Exemption: #E-017-21 – Peoria Ambulatory Surgery Center (a division of Soderstrom Dermatology Center, S.C.)
Exemption Holders: Soderstrom Dermatology Center, S.C., James M. Jeffries III, M.D., FACS

Dear Mr. Morado and Mr. Silberman:

On July 26, 2021, the Chairman of the Illinois Health Facilities and Services Review Board (State Board) acting on behalf of the State Board under Part 77 IAC 1130 approved your request for a change of ownership of Peoria Ambulatory Surgery Center, 4909 N. Glen Park, Peoria, Illinois. The approval was based upon the application's compliance with applicable provisions of 77 IAC 1130. The change of ownership is a purchase resulting in no change in the licensee. The licensee is Peoria Ambulatory Surgery Center (a division of Soderstrom Dermatology Center, S.C.) and the owner of the site is Store Master Funding XII, LLC. The ASTC has been approved for Plastics, Dermatology, and Ophthalmology surgical services.

You are reminded that the issuance of the certificate of exemption is contingent upon the submittal of a statement to the State Board within 90 days of the closing date of the transaction that certifies the change of ownership has been completed in accordance with the key terms contained in the application. To demonstrate completion of this transaction, the exemption holder must provide the State Board with the date that the change of ownership occurred. Failure to provide the required notification shall subject the exemption holder to the sanctions provided under Section 14 of the Illinois Health Facilities Planning Act.

The State Board's approval does not exempt the transaction from any other regulatory, certification or licensure requirements that may be applicable. Should you have any questions or concerns, please contact Mike Constantino or George Roate of my staff at Mike.Constantino@illinois.gov or George.Roate@illinois.gov or 217.782.3516
