Mr. Constantino,
Anita Nayak is selling the surgery center to Mohamed Surjudeen. He wants to keep the same name, Rogers Park One Day Surgery, to own and operate the surgery center. Once the title to the real estate is transferred to Mohamed Surjudeen, the closing will be finalized. I anticipate the closing will take place later this month.
Please let me know if you have any additional questions.
Best regards,
Jayme

Hi Jamie:

I am reviewing the Rogers Park change of ownership and I need to know who the operating entity/licensee WILL BE and will Anita Hayek still own the site. I also need to know the anticipated completion date.
THANKS.
