RE: Discontinuation of a Category of Service Exemption, Health Facilities Planning Act  
Exemption # E-034-19 – McDonough County District Hospital dba McDonough District Hospital  
Exemption Holder: McDonough County District Hospital dba McDonough District Hospital

Dear Mr. Dietz:

On September 17, 2019 the Illinois Health Facilities and Services Review Board (State Board) approved your request for discontinuation of a category of service. The approval was based upon the application's compliance with applicable provisions of 77 ILAC 1130.500, 77 ILAC 1130.525 and 77 ILAC 1110.290. The exemption is for the discontinuation of the 12-bed acute mental illness category of service at McDonough County District Hospital dba McDonough District Hospital. The following categories of service and beds remain:

Categories of Service	Beds
Medical Surgical	31
Obstetric	10
Intensive Care	7
Total Beds	48

You are reminded that this exemption requires that for discontinuation of a category of service a notice of project completion must be submitted to the State Board no later than 90 days following the project completion date (September 18, 2019). Failure to provide the required notification shall subject the exemption holder to the sanctions provided under Section 14 of the Illinois Health Facilities Planning Act.

The State Board's approval does not exempt the transaction from any other regulatory, certification or licensure requirements that may be applicable prior to discontinuation.
