Re: Genesis Medical Center, Silvis – Certificate of Exemption
Project No. E-026-19
Notice of Completion

Dear Ms. Avery:

At its August 6, 2019 meeting the Illinois Health Facilities and Services Review Board approved the certificate of exemption for the discontinuation of the pediatrics category of service at Genesis Medical Center, Silvis.

Effective August 7, 2019 we consider the service to be formally discontinued. The material terms of the transaction did not change from those presented in the application and approved by the Review Board. In compliance with Public Act 101-0083 we have provided written notice of our discontinuation to our State Senator and State Representative.

Please contact us with any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Theresa Main".

Theresa Main, President
