RE: Neonatal Beds Exemption
Exemption: E-011-18, Edward Hospital, Naperville, Illinois
Exemption Holder: Edward Hospital
Site Owner: Edward Hospital
Entity to be Licensed: Edward Hospital

Dear Ms. Runge:

On April 4, 2018, the Chairwoman of the Illinois Health Facilities and Services Review Board (State Board) approved your request to add 10 beds to an existing neonatal intensive care category of service. This approval was based upon the application's compliance with applicable provisions of 77 ILAC 1130. The exemption is for Edward Hospital, 801 S. Washington Street, Naperville, Illinois. The entity to be licensed is Edward Hospital.

Within 90 days of the beds being licensed, the exemption holder shall submit a report detailing the date that the beds were licensed and that the project was completed in accordance with the terms stated in the exemption application.

Please be advised that the Exemption is not transferable or assignable and that the State Board's approval does not exempt the transaction from any other regulatory, certification or licensure requirements that may be applicable prior to this acquisition. Should the facility for which the Exemption was granted cease to be an existing health care facility as defined in 77 Ill. Adm. Code 1130.140, this exemption will be invalid.

Should you have any questions or concerns please contact Mike Constantino or George Roate at 217-782-3516.

Sincerely,

A handwritten signature in black ink that reads "Kathy Olson".

Kathy Olson, Board Chair

Illinois Health Facilities and Services Review Board
