

Safety Net Impact Statement

Given the low volume of patients from McDonough County utilizing the McDonough District Hospital Senior Behavioral Health Unit, the closure of the unit is not expected to place hardship or cause a negative material impact for any organization or agency servicing the needs of seniors in our community.

Our remaining MDH employed psychiatrist will now have 40 hours per week in the outpatient psychiatric clinic setting so will be able to maintain our current outpatient psychiatric patient population.

Safety Net Information per PA 96-0031			
CHARITY CARE
