Re: Change in the Number of Medical Surgical Beds

Dear Mr. Jones

On November 24, 2019 Karen Senger informed me that the conversion of the 18 obstetric beds to 15 medical surgical beds that has been approved as part of the discontinuation of the 18-bed obstetric category of service at AMITA Health Saint Francis Hospital will not occur at this time. Our Inventory will be adjusted to reflect this change. Attached is a corrected approval letter that reflects this change.

Should you have any questions or concerns please contact Mike Constantino or George Roate of my staff at Mike.Constantino@illinois.gov or George.Roate@illinois.gov or 217.782.3516.

Sincerely,

A handwritten signature in blue ink that reads "Courtney Avery".
