Dear Mr. Moore and Mr. Lawler

On August 11, 2021, the Chairwoman of the Illinois Health Facilities and Services Review Board (State Board) acting on behalf of the State Board under 77 IAC 1130 approved your request for the discontinuation of the 27-bed obstetric category of service at Gateway Regional Medical Center, 2100 Madison Avenue, Granite City, Illinois. The approval was based upon the application's compliance with applicable provisions of 77 IAC 1130. As the result of this discontinuation the categories of service and the number of beds at the Hospital are as follows:

Category of Service	Existing	#E-026-21	Total
Medical Surgical	166	0	166
Intensive Care	12	0	12

You are reminded that the issuance of the certificate of exemption for the discontinuation of a category of service is complete upon the date provided in your application for exemption and notice to the State Board is required upon completion.

The State Board's approval does not exempt the transaction from any other regulatory, certification or licensure requirements that may be applicable prior to the discontinuation of the

category of service.

Should you have any questions or concerns, please contact Mike Constantino or George Roate of my staff at Mike.Constantino@illinois.gov or George.Roate@illinois.gov or 217.782.3516
