Dear Ms. Mollohan:

On May 4, 2020, the Chairman of the Illinois Health Facilities and Services Review Board (State Board) acting on behalf of the State Board under 77 IAC 1130.560(a) approved your request for the discontinuation of the 10-bed acute mental illness category of service at Passavant Area Hospital, 1600 West Walnut Street, Jacksonville, Illinois. The approval was based upon the application's compliance with applicable provisions of 77 IAC 1130. As the result of this discontinuation the categories of service and the number of beds at the Hospital are as follows:

Category of Service	Current Beds	After Approval	Difference
Medical Surgical	101	101	0
Pediatrics	0	0	0
Obstetric	11	11	0
Intensive Care	9	9	0
Acute Mental Illness	10	0	-10
Total	131	121	-10

You are reminded that the issuance of the certificate of exemption for the discontinuation of a category of service is complete upon the date provided above and no further action regarding this exemption as it relates to the State Board is required.

The State Board's approval does not exempt the transaction from any other regulatory, certification or licensure requirements that may be applicable prior to the discontinuation of the category of service.
