SWEDISH AMERICAN HOSPITAL
DR. MICHAEL J BORN, CEO
1401 E STATE STREET
ROCKFORD IL 61104-2315

Dear Dr. Born:

In a letter dated June 14, 2017 you requested to increase your number of Neonatal beds by 10. This results in a total of 209 Medical Surgical beds, and 30 ICU beds, 32 AMI beds, 34 OB beds, 28 ped beds, 10 Neo beds, with a total bed count of 343 beds at Swedish American Hospital, Rockford. The Health Facilities Services and Review Board approved this request in the bed complement without a permit per the State Board rule 77 Ill. Adm. Code 1130.140, which allows a health care facility to change its bed complement without a permit.

The IDPH Division of Health Care Facilities and Programs, Central Office Section has determined that this change meets the licensing requirements and is effective September 10, 2019.

You are required to notify the IDPH when these beds become operational. Please forward a letter to the Illinois Department of Public Health, Division of Health Systems Development, Program Review Section, 525 West Jefferson St, 2nd Floor, Springfield, IL 62761-0001, to the attention of Mike Constantino with the effective date the additional beds became operational.

The Inventory of Health Care Facilities Services and Need Determination will be adjusted following receipt of the notification that the beds are operational.

If you have any questions or concerns, please forward them to Illinois Department of Public Health, Division of Health Care Facilities and Programs, Central Office Operations Section, 525 West Jefferson, 4th Floor, Springfield, IL 62761-0001 or by phone at 217-782-7412. The Department's TTY number is 800/547-0466, for use by the hearing impaired.

Sincerely,

Karen Senger, RN, BSN
Division Chief
Division of Health Care Facilities and Programs
