Exemption Holder: Warner Hospital and Health Services, City of Clinton

Dear Ms. Avery:

On August 6th, 2019 the Illinois Health Facilities and Services Review Board approved our request for the discontinuation of two intensive care beds at Warner Hospital and Health Services. Upon approval, Warner Hospital and Health Services will have 21 medical surgical beds and 2 pediatric beds, for a total of 23 acute care beds.

Our expected completion date for the closure of the two ICU beds was August 7th. This letter is our official notification that the completion date was accomplished on August 7th, 2019.

Thank you for your assistance and that of your staff.

Sincerely,

Paul P. Skowron CEO
