effect; (iii) the amount of the current Base Rent; (iv) the last date of payment of the Base Rent and other charges and the time period covered by such payment; (v) the amount of any Security Deposit paid and the validity of any charges made thereto by Landlord (or, if Tenant contests the validity of any such changes, stating why); (vi) that the Lease has not been subleased or assigned, or if it has been so subleased or assigned, the identity of the subtenant or assignee; and (vii) that Landlord is not in default under this lease (or, if Landlord is claimed to be in default, stating why). Tenant shall deliver such statement to Landlord within ten (10) days after Landlord's request. Any such statement by Tenant may be given by Landlord to any prospective purchaser or encumbrancer of the Premises, the Building or the Office Building Project. Such purchaser or encumbrancer may rely conclusively upon such statement as true and correct.

17.2 At Landlord's option, the failure to deliver such statement within ten (10) days of such request shall be a material default of this Lease by the responding party, without any further notice to Tenant, or it shall be conclusive upon Tenant that (i) this Lease is in full force and effect, without modification except as may be represented by the requesting party, (ii) there are no uncured defaults in the requesting party's performance, and (iii) if Landlord is the requesting party, not more than one month's Base Rent has been paid in advance.

17.3 Tenant shall, when requested by Landlord from time to time but not more frequently than once each year, furnish a true and accurate audited statement of its financial condition for the last three (3)

years; provided, however, that if Tenant is a publicly traded company Tenant may satisfy the requirements of this paragraph by providing Landlord with a copy of its Form 10-K.

ARTICLE 18

SALE OR ASSIGNMENT BY LANDLORD

18.1 It is agreed that Landlord may at any time sell, assign or transfer by lease or otherwise its interest as Landlord in and to this Lease, or any part thereof, and may at any time sell, assign or transfer its interest in and to the whole or any portion of the Premises or the Office Building Project. In the event of any transfer of Landlord's interest in the Premises or the Office Building Project, the transferor shall be automatically relieved of any and all of Landlord's obligations and liabilities accruing from and after the date of such transfer provided that the transferee assumes all of Landlord's obligations under this Lease.

18.2 Tenant hereby agrees to attorn to Landlord's assignee, transferee, or purchaser from and after the date of notice to Tenant of such assignment, transfer or sale, in the same manner and with the same force and effect as though this Lease were made in the first instance by and between Tenant and such assignee, transferee or purchaser. In the event of the exercise of the power of sale under, or the foreclosure of, any deed of trust, mortgage or other encumbrances placed by Landlord against all or any portion of the Premises, Tenant shall, upon demand, attorn to the purchaser upon the effective date of any such sale or foreclosure of any such deed of trust, mortgage or other encumbrance, and shall recognize the purchaser or judgment creditor as the Landlord under the Lease.

ARTICLE 19

SECURITY DEPOSIT

Upon execution of this Lease, Tenant shall deposit with Landlord, as security for the performance of Tenant's obligations under this Lease, the security deposit set forth in Article 1 above (the "Security Deposit"). Upon the occurrence of a Default, and upon written notice to Tenant Landlord may use all or any part of the Security Deposit for the payment of any Rent or for the payment of any amount which Landlord may pay or become obligated to pay by reason of such Default, or to compensate Landlord for any loss or damage which Landlord may suffer by reason of such Default. If any portion of the Security Deposit is used, Tenant, within five (5) days after written demand therefor, shall deposit cash with Landlord in an amount sufficient to restore the Security Deposit to its original amount. Landlord shall not be required to keep the Security Deposit separate from its general funds, and Tenant shall not be entitled to interest on the Security Deposit. In no event shall the Security Deposit be considered an advanced payment of Rent, and in no event shall Tenant be entitled to use the Security Deposit for the payment of Rent. If no Default by Tenant exists hereunder, the Security Deposit or any balance thereof shall be returned to Tenant within thirty (30) days after the expiration of the Term and vacation of the Premises by Tenant. Landlord shall, subject to the terms and conditions of this Lease, transfer the Security Deposit to any *bona fide* purchaser of the Building. Upon such transfer, Tenant shall look solely to such purchaser for return of the Security Deposit; and Landlord shall be relieved of any liability with respect to the Security Deposit.

ARTICLE 20

MISCELLANEOUS PROVISIONS

20.1 Severability. If any provision of this Lease or the application thereof to any person, entity or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this Lease, or the application of such provision to persons, entities or circumstances other than those as to which it is invalid or unenforceable, shall not be affected thereby, and each provision of this Lease shall be valid and be enforced to the full extent permitted by law.

20.2 Interest on Past-Due Obligations. Except as expressly herein provided, any amount due to Landlord not paid when due shall bear interest at a rate equal to the Prime Rate plus 5%. For purposes hereof, the "Prime Rate" shall be the per annum interest rate as published in the Wall Street Journal as of

the date of the payment in question (reflected as the "Latest Prime Rate" at http://online.wsj.com/mdc/public/page/2_3020-moneyrate.html). Payment of such interest shall not excuse or cure any default by Tenant under this Lease.

20.3 Time of Essence. Time is of the essence with respect to the obligations to be performed under this Lease.

20.4 Entire Agreement; Amendments. This instrument, including the exhibits hereto, which are incorporated herein and made a part of this Lease, contains the entire agreement between the parties and all prior negotiations and agreements are merged herein. Tenant hereby acknowledges that neither Landlord nor Landlord's agents have made any representations or warranties with respect to the Premises, the Building, the Office Building Project, or this Lease except as expressly set forth herein, and no rights, easements or licenses are or shall be acquired by Tenant by implication or otherwise unless expressly set forth herein. This Lease may be amended or modified only by a written agreement signed by Landlord and Tenant.

20.5 Notices. Any notice required or permitted to be given hereunder shall be in writing and may be given by personal delivery or by certified or registered mail, and shall be deemed sufficiently given if delivered or addressed to Tenant or to Landlord at the address set forth in the Article 1. Mailed notices shall be deemed given upon actual receipt at the address required, or forty-eight hours following deposit in the mail, postage prepaid, whichever first occurs. Either party may by notice to the other specify a different address for notice purposes except that upon Tenant's taking possession of the Premises, the Premises shall constitute Tenant's address for notice purposes. A copy of all notices required or permitted to be given to Landlord hereunder shall be concurrently transmitted to such party or parties at such addresses as Landlord may from time to time hereafter designate by notice to Tenant.

20.6 Waivers; Modifications.

(a) No failure by Landlord to insist upon the strict performance of any obligation of Tenant under this Lease or to exercise any right, power or remedy consequent upon a breach thereof, no acceptance of full or partial Rent or Additional Rent during the continuance of any such breach, and no acceptance of the keys to or possession of the Premises prior to the expiration of the Term by any employee or agent of Landlord shall constitute a waiver of any such breach or of such term, covenant or condition or operate as a surrender of this Lease.

(b) Neither this Lease nor any term or provisions hereof may be changed, waived, discharged or terminated orally, and no breach thereof shall be waived, altered or modified, except by a written instrument signed by the party against which the enforcement of the change, waiver, discharge or termination is sought. No waiver of any breach shall affect or alter this Lease, but each and every term, covenant and condition of this Lease shall continue in full force and effect with respect to any other then-existing or subsequent breach thereof. The consent of Landlord given in any instance under the terms of this Lease shall not relieve Tenant of any obligation to secure the consent of Landlord in any other or future instance under the terms of this Lease.

20.7 Recording. This Lease shall not be recorded without Landlord's consent. However, either Landlord or Tenant may, upon request of the other execute, acknowledge and deliver to the requesting party a "short form" memorandum of this Lease for recording purposes if the non-requesting party consents to the recording of such memorandum.

20.8 Holding Over. Tenant shall vacate the Premises upon the expiration or earlier termination of this Lease. Tenant shall reimburse Landlord for and indemnify, defend and hold Landlord harmless against all damages, liabilities and costs, including, but not limited to, attorneys' fees, incurred by Landlord from any delay by Tenant in vacating the Premises. If Tenant, with Landlord's consent, remains in possession of the Premises or any part thereof after the expiration of the Term, such occupancy shall be a

tenancy from month to month upon all the provisions of this Lease pertaining to the obligations of Tenant, except that the Rent payable shall be two hundred percent (200%) of the Rent payable immediately preceding the Termination Date of this Lease. Any holding over without Landlord's consent shall constitute a default by Tenant and entitle Landlord to exercise any or all of its remedies provided hereunder, notwithstanding that Landlord may elect to accept one or more payments of Rent from Tenant.

20.9 Cumulative Remedies. No remedy or election hereunder shall be deemed exclusive but shall, wherever possible, be cumulative with all other remedies at law or in equity.

20.10 Covenants and Conditions. Each provision of this Lease performable by Tenant shall be deemed both a covenant and a condition.

20.11 Binding Effect; Choice of Law. Subject to any provisions hereof restricting assignment or subletting by Tenant, this Lease shall bind the parties, their personal representatives, successors and assigns. This Lease shall be governed by the laws of the State where the Office Building Project is located and any litigation concerning this Lease between the parties hereto shall be initiated in county in which the Office Building Project is located.

20.12 Subordination.

(a) This Lease, and any Option or right of first refusal granted hereby, at Landlord's option, shall be subordinate to any ground lease, mortgage, deed of trust, or any other hypothecation or security now or hereafter placed upon the Office Building Project and to any and all advances made on the security thereof and to all renewals, modifications, consolidations, replacements and extensions thereof. Notwithstanding such subordination, Tenant's right to quiet possession of the Premises shall not be disturbed if Tenant is not in default and so long as Tenant shall pay the Rent and observe and perform all of the provisions of this Lease, unless this Lease is otherwise terminated pursuant to its terms. If any mortgagee, trustee or ground Landlord shall elect to have this Lease and any Options granted hereby prior to the lien of its mortgage, deed of trust or ground lease, and shall give written notice thereof to Tenant, this Lease and such Options shall be deemed prior to such mortgage, deed of trust or ground lease, whether this Lease or such Options are dated prior or subsequent to the date of said mortgage, deed of trust or ground lease or the date of recording thereof.

(b) Tenant agrees to execute any documents required to effectuate an attornment, a subordination, or to make this Lease or any Option granted herein prior to the lien of any mortgage, deed of trust or ground lease, as the case may be. Tenant's failure to execute such documents within ten (10) days after written demand shall constitute a material default by Tenant hereunder without further notice to Tenant or, at Landlord's option, Landlord shall execute such documents on behalf of Tenant as Tenant's attorney-in-fact. Tenant does make, constitute and irrevocably appoint Landlord as Tenant's attorney-in-fact and in Tenant's name, place and stead, to execute such documents in accordance with this Section 19.12.

20.13 Attorney's Fees. In the event that either Landlord or Tenant fails to perform any of its obligations under this Lease or in the event a dispute arises concerning the meaning or interpretation of any provision of this Lease, the defaulting party or the party not prevailing in such dispute, as the case may be, shall pay any and all costs and expenses incurred by the other party in enforcing or establishing its rights hereunder, including, without limitation, court costs and reasonable attorneys' fees.

20.14 Waiver of Jury Trial. LANDLORD AND TENANT VOLUNTARILY, KNOWINGLY, IRREVOCABLY AND UNCONDITIONALLY WAIVE ANY RIGHT TO HAVE A JURY PARTICIPATE IN RESOLVING ANY DISPUTE (WHETHER BASED UPON CONTRACT, TORT OR OTHERWISE) THEM ARISING OUT OF OR IN ANY WAY RELATED TO THIS LEASE. THIS PROVISION IS A MATERIAL INDUCEMENT TO LANDLORD TO ENTER INTO THIS LEASE. TENANT REPRESENTS AND WARRANTS TO LANDLORD THAT IT HAS CONSULTED

WITH AND BEEN COUNSELED BY COMPETENT COUNSEL CONCERNING THE WAIVER SET FORTH IN THIS SECTION AND HAS KNOWINGLY MADE SUCH WAIVER.

20.15 Landlord's Access.

(a) Landlord reserves (for itself, its Property Manager, and any other designated agent, representative, employee or contractor) the right to enter the Premises at all reasonable times and, except in cases of emergency, after giving Tenant reasonable notice, to inspect the Premises, to supply any service to be provided by Landlord hereunder, to show the Premises to prospective purchasers, mortgagees or, during the last year of the Term of this Lease, Tenants, to post notices of nonresponsibility, and to alter, improve or repair the Premises and any portion of the Building, without abatement of Rent or Additional Rent, and may for that purpose erect, use and maintain necessary structures in and through the Premises and the Building, where reasonably required by the character of the work to be performed, provided that the entrance to the Premises shall not be blocked thereby, and further provided that the business of Tenant shall not be interfered with unreasonably. Tenant waives any claim for damages for any injury or inconvenience to or interference with Tenant's business, any loss of occupancy or quiet enjoyment of the Premises or any other loss occasioned thereby. All locks for all of the doors in, upon and about the Premises, excluding Tenant's vaults and safes or special security areas (designated in advance in writing by Tenant) shall at all times be keyed to the Building master system and Landlord shall at all times have and retain a key with which to unlock all of said doors. Landlord shall have the right to use any and all means that Landlord may deem necessary or proper to open said doors in an emergency in order to obtain entry to any portion of the Premises, and any entry to the Premises or portions thereof obtained by Landlord by any of said means, or otherwise, shall not under any circumstances be construed or deemed to be a forcible or unlawful entry into, or a detainer of, the Premises, or an eviction, actual or constructive, of Tenant from the Premises or any portion thereof.

(b) Without limitation of the provisions of Section 19.15(a) above, Landlord and its authorized agents and representative shall be entitled to enter the Premises at all reasonable times during business hours for the purpose of exhibiting the same to prospective purchasers and, during the final ninety (90) days of the Term, Landlord shall be entitled to exhibit the Premises for hire or for rent and to display thereon in such manner as will not unreasonably interfere with Tenant's business the usual "For Rent" or "For Lease" signs, and such signs shall remain unmolested on the Premises.

20.16 Signs. Subject to Landlord's prior right to approve same which will not be unreasonably withheld, and subject to all applicable laws and ordinances governing same, Tenant shall have the right at its sole cost to install an identification sign on the exterior of the Premises. If Landlord installs any outside monument or other signage, Tenant shall have the right to include its name and identification on such sign at its sole cost and expense and be given largest area for signage provided Tenant is the largest occupant in the Building. Tenant shall also be allowed to erect signage on the Building facing Frankfort Avenue at its cost, with size and design to be approved prior by Landlord, which will not be unreasonably withheld, and subject to all applicable laws and ordinances governing same. Tenant shall not place any additional signage upon the Premises or the Office Building Project without Landlord's prior written consent.

20.17 Merger. The voluntary or other surrender of this Lease by Tenant, or a mutual cancellation thereof, or a termination by Landlord, shall not work a merger, and shall, at the option of Landlord, terminate all or any existing subtenancies or may, at the option of Landlord, operate as an assignment to Landlord of any or all of such subtenancies.

20.18 Quiet Possession. Tenant, upon paying the Rent due hereunder and performing all of its obligations under this Lease, shall have quiet possession and peaceful enjoyment of the Premises for the entire Term subject to all of the provisions of this Lease.

20.19 Authority. If Tenant is a corporation or a limited liability company, Tenant and each of the persons executing this Lease on behalf of Tenant does hereby represent and warrant as follows: Tenant

is an entity duly formed and validly existing and in good standing under the laws of its state of organization and qualified to do business in the State of Illinois. Tenant has the power, legal capacity and authority to enter into and perform its obligations under this Lease and no approval or consent of any person is required in connection with the execution and performance hereof. The execution and performance of Tenant's obligations under this Lease will not result in or constitute any default or event that would be, or with notice or the lapse of time would be, a default, breach or violation of the organizational instruments governing Tenant or any agreement or any order or decree of any court or other governmental authority to which Tenant is a party or to which it is subject. Tenant has taken all necessary action to authorize the execution, delivery and performance of this Lease and this Lease constitutes the legal, valid and binding obligation of Tenant. Upon Landlord's request, Tenant shall provide Landlord with evidence reasonably satisfactory to Landlord confirming the foregoing representations and warranties.

20.20 Security Measures. Tenant acknowledges that Landlord shall have no obligation whatsoever to provide guard service or other security measures for the benefit of the Premises or the Office Building Project. Tenant assumes all responsibility for the protection of Tenant, its agents, and invitees and the property of Tenant and of Tenant's agents and invitees from acts of third parties. Nothing herein contained shall prevent Landlord, at Landlord's sole option, from providing security protection for the Office Building Project or any part thereof, in which event the cost thereof shall be included within the definition of Operating Expenses.

20.21 Lender Modification. Tenant agrees to make such reasonable modifications to this Lease as may be reasonably required by an institutional lender in connection with the obtaining of normal financing or refinancing of the Office Building Project.

20.22 Work Letter. This Lease is supplemented by the Work Letter attached hereto as Exhibit C, and incorporated herein by this reference.

20.23 Accord and Satisfaction. No endorsement or statement on any check or letter of Tenant shall be deemed an accord and satisfaction or otherwise recognized for any purpose whatsoever. The acceptance of any such check or payment shall be without prejudice to Landlord's right to recover any and all amounts owed by Tenant hereunder and Landlord's right to pursue any other available remedy. Landlord is entitled to accept, receive and cash or deposit any payment made by Tenant for any reason or purpose or in any amount whatsoever, and apply the same at Landlord's option to any obligation of Tenant and the same shall not constitute payment of any amount owed except that to which Landlord has applied the same.

20.24 Guaranty. As additional security for the prompt, full and faithful performance of each and every obligation of Tenant hereunder, said obligations have been guaranteed by the "Guarantor-s" described in Article 1 above pursuant to the Guaranty of Lease attached hereto as Exhibit D.

20.25 Electronic Delivery; Counterparts. This Agreement and any signed agreement or instrument entered into in connection with this Agreement, and any amendments hereto or thereto, may be executed in one or more counterparts, all of which shall constitute one and the same instrument. Any such counterpart, to the extent delivered by means of a facsimile machine or by .pdf, .tif, .gif, .peg or similar attachment to electronic mail (any such delivery, an "Electronic Delivery") shall be treated in all manner and respects as an original executed counterpart and shall be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person. At the request of any party hereto, each other party hereto or thereto shall re-execute the original form of this Agreement and deliver such form to all other parties. No party hereto shall raise the use of Electronic Delivery to deliver a signature or the fact that any signature or agreement or instrument was transmitted or communicated through the use of Electronic Delivery as a defense to the formation of a contract and each such party forever waives any such defense, except to the extent such defense relates to lack of authenticity.

20.26 Confidentiality. Landlord, Tenant, and their respective representatives shall hold in strictest confidence all data and information obtained with respect to the Lease, whether obtained before or

after the execution and delivery of this Lease, and shall not disclose the same to others; provided, however, that it is understood and agreed that the Parties may disclose such data and information to their employees, consultants, lenders, accountants as necessary to perform their respective obligations hereunder. In the event this Lease is terminated by either Party, all statements, documents, schedules, exhibits or other written information obtained in connection with this Lease shall be returned to the respective Party. The terms of this paragraph shall not apply to information that is otherwise available to the public.

PARKING RULES

1. Parking areas shall be used only for parking by vehicles no longer than full size, passenger automobiles herein called "Permitted Size Vehicles."

2. Tenant shall not permit or allow any vehicles that belong to or are controlled by Tenant or Tenant's employees, suppliers, shippers, customers, or invitees to be loaded, unloaded, or parked in areas other than those designated by Landlord for such activities. Users of the parking area will obey all posted signs and park only in the areas designated for vehicle parking.

3. Parking stickers or identification devices shall be the property of Landlord and shall be returned to Landlord by the holder thereof upon termination of the holder's parking privileges. Tenant will pay such replacement charges as is reasonably established by Landlord for the loss of such devices. Loss or theft of parking identification stickers or devices from automobiles must be reported to the parking operator immediately. Any parking identification stickers or devices reported lost or stolen found on any unauthorized car will be confiscated and the illegal holder will be subject to prosecution.

4. Landlord reserves the right to relocate all or a part of parking spaces from floor to floor, within one floor, and/or to reasonably adjacent off site location(s), and to allocate them between compact and standard size and tandem spaces, as long as the same complies with applicable laws, ordinances and regulations.

5. Unless otherwise instructed, every person using the parking area is required to park and lock his own vehicle. Landlord will not be responsible for any damage to vehicles, injury to persons or loss of property, all of which risks are assumed by the party using the parking area.

6. Validation of visitor parking, if established, will be permissible only by such method or methods as Landlord may establish at rates determined by Landlord, in Landlord's sole discretion.

7. The maintenance, washing, waxing or cleaning of vehicles in the parking structure or Common Areas is prohibited.

8. Tenant shall be responsible for seeing that all of its employees, agents and invitees comply with the applicable parking rules, regulations, laws and agreements. Garage managers or attendants are not authorized to make or allow any exceptions to those Parking Rules and Regulations. Landlord reserves the right to terminate parking rights for any person or entity that willfully refuses to comply with these rules and regulations.

9. Every driver is required to park his own car. Where there are tandem spaces, the first car shall pull all the way to the front of the space leaving room for a second car to park behind the first car. The driver parking behind the first car must leave his key with the parking attendant. Failure to do so shall subject the driver of the second car to a Fifty Dollar (\$50.00) fine. Refusal of the driver to leave his key when parking in a tandem space shall be cause for termination of the right to park in the parking facilities. The parking operator, or his employees or agents, shall be authorized to move cars that are parked in tandem should it be necessary for the operation of the garage. Tenant agrees that all responsibility for damage to cars or the theft of or from cars is assumed by the driver, and further agrees that Tenant will hold Landlord harmless for any such damages or theft.

10. No vehicles shall be parked in the parking garage overnight. The parking garage shall only be used for daily parking and no vehicle or other property shall be stored in a parking apace.

Landlord reserves the right at any time to change or rescind any one or more of these Rules and Regulations, or to make such other and further reasonable Rules and Regulation as in Landlord's commercially reasonable judgment may from time to time be necessary for the management, safety, care and cleanliness of the Office Building Project, and for the preservation of good order therein, as well as for the convenience of other occupants and tenants therein. Landlord may waive any one or more of these Rules and Regulations for the benefit of any particular tenant, but no such waiver by Landlord shall be construed as a waiver of such Rules and Regulations in favor of any other tenant, nor prevent Landlord from thereafter enforcing any such Rules or Regulations.

APPROXIMATE SPACE PLAN

**EXHIBIT C
WORK LETTER**

Dialysis Care Center Frankfort, LLC
c/o Tunji Morufu Alausa
15801 South Bell Road
Homer Glen, Illinois 60491

Ladies and Gentlemen:

You (the "Tenant") and we (the "Landlord"), are executing simultaneously with this Work Letter Agreement a Standard Office Lease (and together with the Standard Office Lease is called the "Lease") covering certain premises (the "Premises") more particularly described in the Lease. To induce Tenant to enter into the Lease (which is hereby incorporated by reference to the extent that its provisions may apply to this Work Letter Agreement), and in consideration of the mutual covenants hereinafter contained, Landlord and Tenant agree as follows:

Section 1. Scope of Work. Promptly following the approval by Tenant of the Plans and Specifications (defined below), Landlord agrees to furnish all of the material, labor and equipment necessary for the commencement and completion of construction of the improvements to the Premises specified in the Plans and Specifications (which improvements are called the "Improvements").

The Improvements shall be constructed by Landlord in a good and workmanlike manner in accordance with the Plans and Specifications, and Landlord agrees to complete same in compliance with all applicable laws then in effect (called the "Work"). Any improvements other than the Work in the nature of an initial build out of the Premises in accordance with the Plans and Specifications hereunder shall be deemed to be additions or alterations which are governed by the Lease.

Section 2. Plans and Specifications. Immediately upon the execution of this Work Letter Agreement and delivery by Tenant to Landlord of all information relevant to Tenant's space requirements, Landlord shall prepare the plans and specifications necessary for the construction of the Improvements to the Premises (the "Plans and Specifications"), which Tenant shall approve. When the Plans and Specifications have been ultimately approved, Tenant and Landlord shall each affix their respective signatures or initials to each page, and same shall be deemed to become a part of this Work Letter as Exhibit A.

Section 3. Landlord's Payment of Cost of the Work. Landlord agrees to pay for the cost of constructing the Improvements in accordance with the Plans and Specifications. Notwithstanding, the Landlord's obligation to pay for the cost of the Improvements shall be limited to \$_____.

Section 4. Tenant's Payment Obligation. Tenant shall be responsible for the cost of all of its own fixtures, furnishings, equipment and medical devices and apparatus. Tenant shall also pay the cost of constructing the Improvements in excess of \$_____, and for the cost of any Change Orders (described below).

Section 5. Change Orders. Landlord may agree to perform, at Tenant's request and upon submission by Tenant (at Tenant's sole cost and expense) of all necessary drawings, plans and specifications, any other work in addition to the Work such other work shall be done at Tenant's sole cost and expense as a Tenant's "extra." Prior to commencing any such other work requested by Tenant, Landlord shall submit to Tenant an estimate of the cost of such extra work. If Tenant shall fail to approve said estimate within ten (10) days from the receipt thereof, the same shall be deemed disapproved in all respects by Tenant, and Landlord shall not be authorized to proceed thereon. If Tenant approves same,

Tenant agrees to pay to Landlord promptly upon being billed therefor, after the conclusion of said extra work, the cost of all such extra work together with fifteen percent (15%) of said cost for Landlord's fee, plus Landlord's actual general conditions incurred in connection therewith.

Section 6. Completion. Except for Permitted Delays, the Landlord anticipates that the Work shall be "substantially completed" on or before March 1, 2022, which shall be Turnover Date. Notwithstanding if Landlord shall be delayed in substantially completing the Work solely as a result of:

- (a) Tenant's failure to timely approve the Plans and Specifications, , or
- (b) Tenant's request for materials, finishes and associated installations which are not available in a timely manner (provided Tenant has been apprised of such unavailability and Tenant continues to request same), or
- (c) Tenant's changes in the Work or the Plans and Specifications, or request for "extras" (notwithstanding Landlord's approval of such changes), or
- (d) The performance of any work by Tenant or any person, firm or corporation employed by Tenant, or
- (e) Any other material fault or delay on the part of Tenant or its agents,

the date by which Landlord shall achieve substantial completion and tender possession shall be deferred on account of such delay. Subsection (a) through (e) above are herein referred to as "Tenant Delays." Landlord shall not be deemed to be in default under the Lease or under this Work Letter for failure to timely complete the Improvements in the event that such delay is due to: (i) a Tenant Delay; (ii) any Force Majeure event as described in the Lease (Tenant Delays and Force Majeure events being collectively called "Permitted Delays").

Landlord shall use its best efforts to overcome or mitigate the effect of a Permitted Delay. Promptly following the occurrence of a Permitted Delay, Landlord shall notify Tenant of such occurrence. Following Landlord's determination of the effect such occurrence will have, if any, on the time within which the Improvements shall be substantially completed, Landlord shall notify Tenant of same.

Section 7. Substantial Completion. The Improvements shall be deemed to be "substantially complete" when: (i) Landlord notifies Tenant in writing that the Improvements in question are completed in substantial compliance with applicable laws, ordinances and regulations, and in conformance with the Plans and Specifications; and (ii) when the City of Frankfort has issued a certificate of occupancy therefor if one is necessary for projects of the size and scope of the Improvements (herein referred to as "Substantial Completion"). The issuance of a certificate of occupancy by the City that is conditional on the subsequent completion of weather-sensitive work or punch-list items, if any, shall nevertheless fulfill the requirement of (ii) above.

Section 8. Punch List. Landlord shall notify Tenant of the date which is approximately three (3) business days prior to the estimated date on which Substantial Completion of the Improvements is expected to be achieved (the "Inspection Date"). Landlord and Tenant on the Inspection Date shall make a joint physical inspection of the Work to list minor items which may need to be completed ("Punch List Items"). Landlord shall complete the Punch List Items, within such reasonable period of time in respect to each item as is necessary to complete same, taking into account diligence and good workmanlike practices. In the event of a disagreement between the parties as to the inclusion or the exclusion of an item on the "Punch List," the decision of the project architect (which decision shall be based solely on the determination of whether the item in question was constructed in substantial conformity with the Plans and Specifications) shall control.

Section 9. Construction Warranty. Landlord warrants the Work for a period of one (1) year after the Turnover Date (the "Warranty Period"). If, during the Warranty Period Tenant notifies Landlord in writing of defects in the design, materials or defective work in the construction of the Improvements, Landlord shall promptly cause the defective work to be corrected. For purposes of determining whether any of the Work is defective, the parties agree that any Work which is not completed substantially in accordance with the Plans and Specifications may be deemed to be defective. The warranty which is provided by Landlord hereunder is limited in certain respects, and is conditioned on certain user performance criteria, as follows:

- (a) Tenant acknowledges and agrees that the warranty herein provided does not extend to any abuse or material misuse of the Improvements, and any such abuse or material misuse may void any manufacturers' warranties which may be assigned to Tenant hereunder.
- (b) This paragraph shall not require Landlord to perform any routine and appropriate regular maintenance of the Improvements required to be performed by Tenant during the Warranty Period.
- (c) Landlord's warranty specifically excludes damages to Tenant's furniture, furnishings, equipment, or other personal property which may be located on or in the Improvements or on the Office Building Project, interruption of business activities, and excludes personal injuries, Tenant hereby agreeing that such risks shall be managed by it by the purchase of adequate amounts of appropriate forms of insurance. Landlord's obligations under this warranty shall be limited to correcting those portions of the Improvements which may be defective due to faulty design or workmanship.

Section 10. No Other Agreements. Except as set forth in the Lease, Landlord has no other agreement with Tenant and has no other obligation to do any other work with respect to the Premises. Any other work in the Premises which may be permitted by Landlord pursuant to the terms and conditions of the Lease shall be done at Tenant's sole cost and expense, and in strict compliance with said terms and conditions.

Section 11. Right to Inspect Work. Landlord hereby grants Tenant the right from time to time to enter into the Premises for purposes of inspecting the Work.

APPEND DOCUMENTATION AS ATTACHMENT-9, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

The Applicants are fit, willing and able, and have the qualifications, background and character to adequately provide a proper standard of health care services for the community. This project is for the establishment of Dialysis Care Center Frankfort, 12-station in-center hemodialysis facility to be located at 7777 W Lincoln Hwy, Frankfort, IL, 60423-9490

Dialysis Care Center Frankfort and Dialysis Care Center Holdings is 100% physician owned and operated. The two physicians below equally own the entities.

1. Morufu Alausa M.D.
2. Sameer M. Shafi M.D.

Both aforementioned physicians have earned recognition with America's Best Physicians for their excellence in providing care for ESRD patients and innovative contributions to the nephrology community overall.

Dialysis Care Center focuses on a comprehensive approach to improving patient health outcomes and providing a medical home for ESRD patients. Included in this care approach is an emphasis on one-on-one attention from our qualified medical staff and a cutting-edge educational program, known as Staff Enhanced Hemodialysis (SEH).

One-on-one attention from our CCHT and BONENT certified technicians and experienced dialysis nurses is achieved through maintaining facilities that have a lower number of stations. Such facilities create an environment for our medical staff to adequately and efficiently monitor patients throughout the entire hemodialysis treatment process. Additionally, such an atmosphere facilitates the creation of quality patient-provider relationships, contributing to construction of a medical home for ESRD patients.

Our continuing educational program, SEH, gives our medical staff, namely, our Clinical Certified Hemodialysis Technicians (CCHTs), more opportunity to connect with patients who visit our facilities for treatment. The program, which covers topics such as fluid management, vascular access management, anemia management, depression, dialysis adequacy and nutrition, is facilitated by our CCHTs, further allowing them to create these meaningful, improved outcome-driving relationships. Of course, this program also empowers patients with critical knowledge to help them better manage of their health, thus reducing hospitalizations and morbidity and mortality.

With ESRD being the fastest growing cause of hospitalizations and the fifth leading cause of hospital readmissions, our care model additionally has carefully built-in patient interventions to reduce hospitalizations overall. Dialysis Care Center has been recognized by surrounding local hospitals in providing an excellent continuum of care to patients.

Dialysis Care Center provides:

- multiple physician visits within 30 days post-hospitalization,
- 100% medication reconciliation upon hospital discharge,
- renowned and open communication between our nursing/medical staff and hospital discharge planners,
- continuation of antibiotics and other hospital infusive therapies.

The addition of such interventions in Dialysis Care Center's in-center hemodialysis program have been shown to contribute to a strong, consistent, and community-based continuum of care.

Consistency is also implemented internally at Dialysis Care Center, using GIAI, an electronic health record (EHR) created specifically for dialysis clinics. GIAI allows all our medical staff an open line of communication regarding real-time progress to efficiently address patient needs.

SECTION III – BACKGROUND, PURPOSE OF THE PROJECT, AND ALTERNATIVES - INFORMATION REQUIREMENTS

Purpose of the project

The purpose of this project is to create more life-sustaining dialysis accessibility to the large, growing population of ESRD patients in the HSA 9 market area – specifically, Will County residents. This project will address the current State Board-determined need for additional hemodialysis stations needed in planning area, HSA 9.

As of July 14, 2020, the Illinois State Board has determined that **76** additional stations would be needed in HSA 9 to address the growing dialysis needs of that particular community. The proposed facility would provide 12 of those stations needed (including 1 isolation station) to accommodate ESRD patients. Not only would Dialysis Care Center Frankfort simply be fulfilling a number of stations to provide dialysis, but would be providing quality, patient-centered healthcare and education to patients using our facility.

It is our priority that every patient concern is addressed and resolved in a timely fashion. The complete physician ownership of our organization allows that our physicians have total independence to make crucial clinical decisions that maximize positive patient outcomes. Our organization recognizes that patient outcomes and satisfaction are the building blocks of successful healthcare, which is why we require that quality of care is our first priority over profitability concerns.

The addition of Dialysis Care Center Frankfort in this community will provide additional treatment options for patients in the specific market area, as well as for patients in Frankfort, Will County overall, and other surrounding cities. The market area to be served by the applicant is approximately within a 20-mile radius of the proposed facility location.

As of 2010, the total population of Will County was 692,310, while the population of Frankfort was 59,079. Historically, these areas have seen a tremendous and concerning growth of ESRD patients, as indicated by the 70-80% utilization of most ESRD facilities in the surrounding area. This project will aid in addressing the clear and crucial needs of this community for hemodialysis treatment options.

It is an established criterion for patients who require chronic dialysis treatments to have convenient and adequate access to services, as these conditions result in less health complications for patients and reduce healthcare costs to patients and payers alike. The new in-center clinic, Dialysis Care Center Frankfort, will allow patients increased access to dialysis services within a reasonable travel distances from home, while avoiding significant highway travel.

It is expected that Dialysis Care Center Frankfort, once operational, will meet and possibly exceed clinical outcome expectations set by the Renal Network and the Centers for Medicare and Medicaid Services. Such expectations address Kt/V Dialysis Adequacy, Access Type, the Standardized Transfusion Ratio (STR) and Hypercalcemia.

SECTION III – BACKGROUND, PURPOSE OF THE PROJECT, AND ALTERNATIVES - INFORMATION REQUIREMENTS

Alternatives to the project

We have considered three options prior to determining the establishment of a 12-station dialysis facility

1. Increasing or reducing the scope and size of the project
2. Pursuing a joint venture for the establishment of a new facility
3. Using existing facilities

After exploring these options, which are discussed in more detail below, we determined to establish a 12-station dialysis facility. Discussed is a review of each of the options considered and the reasons they were rejected.

Proposing a project of greater or lesser scope and cost.

The only option other than what was proposed in the application, would entail a lesser scope and cost than the project proposed in this application would be to do nothing, which was considered. **This option, however, does not address the entire need for 76 additional stations needed for the HSA 9 area.** To do nothing would **cause** existing area facilities to reach capacity as patient access declines in this HSA defined . There is no cost to this alternative.

The proposed facility that is identified for Dialysis Care Center Frankfort is a shell ready facility, by using this site, the costs associated with this project are significantly lower compared to other ESRD projects brought to the board. This cost-effective method will ensure the need for the additional stations are met with a reduced cost for the facility.

Pursing a joint venture or similar arrangement with one or more providers or entities to meet all or portion of the projects intended purposes; developing alternative settings to meet all or a portion of the projects intended purposes.

Section is not applicable as this facility is 100% owned and operated directly by the physicians working in the area.

Physician owned and managed compared to corporate owned facilities.

There are currently no solely physician owned ESRD facilities in the area. The Medical Director and the physician partners identified that will refer their ESRD patients to Dialysis Care Center Frankfort have no current options where they can refer their patients in which they have the independence they need to make quality clinical decisions and can focus on maximizing patient care.

Utilizing other health care resources that are available to serve all or portion of the population proposed to be served by the project.

Utilizing other health care ESRD facilities was considered but there is no alternative. As mentioned there are no Physician owned ESRD facilities in the area where the physicians have the independence they need to improve the quality indicators set by the Boards criteria on quality. It is expected that the facility will exceed the clinical outcomes that meet all network, Centers for Medicare and Medicaid services clinical goals established.

Alternatives
Attachment-13

Reasons why the chosen alternatives were selected.

The project utilizes space that will be leased, as oppose to building a new facility from ground up, the cost of the proposed project is a fraction of the cost of developing a new facility. We expect to spend less than \$612,000.00 in renovation cost on a space of 4,900 sq. ft. Beyond that, the only additional cost would be to provide the equipment needed to provide dialysis services. We believe that this is a very substantial cost effective alternative that will meet the need. The total cost of the proposed project is \$1,668,277.00 including the value of the leased space.

This we believe is the most efficient long-term solution to maintaining access to dialysis services in the Frankfort area, and to accommodate the need of the additional stations identified by the board in HSA 9.

We believe that the proposed project meets the HFPB goals of providing health care services in the most cost effective manner.

Empirical evidence, including quantified outcome data that verifies improved quality of care, as available.

There is no direct empirical evidence relating to this project other than that when chronic care patients have adequate access to services, it tends to reduce overall healthcare costs and results in less complications. It is expected that this facility will exceed the quality expectations set by the Board.

SECTION IV. PROJECT SCOPE, UTILIZATION, AND UNFINISHED/SHELL SPACE**Size of Project**

As seen in the chart below, the state standard is 450-650 gross square feet per dialysis station for a total of 5,400-7,800 gross square feet. The project is being accomplished in leased space with in the state guidelines, at 450 DGSF per station. The total proposed gross square footage of the clinical space of the proposed Dialysis Care Center Frankfort is 4,900 of contiguous rentable square feet or 451GSF per station. Accordingly, the proposed facility meets the State standard per station.

SECTION VI. SERVICE SPECIFIC REVIEW CRITERIA

In-Center Hemodialysis

Service to Planning area residents

The primary purpose of this project is to ensure that the ESRD patient population of the greater Frankfort area, market area, and planning area of HSA 9 has access to life sustaining dialysis.

We anticipate that well over 80% of Dialysis Care Center Frankfort will be residents of the planning area HSA 9.

SECTION VI. SERVICE SPECIFIC REVIEW CRITERIA

In-Center Hemodialysis

Service Demand- Establishment of Category of services

The most recent available IDPH Revised needs determinations of ESRD Stations, dated July 14, 2020, shows that HSA 9 currently has an unmet need for 76 ESRD stations. Dialysis Care Center Frankfort will help alleviate this need by making the additional stations available to the ESRD Patients.

As evidenced in our Medical Directors referral letter and other Nephrologists practicing in the Frankfort area, our physicians anticipate approximately 76 patients conservatively, based upon attrition due to patient death, transplant, of return of function, will be referred to the proposed facility in the next 12 to 24 months.

All these patients reside within 30 minutes or 20 miles of the proposed facility.

Attachment-24

Section VII. Service Specific Review Criteria**In-Center Hemodialysis****Planning area need – Service Accessibility**

As set forth throughout this application, the proposed ESRD facility is needed to maintain access to life-sustaining dialysis for patients in the greater Frankfort area. Dialysis Care Center Frankfort is necessary to provide essential care to ESRD patients in the Frankfort land community and address the need of shortage of HSA 9. This facility will better accommodate the current and future demand for dialysis services and ensure dialysis services are accessible to the greater Frankfort Community and HSA 9 area.

Section VII. Service Specific Review Criteria

In-Center Hemodialysis

Criterion 1110.1430(C) (1), Unnecessary Duplication

1.a.

The proposed dialysis facility will be located at 7777 W Lincoln Hwy, Frankfort, IL, 60423-9490.

.A map of the proposed facilities market area is attached at Attachment 24A.

A list of all zip codes located, in total or in part, within 30 -45 minutes' normal travel time of the site of the proposed dialysis facility as well as 2010 census figures for each zip code is provided in table 1110.1430(c)(1)(A) Attached.

Attachment-24

Section VII. Service Specific Review Criteria

In-Center Hemodialysis

Criterion 1110.1430(C) (2), Misdistribution

The establishment of Dialysis Care Center Frankfort will not result in an unnecessary duplication of services or a service misdistribution. A misdistribution exists when an identified area has an excess supply of facilities, stations, and services characterized by such factors as, but not limited to: (1) ratio of stations to population exceeds one and one-half times the state average; (2) historical utilization for existing facilities and services is below the State Boards utilization standard; or (3) insufficient population to provide the volume of caseload necessary to utilize the services proposed by the project at or above utilization standards. As discussed more fully below, the ratio of stations to population in the geographic area is above of the state average, and the average utilization of existing facilities within the geographic service area is more than 70%. Importantly, average utilization of facilities within 30 minutes of the proposed site is about 80%. Sufficient population exists to achieve target utilization. Dialysis care Center Frankfort will also be in HSA 9 GSA where there is a documented need for additional chairs.

Accordingly, the proposed dialysis facility will not result in a Misdistribution of services.

Attachment-24

Section VII. Service Specific Review Criteria

In-Center Hemodialysis

Criterion 1110.1430(C) (3), Impact of project on other Area Providers

The proposed dialysis facility will not have an adverse impact on existing facilities in the proposed geographic service area. All of the identified patients will be referrals from identified physicians and are on pre-ESRD list. No patients will be transferred from other existing dialysis facilities.

The proposed dialysis facility will not lower utilization of other area providers that are operating below the occupancy standard.

Also, as mentioned throughout this application the facility will be in HSA 9 where there is an additional need of 76 stations based on the Monthly updates to the inventory of health care facilities and services as of July 14, 2020.

If Landlord's estimate of Tenant's Share of Operating Expenses exceeded the actual amount of Tenant's Share of Operating Expenses, Tenant shall be entitled to credit in the amount of such overpayment against the portion of Tenant's Share of Operating Expenses next falling due, or, if this Lease has terminated, such excess shall be refunded to Tenant within thirty (30) days after delivery by Landlord to Tenant of the Operating Expense Statement. If Landlord's estimate of Tenant's Share of Operating Expenses was less than the actual amount of Tenant's Share of Operating Expenses, Tenant shall pay to Landlord (whether or not this Lease has terminated) the amount of the deficiency within thirty (30) days after delivery by Landlord to Tenant of the Operating Expense Statement.

In the event that Tenant is unable to obtain the approvals on or before the Use Contingency Date, Tenant shall be entitled to terminate this Lease by delivering written notice of said termination to Landlord. In the absence of written notice from Tenant on or before the Use Contingency Date, the Lease will continue in full force and effect. Tenant may seek an extension of the Approved Use Contingency with the approval of Landlord.

In the event the Premises

shall not be substantially completed and ready for occupancy on the date 120 days after the Turnover Date (unless said delays were caused by Tenant Delays), Tenant shall be entitled to terminate this Lease by delivering written notice of said termination to Landlord. Except as may be provided elsewhere herein, there shall be no abatement of Rent or liability of Landlord on account of any injury or interference with Tenant's business arising from the making of any improvements, alterations or repairs to any portion of the Office Building Project or to fixtures, appurtenances and equipment therein, nor shall any such improvement, alteration or repair constitute an eviction or disturbance of Tenant's use or possession of the Premises, unless otherwise specified elsewhere in this Lease.

7.2 Tenant's Obligations.

(a) Tenant shall take good care of the Premises and at Tenant's sole expense keep the Premises in good working order and in a clean, safe and sanitary condition. Notwithstanding Landlord's obligation to keep the Premises in good condition and repair, Tenant shall pay, as Additional Rent, the cost of any maintenance and repair of the Premises, and the maintenance, repair and replacement of any equipment (wherever located) that serves only Tenant or the Premises.

(b) On the last day of the Term, or upon any sooner termination of this Lease, Tenant shall surrender the Premises to Landlord in the same condition as received on the Commencement Date, ordinary wear and tear excepted, clean and free of debris. Any damage or deterioration of the Premises shall not be deemed ordinary wear and tear if the same could have been prevented by good maintenance practices by Tenant. Tenant shall repair any damage to the Premises occasioned by the installation or removal of Tenant's trade fixtures, alterations, furnishings and equipment. Except as otherwise stated in this Lease, all electrical distribution systems, lighting fixtures, window coverings, wall coverings, carpets, wall

paneling, ceilings and plumbing on the Premises shall be left in good operating condition, reasonable wear and tear excepted.

7.3 Alterations and Additions.

(a) Tenant shall not make or permit any alterations, installations, improvements, additions, or repairs, structural or otherwise (collectively, "Alterations"), in, on or about the Premises, or the Office Building Project without Landlord's prior written consent, which Landlord may give or withhold in Landlord's reasonable discretion. As used herein, the term "Alterations" shall include, but not be limited to, carpeting, window and wall coverings, power panels, electrical distribution systems, lighting fixtures, air conditioning, plumbing, and telephone and telecommunication wiring and equipment. Along with any request for consent, Tenant will deliver to Landlord plans and specifications for the Alterations and names and addresses of all prospective contractors for the Alterations. If Landlord approves the proposed Alterations, Tenant will, before commencing the Alterations, deliver to Landlord copies of all contracts, certificates of insurance, copies of all necessary permits and licenses and such other information relating to the Alterations as Landlord reasonably requests. Tenant will cause all approved Alterations to be constructed (i) in a good and workmanlike manner, (ii) in compliance with all Applicable Laws, (iii) in accordance with the Rules and Regulations and with any design guidelines established by Landlord, (iv) in accordance with all orders, rules and regulations of the Board of Fire Underwriters having jurisdiction over the Premises or any other body exercising similar functions, and (v) during times reasonably determined by Landlord to minimize interference with other Tenants' use and enjoyment of the Office Building Project.

(b) Tenant shall pay the cost and expense of all Alterations, including, without limitation, a reasonable charge for Landlord's review, inspection and engineering time, and for any painting, restoring or repairing the Premises or the Building that the Alterations occasion. Prior to commencing any Alterations, Tenant will deliver the following to Landlord in form and amount reasonably satisfactory to Landlord: (i) demolition (if applicable) and payment and performance bonds, (ii) builder's "all risk" insurance in an amount at least equal to the replacement value of the Alterations, and (iii) evidence that Tenant and each of Tenant's contractors have in force commercial general liability insurance insuring against construction related risks in at least the form, amounts and coverages required of Tenant under Article 8. The insurance policies described in clauses (ii) and (iii) must name Landlord, Landlord's lender and the Property Manager as additional insureds.

(c) Landlord may inspect construction of the Alterations. Immediately upon completion of any Alterations, Tenant will furnish Landlord with contractor affidavits and full and final lien waivers and receipted bills covering all labor and materials expended and used in connection with the Alterations. Tenant will remove any Alterations Tenant constructs in violation of this Section 7.3 within ten (10) days after Landlord's written request and in any event prior to the expiration or earlier termination of this Lease. All Alterations Tenant makes or causes to be made to the Premises shall become the property of Landlord and a part of the Building immediately upon installation and, unless Landlord requests Tenant to remove the Alterations, Tenant will surrender the Alterations to Landlord upon the expiration or earlier termination of this Lease at no cost to Landlord. Notwithstanding the foregoing, Tenant shall remove all telephone, computer, security and other wiring and cabling located within the Premises, including without limitation any located within the walls of the Premises, on or before the Expiration Date or any earlier termination of this Lease.

(d) Tenant will keep the Premises and the Office Building Project free from any mechanics', materialmen's, or other liens arising out of any work performed, materials furnished or obligations incurred by or for Tenant. In the event that Tenant shall not, within ten (10) days following the imposition of any such lien, cause the lien to be released of record by payment or posting of a proper bond, Landlord shall have, in addition to all other remedies provided herein and by law, the right but not the obligation to cause any such lien to be released by such means as it shall deem proper, including payment of the claim giving rise to such lien. All such sums paid by Landlord and all expenses incurred by it in connection therewith (including, without limitation, reasonable counsel fees) shall be payable to Landlord by Tenant upon

demand. Landlord shall have the right at all times to post and keep posted on the Premises any notices permitted or required by law or that Landlord shall deem proper for the protection of Landlord, the Premises, and the Office Building Project, from mechanics' and materialmen's liens. Tenant shall give to Landlord at least ten (10) days' prior written notice of commencement of any repair or construction on the Premises.

(e) Tenant may perform general decorating to the Premises, for which building permits are not required, without the Landlord's prior consent.

(e) Employers Liability with limits of \$500,000.00 each accident, \$500,000.00 disease policy limit, \$500,000.00 disease - each employee.

8.2 Insurance Policies. All policies of insurance provided for herein shall be issued by insurance companies with a financial rating of A as rated in the most current available "Best's Insurance Reports," and qualified to do business in the State of Illinois, and shall include as additional insureds, Landlord, Landlord's investment advisor, if any, the Property Manager, and such other persons or firms as Landlord specifies from time to time. Such policies shall be for the mutual and joint benefit and protection of Landlord, Tenant and others hereinabove mentioned, and executed copies of such policies of insurance or certificates thereof shall be delivered to Landlord within ten (10) days prior to the delivery of possession of the Premises to Tenant and thereafter within thirty (30) days prior to the expiration of the term of such policy. All commercial general liability and property damage policies shall contain a provision that

Landlord and the Property Manager, although named as additional insureds, shall nevertheless be entitled to recover under said policies for any loss occasioned to it, its servants, agents and employees, by reason of Tenant's negligence.

As often as any policy shall expire or terminate, renewal or additional policies shall be procured and maintained by Tenant in like manner and to like extent. All such policies of insurance shall provide that the company writing said policy will give to Landlord thirty (30) days' notice in writing in advance of any cancellation or lapse or of the effective date of any reduction in the amounts of insurance. All commercial general liability, property damage and other casualty policies shall be written on an occurrence basis and as primary policies, and not in excess of coverage that Landlord may carry. Landlord's coverage shall not be contributory. Tenant's insurance shall specifically include the liability assumed hereunder by Tenant, shall provide for severability of interests, shall further provide that an act or omission of one of the named insureds which would void or otherwise reduce coverage shall not reduce or void the coverage as to any insured, and shall afford coverage for all claims based on acts, omissions, injury or damage which occurred or arose (or the onset of which occurred or arose) in whole or in part during the policy period.

8.3 Failure to Obtain. Should Tenant fail to take out and keep in force each insurance policy required under this Article, or should such insurance not be approved by Landlord and should the Tenant not rectify the situation within forty-eight (48) hours after written notice from Landlord to Tenant, exclusive of Saturday and Sunday, Landlord shall have the right, without assuming any obligation in connection herewith, to effect such insurance at the sole cost of Tenant, and all outlays by the Landlord shall be immediately payable by the Tenant to the Landlord as Additional Rent without prejudice to any other rights and remedies of Landlord under this Lease.

8.4 Waiver of Subrogation. Notwithstanding anything to the contrary contained herein, to the extent permitted by their respective policies of insurance and to the extent of insurance proceeds received with respect to the loss, Landlord and Tenant each waive any right of recovery against the other party and against any other party maintaining a policy of insurance with respect to the Office Building Project or any portion thereof or the contents of any of the same, for any loss or damage maintained by such other party with respect to the Office Building Project or the Premises or any portion of any thereof or the contents of the same or any operation therein, whether or not such loss is caused by the fault or negligence of such other party. If any policy of insurance relating to the Premises carried by Tenant or Landlord does not permit the foregoing waiver or if the coverage under any such policy would be invalidated as a result of such waiver, Tenant or Landlord shall, if possible, obtain from the insurer under such policy a waiver of all rights of subrogation the insurer might have against Landlord or any other party maintaining a policy of insurance covering the same loss, in connection with any claim, loss or damage covered by such policy.

8.5 Landlord's Liability. No approval by Landlord of any insurer, or the terms or conditions of any policy, or any coverage or amount of insurance, or any deductible amount shall be construed as a representation by Landlord of the solvency of the insurer or the sufficiency of any policy or any coverage or amount of insurance or deductible and Tenant assumes full risk and responsibility for any inadequacy of insurance coverage or any failure of insurers.

8.6 Landlord's Insurance. Landlord shall maintain in effect a policy or policies of property insurance covering the Office Building Project, providing protection against perils included within the classification "Fire and Extended Coverage" in such amount as is reasonably determined by Landlord and a policy or policies of commercial general liability insurance for personal injuries or deaths of persons occurring in or about the Office Building Project. Nothing herein shall require Landlord to carry any insurance with respect to risks or property required to be insured by Tenant under this Lease or by any other tenant under such other tenant's lease, or with respect to any improvements or fixtures in the Office Building Project that have been constructed or installed by or at the expense of any other tenant in the Office Building Project.

8.7 Indemnity. Tenant shall indemnify, protect, defend and save and hold Landlord, the Property Manager, and their respective trustees, directors, officers, agents and employees, harmless, from and against any and all losses, costs, liabilities, claims, damages and expenses, including, without limitation, reasonable attorneys' fees and costs and reasonable investigation costs, incurred in connection with or arising from: (a) any default by Tenant in the observance or performance of any of the terms, covenants or conditions of this Lease on Tenant's part to be observed or performed, or (b) the use or occupancy or manner of use or occupancy of the Premises by Tenant or any person or entity claiming through or under Tenant, or (c) the condition of the Premises or any occurrence on the Premises from any cause whatsoever, except to the extent caused by the sole negligence or willful misconduct of Landlord, or (d) any acts, omissions or negligence of Tenant or of the contractors, agents, servants, employees, visitors, customers, or licensees of Tenant, in, on or about the Premises or the Office Building Project. Tenant's obligations under this Section shall survive the expiration or earlier termination of the Lease.

8.8 Limitation of Liability: Tenant hereby agrees that Landlord shall not be responsible for or liable to Tenant and Tenant hereby releases Landlord and waives all claims against Landlord for any injury, loss or damage to any person or property in or about the Premises or the Office Building Project by or from any cause whatsoever (other than Landlord's sole negligence or willful misconduct) including, without limitation, acts or omissions of persons occupying adjoining premises or any part of the Office Building Project; theft; burst, stopped or leaking water, gas, sewer or steam pipes; or gas, fire, oil or electricity in, on or about the Premises or the Office Building Project. The liability of Landlord, any agent of Landlord, or any of their respective officers, directors, board members, beneficiaries, shareholders, or employees to Tenant for or in respect of any default by Landlord under the terms of this Lease or in respect of any other claim or cause of action shall be limited to the interest of Landlord in the Building, and Tenant agrees to look solely to Landlord's interest in the Office Building Project for the recovery and satisfaction of any judgment against Landlord, any agent of Landlord, or any of their respective officers, directors, shareholders, and employees. No holder or beneficiary of any mortgage or deed of trust on any part of the Office Building Project shall have any liability to Tenant hereunder for any default of Landlord.

ARTICLE 9

DAMAGE OR DESTRUCTION

9.1 Definition. The term "Casualty", for purposes of this Lease, includes (but is not limited to) the following acts or events:

- (a) Extreme events of nature including but not limited to fire, flood, bad weather, earthquake, and other similar occurrences;
- (b) Any act of war, terrorism, or bio-terrorism, where "bio-terrorism" shall mean the release (or threatened release) of an airborne agent or other contaminant that is or could adversely affect the Building or its occupants.

9.2 If the Premises or the Building or the Office Building Project or any portion thereof (whether or not the Premises are affected) are damaged by fire or other Casualty, Landlord shall forthwith repair the same (except for Alterations installed by or on behalf of Tenant) provided that such repairs can be made within one hundred eighty (180) days after the date of such damage under the laws and regulations of the federal, state and local governmental authorities having jurisdiction thereof and are covered by the proceeds of insurance required to be maintained by Landlord pursuant to Section 8.6 hereof. In such event, this Lease shall remain in full force and effect except that Tenant shall be entitled to a proportionate abatement of Base Rent and Additional Rent while such repairs are being made as provided below. Tenant shall further be entitled to a proportionate abatement of Base Rent and Additional Rent resulting from such loss of use of Common Areas of the Office Building Project but only to the extent such fire or casualty actually interferes with the operation of Tenant's business. Within thirty (30) days after the date of such damage, Landlord shall notify Tenant whether or not such repairs are covered by insurance required to be maintained by Landlord pursuant to Section 8.6 and whether such repairs can be made within one hundred

eighty (180) days after the date of such damage. Landlord's determination thereof shall be binding on Tenant. If such repairs cannot be made within one hundred eighty (180) days from the date of such damage or such damage is not so covered by insurance, Landlord shall have the option within thirty (30) days after the date of such damage to notify Tenant of its election to terminate this Lease as of a date specified in such notice, which date shall not be less than thirty (30) nor more than sixty (60) days after notice is given.

If Landlord notifies Tenant that or such damage is not so covered by insurance, Landlord shall either: (a) notify Tenant of Landlord's intention to repair such damage, in which event this Lease shall continue in full force and effect, Landlord shall diligently prosecute such repairs to completion, and the Base Rent and Additional Rent shall be reduced as provided herein; or (b) notify Tenant of Landlord's election to terminate this Lease as of a date specified in such notice, which date shall be not less than thirty (30) nor more than sixty (60) days after notice is given. If such notice to terminate is given by Landlord, this Lease shall terminate on the date specified in such notice. In case of termination, the Base Rent and Additional Rent shall be reduced by a proportionate amount based upon the extent to which such damage interfered with the business carried on by Tenant in the Premises, and Tenant shall pay such reduced Base Rent and Additional Rent up to the date of termination. Landlord agrees to refund to Tenant any Base Rent and Additional Rent previously paid for any period of time subsequent to such date of termination. The repairs to be made hereunder by Landlord shall not include, and Landlord shall not be required to repair, any damage by fire or other cause to the property of Tenant or any damage caused by the negligence of Tenant, its contractors, agents, licensees or employees or any repairs or replacements of any paneling, decorations, railings, floor coverings, or any Alterations, additions, fixtures or improvements installed on the Premises by or at the expense of Tenant.

9.3 If Landlord elects or is required hereunder to repair, reconstruct or restore the Premises after any damage or destruction thereto, Tenant shall, at its own expense, as soon as reasonably practicable, replace or fully repair, reconstruct or restore all Alterations installed by Tenant and all other of Tenant's improvements, fixtures and property. Tenant hereby waives the provisions of any statute or law that may be in effect at the time of the occurrence of any such damage or destruction, under which a lease is automatically terminated or a Tenant is given the right to terminate a lease upon such an occurrence.

9.4 Tenant shall have no interest in or claim to any portion of the proceeds of any insurance or self-insurance maintained by Landlord. Except as otherwise provided herein, Landlord shall have no interest in or claim to any portion of the proceeds of any insurance maintained by Tenant under Article 8.

9.5 Tenant agrees at all times after any damage to or destruction of the improvements on the Premises, or any portion thereof, to continue the operation of its business therein to the extent practicable. If Landlord is required or elects to make any repairs, reconstruction or restoration of any damage or destruction to the Premises under any of the provisions of this Article, Tenant shall not be entitled to any damages by reason of any inconvenience or loss sustained by Tenant as a result thereof. During the period commencing with the date of any such damage or destruction that Landlord is required or elects hereunder to repair, reconstruct or restore, and ending with the completion of such repairs, reconstruction or restoration the Base Rent and Additional Rent shall be proportionately abated to the extent to which such damage and the making of such repairs by Landlord shall interfere with the business carried on by Tenant in the Premises. The full amount of Base Rent and Additional Rent shall again become payable immediately upon the completion of such work of repair, reconstruction or restoration. Except as expressly hereinabove provided, there shall be no reduction, change or abatement of any rental or other charge payable by Tenant to Landlord hereunder, or in the method of computing, accounting for or paying the same.

9.6 Interruption of Service.

(a) **Interruption of Service Defined.** No damages, compensation, or claim shall be payable by Landlord, and this Lease and the obligations of Tenant to perform all of its covenants and agreements hereunder shall in no way be affected, impaired, reduced, or excused, in the event that there is an

interruption, curtailment, or suspension of the Building's HVAC, utility, sanitary, elevator, water, telecommunications, security (including equipment, devices, and personnel), or other Building systems serving the Premises or any other services required of Landlord under this Lease (each, an "**Interruption of Service**"), by reason of:

- (1) any Casualty;
- (2) any emergency situation creating a threat to person or property;
- (3) any other causes of any kind whatsoever that are beyond the control of Landlord, including but not limited to:
 - (i) a lack of access to the Building or the Premises beyond the control of Landlord (which shall include, but not be limited to, the lack of access to the Building or the Premises when it or they are structurally sound but inaccessible due to the evacuation of the surrounding area or damage to nearby structures or public areas);
 - (ii) any cause outside the Building;
 - (iii) reduced air quality or other contaminants within the Building that would adversely affect the Building or its occupants (including, but not limited to, the presence of biological or other airborne agents within the Building or the Premises);
 - (iv) a disruption of mail and deliveries to the building or the Premises resulting from a Casualty;
 - (v) a disruption of telephone and telecommunications services to the Building or the Premises resulting from a Casualty; or,
 - (vi) a blockage of any windows, doors, or walkways to the Building or the Premises resulting from a Casualty.

(b) **Landlord's Interruption of Services.** Except as otherwise expressly provided in this Lease, Landlord reserves the right, without any liability to Tenant, and without being in breach of any covenant of this Lease, to effect an Interruption of Service, as required by this Lease or by law, or as Landlord in good faith deems advisable, whenever and for so long as may be reasonably necessary, to make repairs, alterations, upgrades, changes, or for any other reason, to the Building's HVAC, utility, sanitary, elevator, water, telecommunications, security (including equipment, devices, and personnel), or other Building systems serving the Premises or any other services required of Landlord under this Lease.

In each instance, Landlord shall exercise reasonable diligence to eliminate the cause of the Interruption of Service, if resulting from conditions within the Building, and conclude the Interruption of Service. Landlord shall give Tenant notice, when practicable, of the commencement and anticipated duration of such Interruption of Service.

- (c) **No Remedies.** The occurrence of an Interruption of Service shall not:
 - (1) constitute an actual or constructive eviction of Tenant, in whole or in part;
 - (2) entitle Tenant to any abatement or diminution of Base Rent, Additional Rent, or any other costs due from Tenant pursuant to this Lease;

- (3) relieve or release Tenant from any of its obligations under this Lease;
- (4) entitle Tenant to terminate this Lease, unless said interrupt continues for a period in excess of forty-five (45) consecutive days.

ARTICLE 10 TAXES

10.1 Real Property Taxes. Subject to the provisions of Section 10.2, Landlord shall pay the Real Property Taxes, as defined in Section 10.2, applicable to the Office Building Project and Tenant shall reimburse Landlord for Tenant's Share of the Real Property Taxes in the same manner as Operating Expenses in accordance with Section 4.2.

10.2 Definition. "Real Property Taxes" means all taxes, assessments and charges levied upon or with respect to the Office Building Project or any personal property of Landlord used in the operation thereof, or Landlord's interest in the Office Building Project or such personal property. Real Property Taxes shall include, without limitation, all general real property taxes and general and special assessments, charges, fees, or assessments for transit, housing, police, fire, or other governmental services or purported benefits to the Office Building Project or the occupants thereof, service payments in lieu of taxes, and any tax, fee, or excise on the act of entering into this Lease or any other lease of space in the Office Building Project, or on the use or occupancy of the Office Building Project or any part thereof, or on the rent payable under any lease or in connection with the business of renting space in the Office Building Project, that are now or hereafter levied or assessed against Landlord by the United States of America, the State of Illinois or any political subdivision thereof, public corporation, district, or any other political or public entity, and shall also include any other tax, fee or other excise, however described, that may be levied or assessed as a substitute for, or as an addition to, in whole or in part, any other real property taxes, whether or not now customary or in the contemplation of the parties on the date of this Lease. Real Property Taxes shall also include all fees, costs, and expenses (including expert witness fees and costs) incurred by Landlord in connection with its attempts to obtain reductions in assessed valuation of the taxable components of the Office Building Project or taxes rates attributable thereto. Real Property Taxes shall not include franchise, transfer, inheritance, or capital stock taxes or income taxes measured by the net income of Landlord from all sources unless, due to a change in the method of taxation, any of such taxes is levied or assessed against Landlord as a substitute for, or as an addition to, in whole or in part, any other tax that would otherwise constitute a real property tax. Real Property Taxes shall also include reasonable legal and consulting fees, costs, and disbursements incurred in connection with proceedings to contest, determine, or reduce Real Property Taxes.

10.3 Personal Property Taxes. Tenant shall pay prior to delinquency all taxes assessed against and levied upon trade fixtures, furnishings, equipment and all other personal property of Tenant located in the Premises or elsewhere.

ARTICLE 11 UTILITIES

11.1 Services Provided by Landlord. Landlord shall provide heating, ventilation, air conditioning, electricity sufficient for normal office use, tap water sufficient for normal drinking and lavatory use.

11.2 Services Exclusive to Tenant. Tenant shall pay for all utilities and services furnished to or used at the Premises, including water, gas, electricity, other power, telephone and other communications services, and all other utilities and services supplied and/or metered to the Premises or to Tenant, together with any taxes or impositions thereon. If any such services are not separately metered to the Premises, Tenant shall pay at Landlord's option, either Tenant's Share or a reasonable proportion to be determined by Landlord of all charges jointly metered with other premises in the Building. The Premises shall be

separately metered for electricity (lights and outlets). Tenant shall be responsible for its own security and janitorial services.

11.3 Interruptions. Landlord shall not be liable for and there shall be no rent abatement as a result of any stoppage, reduction, interruption or discontinuance of any utility or service due to riot, strike, act of war, act of terrorism or bioterrorism, labor dispute, breakdown, accident, repair or any other cause or in cooperation with governmental request or directions, nor shall such stoppage, reduction, interruption or discontinuance be considered an eviction or interruption of Tenant's use or possession of the Premises.

ARTICLE 12

ASSIGNMENT AND SUBLETTING

12.1 Tenant shall not directly or indirectly (including, without limitation, by merger, acquisition, or other transfer of any controlling interest in Tenant) voluntarily or by operation of law sell, assign, mortgage, encumber, pledge or otherwise transfer or hypothecate all or any part of Tenant's interest in or rights with respect to the Premises or its leasehold estate hereunder (collectively, "**Assignment**"), or permit all or any portion of the Premises to be occupied by anyone other than itself or sublet all or any portion of the Premises (collectively, "**Sublease**") without Landlord's prior written consent in each instance, which consent, it is expressly understood and agreed, may not unreasonably be withheld or delayed by Landlord.

12.2 If Tenant desires to enter into an Assignment of this Lease or a Sublease of the Premises or any portion thereof, it shall give written notice (the "**Notice of Proposed Transfer**") to Landlord of its intention to do so no less than thirty (30) days prior to such proposed Assignment or Sublease, which notice shall contain: (i) the name and address of the proposed assignee, subtenant or occupant ("**Transferee**"), (ii) the nature of the proposed Transferee's business to be carried on in the Premises, (iii) the terms and provisions of the proposed Assignment or Sublease and (iv) such financial information as Landlord may reasonably request concerning the proposed Transferee.

12.3 At any time within twenty (20) days after Landlord's receipt of the Notice of Proposed Transfer pursuant to Section 12.2, Landlord may by written notice to Tenant elect in its sole discretion to: (i) terminate this Lease as to the portion (including all) of the Premises that is specified in the Notice of Proposed Transfer, which, in case of termination as to less than all of the Premises, a proportionate reduction in Base Rent and Additional Rent, (ii) consent to the proposed Assignment or Sublease, or (iii) reasonably disapprove the proposed Assignment or Sublease in writing with reason for disapproval. If Landlord elects to consent to the proposed Assignment or Sublease, Tenant may, not later than ninety (90) days thereafter, enter into such Assignment or Sublease with the proposed Transferee and upon the terms and conditions set forth in the Notice of Proposed Transfer, and fifty percent (50%) of any rent or other consideration received by Tenant in excess of the Base Rent and Additional Rent payable hereunder (or the amount thereof proportionate to the portion of the Premises subject to such Sublease or Assignment) and reasonable commissions and the cost of any Alterations incurred in connection with such Sublease or Assignment, shall be paid to Landlord. If Landlord elects the option provided in clause (i), Landlord shall be entitled to enter into a lease, sublease or assignment with respect to the Premises (or portion thereof specified in said Notice of Proposed Transfer) with the proposed Transferee identified in Tenant's notice.

12.4 No Sublease or Assignment by Tenant nor any consent by Landlord thereto shall relieve Tenant of any obligation to be performed by Tenant under this Lease. Any Sublease or Assignment that is not in compliance with this Article 12 shall be null and void and, at the option of Landlord, shall constitute a non-curable default by Tenant under this Lease and Landlord shall be entitled to pursue any right or remedy available to Landlord under the terms of this Lease or under the laws of the State of Illinois. The acceptance of any Rent or other payments by Landlord from a proposed Transferee shall not constitute consent to such Sublease or Assignment by Landlord or a recognition of any Transferee, or a waiver by Landlord of any failure of Tenant or other Transferor to comply with this Article 12.

12.5 Notwithstanding anything in this Article 12 to the contrary, but subject to the provisions of Section 12.6 below, Landlord's prior written consent shall not be required for a transfer of corporate shares by bequest or inheritance between or among the present majority stockholders of Tenant, to their immediate family, or any trust created for the benefit of such immediate family member or members; or any assignment of this Lease to any of the following: (i) a subsidiary, affiliate, division or corporation controlling, controlled by or under common control with Tenant; (ii) a successor corporation related to Tenant by merger, consolidation, or non-bankruptcy reorganization; (iii) a purchaser of all or substantially all of Tenant's assets, or (iv) in the case of a public offering of the stock of Tenant, the purchasers of Tenant's capital stock; provided that (a) Tenant is not in default under this Lease; (b) Tenant provides Landlord with the written notice required by Section 12.2(i)-(iv); and (c) after such assignment or transfer the operation of the business conducted in the Premises shall be operated in the manner required by this Lease. For purposes of the preceding sentence, the term "control" means owning directly or indirectly fifty percent (50%) or more of the beneficial interest in such entity, or having the direct or indirect power to control the management policies of each person or entity, whether through ownership, by contract or otherwise. As a condition to this Section 12.5, Tenant agrees to inform Landlord in writing of the proposed assignment or other transfer no less than thirty (30) days prior to any assignment or other transfer referred to in this Section 12.5.

12.6 Any Transferee approved by Landlord or transferee or assignee under Section 12.5, shall, from and after the effective date of the Assignment or Sublease, assume all obligations of Tenant under this Lease and shall be and remain liable jointly and severally with Tenant for the payment of Rent and for the performance of all of the terms, covenants, conditions and agreements herein contained on Tenant's part to be performed for the Term. No Assignment shall be binding on Landlord unless Tenant or Transferee shall deliver to Landlord a counterpart of the Assignment and an instrument that contains a covenant of assumption by such Transferee satisfactory in substance and form to Landlord, and consistent with the requirements of this Section 12.6. Any failure or refusal of such Transferee to execute such instrument of assumption shall constitute a default under this Lease but shall not release or discharge such Transferee from its liability as set forth above.

12.7 Tenant shall reimburse Landlord for administrative and legal expenses associated with the review and preparation of legal documents with each request by Tenant that Landlord consent to a proposed assignment, change of ownership or hypothecation of this Lease.

ARTICLE 13 **DEFAULT; REMEDIES**

13.1 Default. The occurrence of any one or more of the following events shall constitute a material default by Tenant under this Lease:

(a) The breach by Tenant of any of the covenants, conditions or provisions of Sections 7.3(a), (b) or (d) (alterations), 12 (assignment or subletting), 17 (estoppel certificate), 19.12 (subordination), or 19.23 (easements), all of which are deemed to be material, non-curable defaults without the necessity of any notice by Landlord to Tenant thereof.

(b) The failure by Tenant to make any payment of Rent or any other payment required to be made by Tenant hereunder, without deduction or offset, as and when due, where such failure shall continue for a period of five (5) days after written notice thereof from Landlord to Tenant. In the event that Landlord serves Tenant with a Notice to pursuant to applicable Forcible Entry and Detainer statutes such Notice to Pay Rent or Quit shall also constitute the notice required by this subparagraph.

(c) The failure by Tenant to observe or perform any of the covenants, conditions or provisions of this Lease to be observed or performed by Tenant other than those referenced in subparagraphs (a) and (b), above, where such failure shall continue for a period of thirty (30) days after written notice thereof from Landlord to Tenant; provided, however, that if the nature of Tenant's noncompliance is such that more

than thirty (30) days are reasonably required for its cure, then Tenant shall not be deemed to be in default if Tenant commenced such cure within said thirty (30) day period and thereafter diligently pursues such cure to completion. To the extent permitted by law, such thirty (30) day notice shall constitute the sole and exclusive notice required to be given to Tenant under applicable Unlawful Detainer statutes.

(d) (i) The making by Tenant or by any guarantor of Tenant's obligations under this Lease of any general arrangement or general assignment for the benefit of creditors; (ii) Tenant or any guarantor of Tenant's obligations under this Lease becoming a "debtor" as defined in 11 U.S.C. §101 or any successor statute thereto (unless, in the case of a petition filed against Tenant, the same is dismissed within sixty (60) days; (iii) the appointment of a trustee or receiver to take possession of substantially all of Tenant's assets located at the Premises or of Tenant's interest in this Lease, where possession is not restored to Tenant within thirty (30) days; or (iv) the attachment, execution or other judicial seizure of substantially all of Tenant's assets located at the Premises or of Tenant's interest in this Lease, where such seizure is not discharged within thirty (30) days. In the event that any provision of this Section 13.1(d) is contrary to any applicable law, such provision shall be of no force or effect, and this Section 13.1(d) shall be interpreted in such a way to give effect to the remaining provisions.

(e) Tenant shall do or permit to be done anything which creates a lien upon the Premises or upon all or any part of the Building or the Office Building Project.

(f) The inclusion by Tenant or its successor in interest or by any guarantor of Tenant's obligation hereunder of false information in any financial statement provided hereunder.

13.2 Remedies. In the event of any material default or breach of this Lease by Tenant, but after the expiration of any applicable cure period, Landlord may at any time thereafter, with or without notice or demand and without limiting Landlord in the exercise of any right or remedy which Landlord may have by reason of such default:

(a) Terminate Tenant's right to possession of the Premises by any lawful means, in which case this Lease shall terminate and Tenant shall immediately surrender possession of the Premises to Landlord. In such event Landlord shall be entitled to recover from Tenant all damages incurred by Landlord by reason of Tenant's default including, but not limited to (i) the cost of recovering possession of the Premises; (ii) expenses of reletting, including necessary renovation and alteration of the Premises; (iii) reasonable attorneys' fees, and any real estate commission actually paid; (iv) the worth at the time of award of any unpaid Rent which had been earned at the time of such termination; (v) the worth at the time of award of the amount by which the unpaid Rent which would have been earned after termination until the time of award exceeds the amount of such rental loss for the same period that Tenant proves could reasonably be avoided; (vi) the worth at the time of award of the amount by which the unpaid Rent for the balance of the term after the time of such award exceeds the amount of such rental loss for the same period that Tenant proves could be reasonably avoided; (vii) that portion of the leasing commission paid by Landlord pursuant to Article 16 and (viii) that portion of the Tenant improvement allowance (if any) applicable to the unexpired Term of this Lease.

(b) Maintain Tenant's right to possession in which case this Lease shall continue in effect whether or not Tenant shall have vacated or abandoned the Premises. In such event Landlord shall be entitled to enforce all of Landlord's rights and remedies under this Lease, including the right to recover the Rent as it becomes due hereunder. The foregoing remedies shall also be available to Landlord in the event Tenant has abandoned the Premises. Landlord's election not to terminate this Lease pursuant to this Section 13.2(b) or pursuant to any other provision of this Lease, at law or in equity, shall not preclude Landlord from subsequently electing to terminate this Lease or pursuing any of its other remedies.

(c) Pursue any other remedy now or hereafter available to Landlord under the laws or judicial decisions of the State of Illinois. Unpaid installments of Rent and other unpaid monetary obligations of

Tenant under the terms of this Lease shall bear interest from the date due at the maximum rate then allowable by law.

13.3 Right to Perform. Except as otherwise specifically provided in this Lease, all covenants and agreements of Tenant under this Lease shall be performed by Tenant at Tenant's sole cost and expense and without any abatement or offset of Rent. If Tenant shall fail to pay any sum of money (other than monthly Base Rent) or fail to perform any other act on its part to be paid or performed hereunder and such failure shall continue beyond any applicable cure period, Landlord may, without waiving or releasing Tenant from any of Tenant's obligations, make such payment or perform such other act on behalf of Tenant. All sums so paid by Landlord and all necessary incidental costs incurred by Landlord in performing such other acts shall be payable by Tenant to Landlord within five (5) days after demand therefor as Additional Rent.

13.4 Default by Landlord. Landlord shall not be in default unless Landlord fails to perform obligations required of Landlord within a reasonable time, but in no event later than thirty (30) days after written notice by Tenant to Landlord and to the holder of any first mortgage or deed of trust covering the Premises whose name and address shall have theretofore been furnished to Tenant in writing, specifying the obligation that Landlord has failed to perform; provided, however, that if the nature of Landlord's obligation is such that more than thirty (30) days are required for performance then Landlord shall not be in default if Landlord commences performance within such 30-day period and thereafter diligently pursues the same to completion.

13.5 Late Charges; Right to Change Terms:

(a) Tenant acknowledges that late payment by Tenant to Landlord of Base Rent, or Additional Rent or other sums due hereunder will cause Landlord to incur costs not contemplated by this Lease, the exact amount of which will be extremely difficult to ascertain. Such costs include, but are not limited to, processing and accounting charges, and late charges which may be imposed on Landlord by the terms of any mortgage or trust deed covering the Office Building Project. Accordingly, if any installment of Base Rent, Additional Rent, or any other sum due from Tenant shall not be received by Landlord or Landlord's designee when due, then, without any requirement for notice to Tenant, Tenant shall pay to Landlord a late charge equal to ten percent (10%) of such overdue amount. The parties agree that such late charge represents a fair and reasonable estimate of the costs Landlord will incur by reason of late payment by Tenant. Acceptance of such late charge by Landlord shall in no event constitute a waiver of Tenant's default with respect to such overdue amount, nor prevent Landlord from exercising any of the other rights and remedies granted hereunder.

(b) Following a second late payment or Rent or Additional Rent hereunder within any twelve (12) month period Landlord may, at its sole option, upon not less than fifteen (15) days' prior notice to Tenant, require Tenant to promptly execute and deliver to Landlord any documents, instruments, authorizations, or certificates required by Landlord to give effect to an automated debiting system, whereby any or all payments of Rent, Additional Rent, and any other payments required by Tenant or contemplated by this Lease shall be debited monthly or from time to time, as determined by Landlord, from Tenant's account in a bank or financial institution designated by Tenant and credited to Landlord's bank account. Tenant shall pay all service fees and other charges connected therewith, including, without limitation, any charges resulting from insufficient funds in Tenant's bank account or any late charges imposed on the Landlord. Tenant's failure to properly designate a bank or financial institution or to promptly provide appropriate information in accordance with this section shall constitute a default of the Lease.

ARTICLE 14 HAZARDOUS SUBSTANCES

14.1 As used herein, the term “**Hazardous Substances**” shall mean any chemical, substance, medical or other waste, living organism or combination thereof which is or may be hazardous to the environment or human or animal health or safety due to its radioactivity, ignitability, corrosivity, reactivity, explosivity, toxicity, carcinogenicity, mutagenicity, phytotoxicity, infectiousness or other harmful or potentially harmful properties or effects. “Hazardous Substances” shall include, without limitation, petroleum hydrocarbons, including crude oil or any fraction thereof, asbestos, radon, polychlorinated biphenyls (PCBs), methane and all substances which now or in the future may be defined as “hazardous substances,” “hazardous wastes,” “extremely hazardous wastes,” “hazardous materials,” “toxic substances,” “infectious wastes,” “biohazardous wastes,” “medical wastes,” “radioactive wastes” or which are otherwise listed, defined or regulated in any manner pursuant to any Environmental Laws. As used herein, “**Environmental Laws**” means all present and future federal, state and local laws, statutes, ordinances, rules, regulations, standards, directives, interpretations and conditions of approval, all administrative or judicial orders or decrees and all guidelines, permits, licenses, approvals and other entitlements, and rules of common law, pertaining to Hazardous Substances, the protection of the environment or human or animal health or safety.

14.2 Tenant shall not cause or permit any Hazardous Substance to be used, manufactured, stored, discharged, released or disposed of in, from, under or about the Premises, the Building, the Office Building Project or any other land or improvements in the vicinity thereof, excepting only, if applicable, such minor quantities of materials as are normally used in office buildings, and then only in strict accordance with all Applicable Laws. Without limiting the generality of the foregoing, Tenant, at its sole cost, shall comply with all Environmental Laws. If the presence of Hazardous Substances on the Premises or elsewhere in the Office Building Project caused or permitted by Tenant results in contamination of the Premises or any other portion of the Office Building Project, or any soil or groundwater in, under or about the Office Building Project, Tenant, at its expense, shall promptly take all actions necessary to return the Premises or the Office Building Project or portion thereof affected, to the condition existing prior to the appearance of such Hazardous Materials. The termination of this Lease shall not terminate or reduce the liability or obligations of Tenant under this Article 14, or as may be required by law, to clean up, monitor or remove any Hazardous Substances.

14.3 Tenant shall indemnify, protect, defend and hold harmless Landlord, the Property Manager, and their respective officers, directors, trustees, agents and employees from and against all losses, costs, claims, damages, liabilities, obligations, penalties, claims, litigation, demands, defenses, judgments, suits, proceedings, or expenses of any kind or nature (including, without limitation, attorneys’ fees and expert’s fees) arising out of or in connection with any Hazardous Substances on, in, under or affecting the Premises, Building, Office Project, or any part thereof that are or were attributable to Tenant or any employee, invitee, licensee, agent, contractor, or permitted subtenant or anyone claiming under Tenant or other person or entity acting at the direction, knowledge or implied consent of Tenant, including, without limitation, any cost of monitoring or removal, any reduction in the fair market value or fair rental value of the Premises, the Building or the Office Building Project, and any loss, claim or demand by any third person or entity relating to bodily injury or damage to real or personal property and reasonable attorneys’ fees and costs.

14.4 Tenant shall surrender the Premises to Landlord, upon the expiration or earlier termination of the Lease, free of Hazardous Substances which are or were attributable to Tenant or any employee, invitee, licensee, agent or contractor of Tenant, or anyone claiming under Tenant. If Tenant fails to so surrender the Premises, Tenant shall indemnify and hold Landlord harmless from all losses, costs, claims, damages and liabilities resulting from Tenant’s failure to surrender the Premises as required by this Section, including, without limitation, any claims or damages in connection with the condition of the Premises including, without limitation, damages occasioned by the inability to relet the Premises or a reduction in the fair market and/or rental value of the Premises, the Building or the Office Building Project or any portion thereof, by reason of the existence of any Hazardous Substances, which are or were attributable to the

activities of Tenant or any employee, invitee, licensee, agent or contractor of Tenant, or anyone claiming under Tenant.

14.05 Potentially Infectious Medical Waste. Tenant shall be responsible, at Tenant's sole cost and expenses, for the proper handling, storage and removal of potentially infectious medical waste generated in the Premises or the Office Building Project, and Tenant shall provide incineration or other proper disposal of same. This includes, but is not limited to:

(a) Cultures and Stocks - Cultures and stocks of agents infectious to humans, and associated biologicals. For example: cultures from medical laboratories; waste from the production of biologicals; discarded live and attenuated vaccines, and culture dishes and devices used to transfer, inoculate and mix cultures.

(b) Pathological Wastes - Human pathological wastes. For example: tissue, organs and body parts, and body fluids that are removed during medical procedures and specimens of body fluids and their containers.

(c) Blood and Body Products - Discarded waste human blood and blood components (e.g. serum and plasma) and saturated material containing free flowing blood and blood components.

(d) Sharps - Discarded sharps used in human patient care, medical research or clinical or pharmaceutical laboratories. For example: hypodermic, I.V., and other medical needles; hypodermic and I.V. syringes; Pasteur pipettes; scalpel blades; blood vials; and broken or unbroken glassware in contact with infectious agents, including slides or cover slips.

(e) Unused Sharps - Discarded hypodermic, I.V. and other medical needles, hypodermic, I.V. syringes, and scalpel blades. Unused sharps should be considered part of infectious medical wastes as it is often difficult to determine if they have been used. Tenant's failure to properly dispose of such waste or failure to comply with environmental laws, regulations and ordinances shall be deemed a default hereunder. Tenant agrees to indemnify, defend and hold harmless Landlord from and against any claims, liabilities, damages and suits arising in connection with potentially infectious medical waste used or generated in Tenant's medical practice. Tenant's obligations hereunder shall survive the termination or expiration of this Lease.

ARTICLE 15 **EMINENT DOMAIN**

15.1 If the Premises or any portion thereof are taken as a result of the exercise of the power of eminent domain, or any transfer in lieu thereof, this Lease shall terminate as to the part so taken as of the date the condemning authority takes title or possession, whichever first occurs, and, in the case of a partial taking, either Landlord or Tenant shall have the right to terminate this Lease as to the balance of the Premises by written notice to the other within thirty (30) days after such date; provided, however, that a condition to the exercise by Tenant of such right to terminate shall be that the portion of the Premises taken shall be of such extent and nature as substantially to handicap, impede or impair Tenant's use of the balance of the Premises. If any material part of the Building or Office Building Project shall be taken as a result of the exercise of the power of eminent domain, whether or not the Premises are affected, Landlord shall have the right to terminate this Lease by written notice to Tenant within thirty (30) days of the date of the taking. If neither Landlord nor Tenant terminates this Lease in accordance with the foregoing, this Lease shall remain in full force and effect as to the portion of the Premises remaining, except that the Rent and Additional Rent shall be reduced in the proportion that the floor area of the Premises taken bears to the total floor area of the Premises. Common Areas taken shall be excluded from the Common Areas usable by Tenant and no reduction of Rent shall occur with respect thereto or by reason thereof. In the event of any taking, Landlord shall be entitled to any and all compensation, damages, income, rent, awards, or any interest therein whatsoever which may be paid or made in connection therewith, and Tenant shall have no

claim against Landlord for the value of any unexpired term of this Lease or otherwise; provided that Landlord shall have no claim to any portion of the award that is specifically allocable to Tenant's relocation expenses or the interruption of or damage to Tenant's business.

15.2 Notwithstanding any other provision of this Article, if a taking occurs with respect to all or any portion of the Premises for a limited period of time, this Lease shall remain unaffected thereby and Tenant shall continue to pay Base Rent and Additional Rent and to perform all of the terms, conditions and covenants of this Lease. In the event of any such temporary taking, Tenant shall be entitled to receive that portion of any award which represents compensation for the use or occupancy of the Premises during the Term up to the total Base Rent and Additional Rent owing by Tenant for the period of the taking, and Landlord shall be entitled to receive the balance of any award.

15.3 Tenant hereby waives and releases any right, under any applicable law, statute or ordinance now or hereafter in effect, to terminate this Lease in whole or in part due to a taking of the Premises as a result of the exercise of the power of eminent domain.

ARTICLE 16 **REAL ESTATE BROKERS**

The brokers involved in this transaction are identified in Article 1. Each of Tenant and Landlord represents and warrants to the other that it has not had any dealings with any person, firm, broker or finder in connection with the negotiation of this Lease and/or the consummation of the transaction contemplated hereby, and no other broker or other person, firm or entity is entitled to any commission or finder's fee in connection with said transaction and Tenant and Landlord do each hereby indemnify, defend and hold the other harmless from and against any costs, expenses, attorney's fees or liability for compensation or charges which may be claimed by any such unnamed broker, finder or other similar party by reason of any dealings or actions of the indemnifying party.

ARTICLE 17 **ESTOPPEL CERTIFICATE**

17.1 Upon Landlord's written request, Tenant shall execute, acknowledge and deliver to Landlord a written statement certifying: (i) that none of the terms or provisions of this Lease have been changed (or if they have been changed, stating how they have been changed); (ii) that this Lease has not been canceled or terminated and is in full force and effect; (iii) the amount of the current Base Rent; (iv) the last date of payment of the Base Rent and other charges and the time period covered by such payment; (v) the amount of any Security Deposit paid and the validity of any charges made thereto by Landlord (or, if Tenant contests the validity of any such changes, stating why); (vi) that the Lease has not been subleased or assigned, or if it has been so subleased or assigned, the identity of the subtenant or assignee; and (vii) that Landlord is not in default under this lease (or, if Landlord is claimed to be in default, stating why). Tenant shall deliver such statement to Landlord within ten (10) days after Landlord's request. Any such statement by Tenant may be given by Landlord to any prospective purchaser or encumbrancer of the Premises, the Building or the Office Building Project. Such purchaser or encumbrancer may rely conclusively upon such statement as true and correct.

17.2 At Landlord's option, the failure to deliver such statement within ten (10) days of such request shall be a material default of this Lease by the responding party, without any further notice to Tenant, or it shall be conclusive upon Tenant that (i) this Lease is in full force and effect, without modification except as may be represented by the requesting party, (ii) there are no uncured defaults in the requesting party's performance, and (iii) if Landlord is the requesting party, not more than one month's Base Rent has been paid in advance.

17.3 Tenant shall, when requested by Landlord from time to time but not more frequently than once each year, furnish a true and accurate audited statement of its financial condition for the last three (3)

years; provided, however, that if Tenant is a publicly traded company Tenant may satisfy the requirements of this paragraph by providing Landlord with a copy of its Form 10-K.

ARTICLE 18

SALE OR ASSIGNMENT BY LANDLORD

18.1 It is agreed that Landlord may at any time sell, assign or transfer by lease or otherwise its interest as Landlord in and to this Lease, or any part thereof, and may at any time sell, assign or transfer its interest in and to the whole or any portion of the Premises or the Office Building Project. In the event of any transfer of Landlord's interest in the Premises or the Office Building Project, the transferor shall be automatically relieved of any and all of Landlord's obligations and liabilities accruing from and after the date of such transfer provided that the transferee assumes all of Landlord's obligations under this Lease.

18.2 Tenant hereby agrees to attorn to Landlord's assignee, transferee, or purchaser from and after the date of notice to Tenant of such assignment, transfer or sale, in the same manner and with the same force and effect as though this Lease were made in the first instance by and between Tenant and such assignee, transferee or purchaser. In the event of the exercise of the power of sale under, or the foreclosure of, any deed of trust, mortgage or other encumbrances placed by Landlord against all or any portion of the Premises, Tenant shall, upon demand, attorn to the purchaser upon the effective date of any such sale or foreclosure of any such deed of trust, mortgage or other encumbrance, and shall recognize the purchaser or judgment creditor as the Landlord under the Lease.

ARTICLE 19

SECURITY DEPOSIT

Upon execution of this Lease, Tenant shall deposit with Landlord, as security for the performance of Tenant's obligations under this Lease, the security deposit set forth in Article 1 above (the "Security Deposit"). Upon the occurrence of a Default, and upon written notice to Tenant Landlord may use all or any part of the Security Deposit for the payment of any Rent or for the payment of any amount which Landlord may pay or become obligated to pay by reason of such Default, or to compensate Landlord for any loss or damage which Landlord may suffer by reason of such Default. If any portion of the Security Deposit is used, Tenant, within five (5) days after written demand therefor, shall deposit cash with Landlord in an amount sufficient to restore the Security Deposit to its original amount. Landlord shall not be required to keep the Security Deposit separate from its general funds, and Tenant shall not be entitled to interest on the Security Deposit. In no event shall the Security Deposit be considered an advanced payment of Rent, and in no event shall Tenant be entitled to use the Security Deposit for the payment of Rent. If no Default by Tenant exists hereunder, the Security Deposit or any balance thereof shall be returned to Tenant within thirty (30) days after the expiration of the Term and vacation of the Premises by Tenant. Landlord shall, subject to the terms and conditions of this Lease, transfer the Security Deposit to any *bona fide* purchaser of the Building. Upon such transfer, Tenant shall look solely to such purchaser for return of the Security Deposit; and Landlord shall be relieved of any liability with respect to the Security Deposit.

ARTICLE 20

MISCELLANEOUS PROVISIONS

20.1 Severability. If any provision of this Lease or the application thereof to any person, entity or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this Lease, or the application of such provision to persons, entities or circumstances other than those as to which it is invalid or unenforceable, shall not be affected thereby, and each provision of this Lease shall be valid and be enforced to the full extent permitted by law.

20.2 Interest on Past-Due Obligations. Except as expressly herein provided, any amount due to Landlord not paid when due shall bear interest at a rate equal to the Prime Rate plus 5%. For purposes hereof, the "Prime Rate" shall be the per annum interest rate as published in the Wall Street Journal as of

the date of the payment in question (reflected as the "Latest Prime Rate" at http://online.wsj.com/mdc/public/page/2_3020-moneyrate.html). Payment of such interest shall not excuse or cure any default by Tenant under this Lease.

20.3 Time of Essence. Time is of the essence with respect to the obligations to be performed under this Lease.

20.4 Entire Agreement; Amendments. This instrument, including the exhibits hereto, which are incorporated herein and made a part of this Lease, contains the entire agreement between the parties and all prior negotiations and agreements are merged herein. Tenant hereby acknowledges that neither Landlord nor Landlord's agents have made any representations or warranties with respect to the Premises, the Building, the Office Building Project, or this Lease except as expressly set forth herein, and no rights, easements or licenses are or shall be acquired by Tenant by implication or otherwise unless expressly set forth herein. This Lease may be amended or modified only by a written agreement signed by Landlord and Tenant.

20.5 Notices. Any notice required or permitted to be given hereunder shall be in writing and may be given by personal delivery or by certified or registered mail, and shall be deemed sufficiently given if delivered or addressed to Tenant or to Landlord at the address set forth in the Article 1. Mailed notices shall be deemed given upon actual receipt at the address required, or forty-eight hours following deposit in the mail, postage prepaid, whichever first occurs. Either party may by notice to the other specify a different address for notice purposes except that upon Tenant's taking possession of the Premises, the Premises shall constitute Tenant's address for notice purposes. A copy of all notices required or permitted to be given to Landlord hereunder shall be concurrently transmitted to such party or parties at such addresses as Landlord may from time to time hereafter designate by notice to Tenant.

20.6 Waivers; Modifications.

(a) No failure by Landlord to insist upon the strict performance of any obligation of Tenant under this Lease or to exercise any right, power or remedy consequent upon a breach thereof, no acceptance of full or partial Rent or Additional Rent during the continuance of any such breach, and no acceptance of the keys to or possession of the Premises prior to the expiration of the Term by any employee or agent of Landlord shall constitute a waiver of any such breach or of such term, covenant or condition or operate as a surrender of this Lease.

(b) Neither this Lease nor any term or provisions hereof may be changed, waived, discharged or terminated orally, and no breach thereof shall be waived, altered or modified, except by a written instrument signed by the party against which the enforcement of the change, waiver, discharge or termination is sought. No waiver of any breach shall affect or alter this Lease, but each and every term, covenant and condition of this Lease shall continue in full force and effect with respect to any other then-existing or subsequent breach thereof. The consent of Landlord given in any instance under the terms of this Lease shall not relieve Tenant of any obligation to secure the consent of Landlord in any other or future instance under the terms of this Lease.

20.7 Recording. This Lease shall not be recorded without Landlord's consent. However, either Landlord or Tenant may, upon request of the other execute, acknowledge and deliver to the requesting party a "short form" memorandum of this Lease for recording purposes if the non-requesting party consents to the recording of such memorandum.

20.8 Holding Over. Tenant shall vacate the Premises upon the expiration or earlier termination of this Lease. Tenant shall reimburse Landlord for and indemnify, defend and hold Landlord harmless against all damages, liabilities and costs, including, but not limited to, attorneys' fees, incurred by Landlord from any delay by Tenant in vacating the Premises. If Tenant, with Landlord's consent, remains in possession of the Premises or any part thereof after the expiration of the Term, such occupancy shall be a

tenancy from month to month upon all the provisions of this Lease pertaining to the obligations of Tenant, except that the Rent payable shall be two hundred percent (200%) of the Rent payable immediately preceding the Termination Date of this Lease. Any holding over without Landlord's consent shall constitute a default by Tenant and entitle Landlord to exercise any or all of its remedies provided hereunder, notwithstanding that Landlord may elect to accept one or more payments of Rent from Tenant.

20.9 Cumulative Remedies. No remedy or election hereunder shall be deemed exclusive but shall, wherever possible, be cumulative with all other remedies at law or in equity.

20.10 Covenants and Conditions. Each provision of this Lease performable by Tenant shall be deemed both a covenant and a condition.

20.11 Binding Effect; Choice of Law. Subject to any provisions hereof restricting assignment or subletting by Tenant, this Lease shall bind the parties, their personal representatives, successors and assigns. This Lease shall be governed by the laws of the State where the Office Building Project is located and any litigation concerning this Lease between the parties hereto shall be initiated in county in which the Office Building Project is located.

20.12 Subordination.

(a) This Lease, and any Option or right of first refusal granted hereby, at Landlord's option, shall be subordinate to any ground lease, mortgage, deed of trust, or any other hypothecation or security now or hereafter placed upon the Office Building Project and to any and all advances made on the security thereof and to all renewals, modifications, consolidations, replacements and extensions thereof. Notwithstanding such subordination, Tenant's right to quiet possession of the Premises shall not be disturbed if Tenant is not in default and so long as Tenant shall pay the Rent and observe and perform all of the provisions of this Lease, unless this Lease is otherwise terminated pursuant to its terms. If any mortgagee, trustee or ground Landlord shall elect to have this Lease and any Options granted hereby prior to the lien of its mortgage, deed of trust or ground lease, and shall give written notice thereof to Tenant, this Lease and such Options shall be deemed prior to such mortgage, deed of trust or ground lease, whether this Lease or such Options are dated prior or subsequent to the date of said mortgage, deed of trust or ground lease or the date of recording thereof.

(b) Tenant agrees to execute any documents required to effectuate an attornment, a subordination, or to make this Lease or any Option granted herein prior to the lien of any mortgage, deed of trust or ground lease, as the case may be. Tenant's failure to execute such documents within ten (10) days after written demand shall constitute a material default by Tenant hereunder without further notice to Tenant or, at Landlord's option, Landlord shall execute such documents on behalf of Tenant as Tenant's attorney-in-fact. Tenant does make, constitute and irrevocably appoint Landlord as Tenant's attorney-in-fact and in Tenant's name, place and stead, to execute such documents in accordance with this Section 19.12.

20.13 Attorney's Fees. In the event that either Landlord or Tenant fails to perform any of its obligations under this Lease or in the event a dispute arises concerning the meaning or interpretation of any provision of this Lease, the defaulting party or the party not prevailing in such dispute, as the case may be, shall pay any and all costs and expenses incurred by the other party in enforcing or establishing its rights hereunder, including, without limitation, court costs and reasonable attorneys' fees.

20.14 Waiver of Jury Trial. LANDLORD AND TENANT VOLUNTARILY, KNOWINGLY, IRREVOCABLY AND UNCONDITIONALLY WAIVE ANY RIGHT TO HAVE A JURY PARTICIPATE IN RESOLVING ANY DISPUTE (WHETHER BASED UPON CONTRACT, TORT OR OTHERWISE) THEM ARISING OUT OF OR IN ANY WAY RELATED TO THIS LEASE. THIS PROVISION IS A MATERIAL INDUCEMENT TO LANDLORD TO ENTER INTO THIS LEASE. TENANT REPRESENTS AND WARRANTS TO LANDLORD THAT IT HAS CONSULTED

WITH AND BEEN COUNSELED BY COMPETENT COUNSEL CONCERNING THE WAIVER SET FORTH IN THIS SECTION AND HAS KNOWINGLY MADE SUCH WAIVER.

20.15 Landlord's Access.

(a) Landlord reserves (for itself, its Property Manager, and any other designated agent, representative, employee or contractor) the right to enter the Premises at all reasonable times and, except in cases of emergency, after giving Tenant reasonable notice, to inspect the Premises, to supply any service to be provided by Landlord hereunder, to show the Premises to prospective purchasers, mortgagees or, during the last year of the Term of this Lease, Tenants, to post notices of nonresponsibility, and to alter, improve or repair the Premises and any portion of the Building, without abatement of Rent or Additional Rent, and may for that purpose erect, use and maintain necessary structures in and through the Premises and the Building, where reasonably required by the character of the work to be performed, provided that the entrance to the Premises shall not be blocked thereby, and further provided that the business of Tenant shall not be interfered with unreasonably. Tenant waives any claim for damages for any injury or inconvenience to or interference with Tenant's business, any loss of occupancy or quiet enjoyment of the Premises or any other loss occasioned thereby. All locks for all of the doors in, upon and about the Premises, excluding Tenant's vaults and safes or special security areas (designated in advance in writing by Tenant) shall at all times be keyed to the Building master system and Landlord shall at all times have and retain a key with which to unlock all of said doors. Landlord shall have the right to use any and all means that Landlord may deem necessary or proper to open said doors in an emergency in order to obtain entry to any portion of the Premises, and any entry to the Premises or portions thereof obtained by Landlord by any of said means, or otherwise, shall not under any circumstances be construed or deemed to be a forcible or unlawful entry into, or a detainer of, the Premises, or an eviction, actual or constructive, of Tenant from the Premises or any portion thereof.

(b) Without limitation of the provisions of Section 19.15(a) above, Landlord and its authorized agents and representative shall be entitled to enter the Premises at all reasonable times during business hours for the purpose of exhibiting the same to prospective purchasers and, during the final ninety (90) days of the Term, Landlord shall be entitled to exhibit the Premises for hire or for rent and to display thereon in such manner as will not unreasonably interfere with Tenant's business the usual "For Rent" or "For Lease" signs, and such signs shall remain unmolested on the Premises.

20.16 Signs. Subject to Landlord's prior right to approve same which will not be unreasonably withheld, and subject to all applicable laws and ordinances governing same, Tenant shall have the right at its sole cost to install an identification sign on the exterior of the Premises. If Landlord installs any outside monument or other signage, Tenant shall have the right to include its name and identification on such sign at its sole cost and expense and be given largest area for signage provided Tenant is the largest occupant in the Building. Tenant shall also be allowed to erect signage on the Building facing Frankfort Avenue at its cost, with size and design to be approved prior by Landlord, which will not be unreasonably withheld, and subject to all applicable laws and ordinances governing same. Tenant shall not place any additional signage upon the Premises or the Office Building Project without Landlord's prior written consent.

20.17 Merger. The voluntary or other surrender of this Lease by Tenant, or a mutual cancellation thereof, or a termination by Landlord, shall not work a merger, and shall, at the option of Landlord, terminate all or any existing subtenancies or may, at the option of Landlord, operate as an assignment to Landlord of any or all of such subtenancies.

20.18 Quiet Possession. Tenant, upon paying the Rent due hereunder and performing all of its obligations under this Lease, shall have quiet possession and peaceful enjoyment of the Premises for the entire Term subject to all of the provisions of this Lease.

20.19 Authority. If Tenant is a corporation or a limited liability company, Tenant and each of the persons executing this Lease on behalf of Tenant does hereby represent and warrant as follows: Tenant

is an entity duly formed and validly existing and in good standing under the laws of its state of organization and qualified to do business in the State of Illinois. Tenant has the power, legal capacity and authority to enter into and perform its obligations under this Lease and no approval or consent of any person is required in connection with the execution and performance hereof. The execution and performance of Tenant's obligations under this Lease will not result in or constitute any default or event that would be, or with notice or the lapse of time would be, a default, breach or violation of the organizational instruments governing Tenant or any agreement or any order or decree of any court or other governmental authority to which Tenant is a party or to which it is subject. Tenant has taken all necessary action to authorize the execution, delivery and performance of this Lease and this Lease constitutes the legal, valid and binding obligation of Tenant. Upon Landlord's request, Tenant shall provide Landlord with evidence reasonably satisfactory to Landlord confirming the foregoing representations and warranties.

20.20 Security Measures. Tenant acknowledges that Landlord shall have no obligation whatsoever to provide guard service or other security measures for the benefit of the Premises or the Office Building Project. Tenant assumes all responsibility for the protection of Tenant, its agents, and invitees and the property of Tenant and of Tenant's agents and invitees from acts of third parties. Nothing herein contained shall prevent Landlord, at Landlord's sole option, from providing security protection for the Office Building Project or any part thereof, in which event the cost thereof shall be included within the definition of Operating Expenses.

20.21 Lender Modification. Tenant agrees to make such reasonable modifications to this Lease as may be reasonably required by an institutional lender in connection with the obtaining of normal financing or refinancing of the Office Building Project.

20.22 Work Letter. This Lease is supplemented by the Work Letter attached hereto as **Exhibit C**, and incorporated herein by this reference.

20.23 Accord and Satisfaction. No endorsement or statement on any check or letter of Tenant shall be deemed an accord and satisfaction or otherwise recognized for any purpose whatsoever. The acceptance of any such check or payment shall be without prejudice to Landlord's right to recover any and all amounts owed by Tenant hereunder and Landlord's right to pursue any other available remedy. Landlord is entitled to accept, receive and cash or deposit any payment made by Tenant for any reason or purpose or in any amount whatsoever, and apply the same at Landlord's option to any obligation of Tenant and the same shall not constitute payment of any amount owed except that to which Landlord has applied the same.

20.24 Guaranty. As additional security for the prompt, full and faithful performance of each and every obligation of Tenant hereunder, said obligations have been guaranteed by the "Guarantor-s" described in Article 1 above pursuant to the Guaranty of Lease attached hereto as **Exhibit D**.

20.25 Electronic Delivery; Counterparts. This Agreement and any signed agreement or instrument entered into in connection with this Agreement, and any amendments hereto or thereto, may be executed in one or more counterparts, all of which shall constitute one and the same instrument. Any such counterpart, to the extent delivered by means of a facsimile machine or by .pdf, .tif, .gif, .peg or similar attachment to electronic mail (any such delivery, an "**Electronic Delivery**") shall be treated in all manner and respects as an original executed counterpart and shall be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person. At the request of any party hereto, each other party hereto or thereto shall re-execute the original form of this Agreement and deliver such form to all other parties. No party hereto shall raise the use of Electronic Delivery to deliver a signature or the fact that any signature or agreement or instrument was transmitted or communicated through the use of Electronic Delivery as a defense to the formation of a contract and each such party forever waives any such defense, except to the extent such defense relates to lack of authenticity.

20.26 Confidentiality. Landlord, Tenant, and their respective representatives shall hold in strictest confidence all data and information obtained with respect to the Lease, whether obtained before or

after the execution and delivery of this Lease, and shall not disclose the same to others; provided, however, that it is understood and agreed that the Parties may disclose such data and information to their employees, consultants, lenders, accountants as necessary to perform their respective obligations hereunder. In the event this Lease is terminated by either Party, all statements, documents, schedules, exhibits or other written information obtained in connection with this Lease shall be returned to the respective Party. The terms of this paragraph shall not apply to information that is otherwise available to the public.

20.27 Attachments. Attached hereto are the following documents which constitute a part of this Lease:

EXHIBIT A**RULES AND REGULATIONS FOR
OFFICE LEASE AGREEMENT**

Tenant shall faithfully observe and comply with the following Rules and Regulations.

9. Tenant shall not alter any locks or install any new or additional locks or bolts on any doors or windows of the Premises without obtaining Landlord's prior written consent. Tenant shall bear the cost of any lock changes or repairs required by Tenant. Keys required by Tenant must be obtained from Landlord at a reasonable cost to be established by Landlord.

10. All doors opening to public corridors shall be kept closed at all times except for normal ingress and egress to the Premises. Tenant shall assume any and all responsibility for protecting the Premises from theft, robbery and pilferage, which includes keeping doors locked and other means of entry to the Premises closed.

11. Landlord reserves the right to close and keep locked all entrance and exit doors of the Project except during the Project's normal hours of business. Tenant, its employees and agents must be sure that the doors to the Project are securely closed and locked when leaving the Premises if it is after the normal hours of business of the Project. Tenant, its employees, agents or any other persons entering or leaving the Project at any time when it is so locked, or any time when it is considered to be after normal business hours for the Project, may be required to sign the Project register. Access to the Project may be refused unless the person seeking access has proper identification or has a previously received authorization for access to the Office Building Project. Landlord and its agents shall in no case be liable for damages for any error with regard to the admission to or exclusion from the Office Building Project of any person. In case of invasion, mob, riot, public excitement, or other commotion, Landlord reserves the right to prevent access to the Office Building Project during the continuance thereof by any means it deems appropriate for the safety and protection of life and property.

12. No furniture, freight or equipment of any kind shall be brought into the Office Building Project without Landlord's prior authorization, not to be unreasonably withheld, conditioned or delayed. All moving activity into or out of the Office Building Project shall be scheduled with Landlord and done only at such time and in such manner as Landlord reasonably designates. Landlord shall have the right to reasonably prescribe the weight, size and position of all safes and other heavy property brought into the Office Building Project and also the times and manner of moving the same in and out of the Office Building Project. Safes and other heavy objects shall, if considered reasonably necessary by Landlord, stand on supports of such thickness as is necessary to properly distribute the weight, and Tenant shall be solely responsible for the cost of installing all supports. Landlord will not be responsible for loss of or damage to any such safe or property in any case. Any damage to any part of the Office Building Project, its contents, occupants or visitors by moving or maintaining any such safe or other property shall be the sole responsibility and expense of Tenant.

13. The requirements of Tenant will be attended to only upon application at the management office for the Office Building Project or at such office designated by Landlord. APPROXIMATE SPACE PLAN

**EXHIBIT C
WORK LETTER**

Dialysis Care Center Frankfort, LLC
c/o Tunji Morufu Alausa
15801 South Bell Road
Homer Glen, Illinois 60491

Ladies and Gentlemen:

You (the "**Tenant**") and we (the "**Landlord**"), are executing simultaneously with this Work Letter Agreement a Standard Office Lease (and together with the Standard Office Lease is called the "**Lease**") covering certain premises (the "**Premises**") more particularly described in the Lease. To induce Tenant to enter into the Lease (which is hereby incorporated by reference to the extent that its provisions may apply to this Work Letter Agreement), and in consideration of the mutual covenants hereinafter contained, Landlord and Tenant agree as follows:

Section 1. Scope of Work. Promptly following the approval by Tenant of the Plans and Specifications (defined below), Landlord agrees to furnish all of the material, labor and equipment necessary for the commencement and completion of construction of the improvements to the Premises specified in the Plans and Specifications (which improvements are called the "**Improvements**").

The Improvements shall be constructed by Landlord in a good and workmanlike manner in accordance with the Plans and Specifications, and Landlord agrees to complete same in compliance with all applicable laws then in effect (called the "**Work**"). Any improvements other than the Work in the nature of an initial build out of the Premises in accordance with the Plans and Specifications hereunder shall be deemed to be additions or alterations which are governed by the Lease.

Section 2. Plans and Specifications. Immediately upon the execution of this Work Letter Agreement and delivery by Tenant to Landlord of all information relevant to Tenant's space requirements, Landlord shall prepare the plans and specifications necessary for the construction of the Improvements to the Premises (the "**Plans and Specifications**"), which Tenant shall approve. When the Plans and Specifications have been ultimately approved, Tenant and Landlord shall each affix their respective signatures or initials to each page, and same shall be deemed to become a part of this Work Letter as Exhibit A.

Section 3. Landlord's Payment of Cost of the Work. Landlord agrees to pay for the cost of constructing the Improvements in accordance with the Plans and Specifications. Notwithstanding, the Landlord's obligation to pay for the cost of the Improvements shall be limited to \$_____.

Section 4. Tenant's Payment Obligation. Tenant shall be responsible for the cost of all of its own fixtures, furnishings, equipment and medical devices and apparatus. Tenant shall also pay the cost of constructing the Improvements in excess of \$_____, and for the cost of any Change Orders (described below).

Section 5. Change Orders. Landlord may agree to perform, at Tenant's request and upon submission by Tenant (at Tenant's sole cost and expense) of all necessary drawings, plans and specifications, any other work in addition to the Work such other work shall be done at Tenant's sole cost and expense as a Tenant's "extra." Prior to commencing any such other work requested by Tenant, Landlord shall submit to Tenant an estimate of the cost of such extra work. If Tenant shall fail to approve said estimate within ten (10) days from the receipt thereof, the same shall be deemed disapproved in all

respects by Tenant, and Landlord shall not be authorized to proceed thereon. If Tenant approves same, Tenant agrees to pay to Landlord promptly upon being billed therefor, after the conclusion of said extra work, the cost of all such extra work together with fifteen percent (15%) of said cost for Landlord's fee, plus Landlord's actual general conditions incurred in connection therewith.

Section 6. Completion. Except for Permitted Delays, the Landlord anticipates that the Work shall be "substantially completed" on or before March 1, 2022, which shall be Turnover Date. Notwithstanding if Landlord shall be delayed in substantially completing the Work solely as a result of:

- (a) Tenant's failure to timely approve the Plans and Specifications, , or
- (b) Tenant's request for materials, finishes and associated installations which are not available in a timely manner (provided Tenant has been apprised of such unavailability and Tenant continues to request same), or
- (c) Tenant's changes in the Work or the Plans and Specifications, or request for "extras" (notwithstanding Landlord's approval of such changes), or
- (d) The performance of any work by Tenant or any person, firm or corporation employed by Tenant, or
- (e) Any other material fault or delay on the part of Tenant or its agents,

the date by which Landlord shall achieve substantial completion and tender possession shall be deferred on account of such delay. Subsection (a) through (e) above are herein referred to as "Tenant Delays." Landlord shall not be deemed to be in default under the Lease or under this Work Letter for failure to timely complete the Improvements in the event that such delay is due to: (i) a Tenant Delay; (ii) any Force Majeure event as described in the Lease (Tenant Delays and Force Majeure events being collectively called "Permitted Delays").

Landlord shall use its best efforts to overcome or mitigate the effect of a Permitted Delay. Promptly following the occurrence of a Permitted Delay, Landlord shall notify Tenant of such occurrence. Following Landlord's determination of the effect such occurrence will have, if any, on the time within which the Improvements shall be substantially completed, Landlord shall notify Tenant of same.

Section 7. Substantial Completion. The Improvements shall be deemed to be "substantially complete" when: (i) Landlord notifies Tenant in writing that the Improvements in question are completed in substantial compliance with applicable laws, ordinances and regulations, and in conformance with the Plans and Specifications; and (ii) when the City of Frankfort has issued a certificate of occupancy therefor if one is necessary for projects of the size and scope of the Improvements (herein referred to as "Substantial Completion"). The issuance of a certificate of occupancy by the City that is conditional on the subsequent completion of weather-sensitive work or punch-list items, if any, shall nevertheless fulfill the requirement of (ii) above.

Section 8. Punch List. Landlord shall notify Tenant of the date which is approximately three (3) business days prior to the estimated date on which Substantial Completion of the Improvements is expected to be achieved (the "Inspection Date"). Landlord and Tenant on the Inspection Date shall make a joint physical inspection of the Work to list minor items which may need to be completed ("Punch List Items"). Landlord shall complete the Punch List Items, within such reasonable period of time in respect to each item as is necessary to complete same, taking into account diligence and good workmanlike practices. In the event of a disagreement between the parties as to the inclusion or the exclusion of an item on the "Punch List," the decision of the project architect (which decision shall be based solely on the

determination of whether the item in question was constructed in substantial conformity with the Plans and Specifications) shall control.

Section 9. Construction Warranty. Landlord warrants the Work for a period of one (1) year after the Turnover Date (the "Warranty Period"). If, during the Warranty Period Tenant notifies Landlord in writing of defects in the design, materials or defective work in the construction of the Improvements, Landlord shall promptly cause the defective work to be corrected. For purposes of determining whether any of the Work is defective, the parties agree that any Work which is not completed substantially in accordance with the Plans and Specifications may be deemed to be defective. The warranty which is provided by Landlord hereunder is limited in certain respects, and is conditioned on certain user performance criteria, as follows:

- (a) Tenant acknowledges and agrees that the warranty herein provided does not extend to any abuse or material misuse of the Improvements, and any such abuse or material misuse may void any manufacturers' warranties which may be assigned to Tenant hereunder.
- (b) This paragraph shall not require Landlord to perform any routine and appropriate regular maintenance of the Improvements required to be performed by Tenant during the Warranty Period.
- (c) Landlord's warranty specifically excludes damages to Tenant's furniture, furnishings, equipment, or other personal property which may be located on or in the Improvements or on the Office Building Project, interruption of business activities, and excludes personal injuries, Tenant hereby agreeing that such risks shall be managed by it by the purchase of adequate amounts of appropriate forms of insurance. Landlord's obligations under this warranty shall be limited to correcting those portions of the Improvements which may be defective due to faulty design or workmanship.

Section 10. No Other Agreements. Except as set forth in the Lease, Landlord has no other agreement with Tenant and has no other obligation to do any other work with respect to the Premises. Any other work in the Premises which may be permitted by Landlord pursuant to the terms and conditions of the Lease shall be done at Tenant's sole cost and expense, and in strict compliance with said terms and conditions.

Section 11. Right to Inspect Work. Landlord hereby grants Tenant the right from time to time to enter into the Premises for purposes of inspecting the Work.

Dear Ms. Avery,

I am a please to support Dialysis Care Center Frankfort. The proposed 12 Station Chronic renal dialysis facility, to be located at 7777 W Lincoln Hwy, Frankfort, IL,60423

Dialysis Care Center Frankfort facility will improve access to necessary dialysis services in the Frankfort community.

Along with my partners. We have experienced extreme growth of both population and of ESRD patients in this area. We have many pre-ESRD patients in my practice that I anticipate in referring to the Dialysis Care Center Frankfort. This facility will better serve the growing number of dialysis patients in my practice.

We currently have 115 CKD 4 pre-ESRD patients in my practice, this does not include any patients that are CKD 3, the list is provided for those patients as well but have not been accounted for in any calculation purposes, of these I expect approximately 30% to expire, regain function, move out of the area or choose home dialysis before dialysis therapy is started. I expect then that approximately 80 of these patients would be referred to Dialysis Care Center Frankfort facility for dialysis. My partners and I will continue to refer patients to the other area facilities per the patient's place of residence and choice. We are also strong supporters of home dialysis through Frankfort home therapies programs and will continue to refer those patients who are good candidates for home dialysis services.

I respectfully ask you to consider the constant growth of ESRD in Frankfort and Will County to approve the Dialysis Care Center Frankfort facility to maintain access for future dialysis patients.

Thank you for your consideration.

I attest that to the best of my knowledge, all the information contained in this letter is true and correct, and not has been used on another CON application.

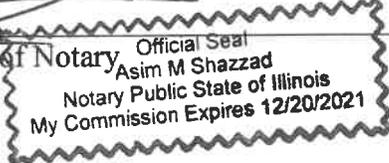

Sincerely,

DR. TAUSEEF SARGUROH
