RE: Change of Ownership- Health Facilities Planning Act
Exemption # E-049-19 – Community Memorial Hospital Association d/b/a Community Hospital of Staunton
Exemption Holder: Anderson Healthcare, Community Memorial Hospital Association d/b/a Community Hospital of Staunton

Dear Mr. Page:

On December 10, 2019 the Illinois Health Facilities and Services Review Board (State Board) approved your request for a change of ownership of a health care facility. The approval was based upon the application's compliance with applicable provisions of (77 ILAC 1130.500 & 77 ILAC 1130.520). The change of ownership is considered a change in control of a licensed health care facility. The licensee and owner of the site is Community Memorial Hospital Association d/b/a Community Hospital of Staunton. There was no cost to this transaction and the completion date is December 31, 2019.

You are reminded that this exemption requires that for a change of ownership for a health care facility a notice of project completion must be submitted to the State Board no later than 90 days following the project completion date (December 31, 2019). Failure to provide the required notification shall subject the exemption holder to the sanctions provided under Section 14 of the Illinois Health Facilities Planning Act.

The State Board's approval does not exempt the transaction from any other regulatory, certification or licensure requirements that may be applicable prior to discontinuation.

Should you have any questions or concerns please contact Mike Constantino or George Roate of my staff at Mike.Constantino@illinois.gov or George.Roate@illinois.gov or 217.782.3516.

Sincerely,

A handwritten signature in blue ink that reads "Courtney Avery".
