Re: Request for Public Hearing for Project No. **20-042 Mercy Care Center**.

Dear Mr. Constantino and Ms. Avery:

I hereby request a public hearing on Project No. **20-042 (Mercy Care Center, Chicago)**. As a member of the community, I cannot sit in silence as I watch Trinity Health destroy healthcare for those living in the Southside of Chicago. Please contact me if you have any questions. Thank you for your time.

Sincerely,

David Schusteric, MBA
