<b>EXEMPTION APPLICANT(S):</b> St John’s Hospital of the Hospital Sisters of the Third Order of Saint Francis d/b/a Prairie Diagnostic Center at St. John’s Hospital, Hospital Sisters Services, Inc. and Hospital Sisters Health System	
<b>FACILITY:</b> Prairie Diagnostic Center at St. John’s Hospital	

**1. The Transaction**

The Applicants (St John’s Hospital of the Hospital Sisters of the Third Order of Saint Francis d/b/a Prairie Diagnostic Center at St. John’s Hospital, Hospital Sisters Services, Inc. and Hospital Sisters Health System) propose to discontinue a single specialty ASTC at 401 E. Carpenter Street, Springfield, Illinois. The facility performs cardiac catheterization procedures only.

The reason for the discontinuation is the decrease in the number of procedures being performed and the fact that St. John Hospital the owner and operator of the ASTC provides cardio catheterization procedures. The space will be used to provide non-surgical outpatient cardiovascular specialties. All medical records will be maintained by St. John’s Hospital in accordance with all Federal and State requirements. A Safety Net Impact Statement and Charity Care Information have been provided as required. Impact Letters were sent to hospitals within 45-minutes of Prairie Diagnostic Center at St. John’s Hospital as required. The expected date of discontinuation is upon State Board Approval.

**2. Public Hearing**

No public hearing was requested and no letters of support or opposition were received by the State Board Staff.

**3. Criterion 77 ILAC 1130.500, Criterion 77 ILAC 1130.525- Application for permit or exemption; exemption regulations.**
