RE: Discontinuation of a Category of Service Exemption
Exemption # E-029-19 – Gottlieb Memorial Hospital
Exemption Holder: Gottlieb Memorial Hospital, Loyola University Health System d/b/a Loyola
Medicine, Trinity Health Corporation

Dear Mr. Green:

On August 6, 2019 the Illinois Health Facilities and Services Review Board (State Board) approved your request for the discontinuation of the open-heart surgery category of service at Gottlieb Memorial Hospital, 701 West North Avenue, Melrose Park, Illinois. The approval was based upon the application's compliance with applicable provisions of 77 IAC 1130.500 and 77 IAC 1130.525. The expected completion date is August 7, 2019.

You are reminded that this exemption is for the discontinuation of a category of service, and that you are to provide the State Board with a notice of the completion of the transaction no later than 90 days following the project completion date. Failure to provide the required notification shall subject the exemption holder to the sanctions provided under Section 14 of the Illinois Health Facilities Planning Act.

The State Board's approval does not exempt the transaction from any other regulatory, certification or licensure requirements that may be applicable. The exemption will be invalid should the facility for which the change of ownership was granted cease to be an existing health care facility as defined in 77 IAC 1130.140.

Should you have any questions or concerns please contact Mike Constantino or George Roate of my staff at Mike.Constantino@illinois.gov or George.Roate@illinois.gov or 217.782.3516.

Sincerely,

A handwritten signature in blue ink that reads "Courtney Avery".
